3. SETUP INSTRUCTIONS

The VINGLI Oversized Chaise Lounge Chair is designed for simple assembly. It arrives in a vacuum-sealed package, and the main components will expand upon opening.

1. **Unpack the Components:** Carefully open the two packages. Remove the vacuum-sealed plastic wrapping from the chaise lounge base, cushions, and pillows.
2. **Allow for Expansion:** The compressed foam components will begin to expand immediately. Allow up to 72 hours for all cushions and the main unit to fully decompress and reach their intended shape and firmness. Gently fluffing the cushions can aid in this process.
3. **Attach the Legs:** Locate the chair legs and the corresponding hardware. Carefully turn the chaise lounge base upside down. Align each leg with the pre-drilled holes on the bottom corners of the base. Securely fasten the legs using the provided screws and Allen wrench.
4. **Position Cushions and Pillows:** Once the main unit and cushions have fully expanded, place the back cushions against the backrest. Arrange the armrest cushions and throw pillows as desired for optimal comfort.

5. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your chaise lounge.

- **Cleaning the Upholstery:** The corduroy fabric is soft and durable. For minor spills, gently blot with a clean, damp cloth. For deeper cleaning, the covers are removable and washable. Refer to the care label for specific washing instructions.
- **Vacuuming:** Regularly vacuum the chaise lounge using a soft brush attachment to remove dust and debris. This helps maintain the fabric's texture and appearance.
- **Fluffing Cushions:** Periodically fluff and rotate the back cushions and throw pillows to maintain their shape and even out wear.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fabric fading. Position your chaise lounge away from direct sunlight or use curtains/blinds to protect it.

- **Stability issues:** Ensure all legs are securely tightened. If the chaise wobbles, check that it is placed on a flat, even surface.
