uniqx Desktop Support Specialist Mug (AI6036) User Manual

Model: CA-MUG-26036

1. INTRODUCTION

Welcome to your new uniqx Desktop Support Specialist Mug. This manual provides essential information for the proper use, care, and maintenance of your ceramic coffee cup. Please read these instructions carefully to ensure optimal enjoyment and longevity of your product.

2. PRODUCT OVERVIEW

The uniqx Desktop Support Specialist Mug is a high-quality ceramic beverage mug designed for daily use. It features a durable construction and a comfortable handle, suitable for various hot and cold drinks.

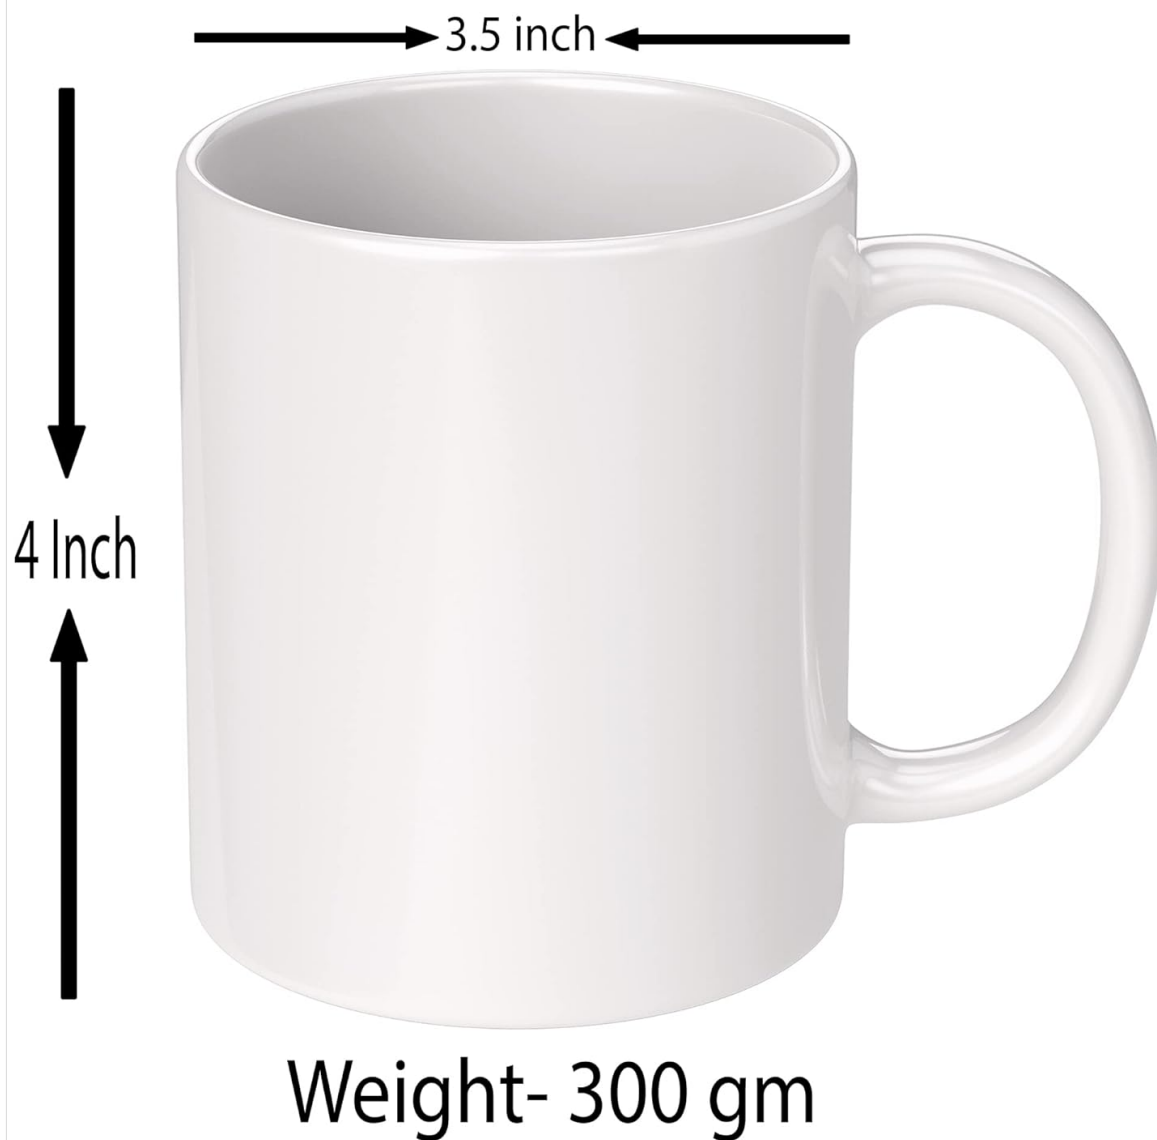

Image 1: Front view of the uniqx Desktop Support Specialist Mug, illustrating its approximate dimensions (3.5 inches width, 4 inches height) and weight (300 grams).

3. SETUP

Your mug comes ready for immediate use. No assembly is required.

1. **Unboxing:** Carefully remove the mug from its packaging. Inspect for any signs of damage during transit.
2. **Initial Cleaning:** Before first use, wash the mug thoroughly with warm water and mild soap. Rinse completely.

Image 2: Illustration of the thermocol safe packaging designed to protect the mug during shipping.

4. OPERATING INSTRUCTIONS

Using your uniqx mug is straightforward:

- **Filling:** Pour your desired hot or cold beverage into the mug. Do not overfill to prevent spills.
- **Handling:** Use the handle to safely hold and transport the mug, especially when it contains hot liquids.
- **Microwave Use:** The mug is microwave safe. When heating beverages, ensure the liquid does not exceed the mug's capacity and use appropriate heating times.

5. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your mug:

- **Cleaning:** While the mug is dishwasher safe, **hand washing is recommended** to preserve the print quality and overall longevity. Use warm water and mild dish soap. Avoid abrasive cleaners or scrubbers that could scratch the surface or design.
- **Drying:** Dry thoroughly after washing to prevent water spots.

- **Storage:** Store in a dry place, away from extreme temperatures.
- **Freezer Safe:** The mug is freezer safe, allowing for chilling or storing cold beverages.

6. TROUBLESHOOTING

Most issues with a ceramic mug are related to care. If you encounter problems:

- **Stains:** For stubborn coffee or tea stains, a mixture of baking soda and water can be used as a gentle abrasive. Apply, let sit, then scrub gently and rinse.
- **Cracks/Chips:** If the mug develops cracks or chips, discontinue use immediately to avoid injury.

7. SPECIFICATIONS
