SETUP GUIDE

1. Charging the Device

Before first use, fully charge your C900 Pro Max Smart Watch. Connect the charging cable to the watch's charging port and a USB power source. A full charge typically takes approximately **1 hour** and provides up to **24 hours** of average use.

2. Powering On/Off

- **To Power On:** Press and hold the side button until the screen illuminates.
- **To Power Off:** Press and hold the side button, then select "Power Off" on the screen.

3. Pairing with Your Smartphone

1. Ensure your smartphone's Bluetooth is enabled.
2. On your C900 Pro Max Smart Watch, navigate to the Bluetooth settings.
3. On your smartphone, search for available Bluetooth devices and select "C900 Pro Max" (or similar device name).
4. Confirm the pairing request on both devices.

5. Once paired, the watch will synchronize with your smartphone for notifications and data.

4. Changing Straps

The C900 Pro Max Smart Watch features a quick-release mechanism for easy strap interchangeability. To change a strap:

1. Locate the quick-release pin on the underside of the strap where it connects to the watch body.
2. Slide the pin inwards to detach the strap.
3. Align the new strap with the watch body and slide the quick-release pin into the corresponding hole until it clicks into place.
4. Gently pull on the strap to ensure it is securely attached.

OPERATING INSTRUCTIONS

Basic Navigation

- **Touchscreen:** Swipe left, right, up, or down to navigate through menus and features. Tap to select.
- **Side Button:** Press to return to the home screen or wake the device. Long press for power options.

Key Features

- **Watch Faces:** Customize your watch face by long-pressing the home screen or through the settings menu.
- **Notifications:** Receive alerts for calls, messages, and app notifications from your paired smartphone.
- **Fitness Tracking:** Monitor daily activities, steps, distance, and calories burned.
- **GPS:** Utilize the integrated GPS for location-based tracking during outdoor activities.

MAINTENANCE

Cleaning Your Smart Watch

Regularly clean your watch to ensure optimal performance and hygiene.

- Wipe the screen and watch body with a soft, lint-free cloth.
- For stubborn marks, slightly dampen the cloth with water. Avoid harsh chemicals or abrasive materials.
- Clean the charging contacts periodically to ensure efficient charging.

Battery Care

- Avoid exposing the watch to extreme temperatures, which can degrade battery life.
- Do not leave the watch fully discharged for extended periods.
- Use only the provided charging cable or a certified compatible charger.
