Generisch jiangboyue-3295302

Generisch jiangboyue-3295302 Black Chest of Drawers

User Manual

INTRODUCTION

Thank you for purchasing the Generisch jiangboyue-3295302 Black Chest of Drawers. This manual provides essential information for the safe assembly, proper use, and maintenance of your new furniture. Please read these instructions carefully before beginning assembly and retain them for future reference.

SAFETY INFORMATION

Your safety is paramount. Please observe the following safety guidelines:

- **Tip-Over Hazard:** Furniture can tip over, causing serious or fatal injuries. Always secure this chest of drawers to the wall using the provided anti-tip kit (if included) or a suitable wall anchoring device.
- **Assembly:** Assemble the unit on a soft, clean surface to prevent scratches. Ensure all fasteners are securely tightened before use. Do not overtighten screws.
- **Weight Limits:** Do not exceed the maximum weight capacities specified in the 'Specifications' section. Distribute weight evenly.
- **Children:** Keep children away during assembly. Do not allow children to climb on or play with the chest of drawers.
- **Placement:** Place the unit on a level surface to prevent wobbling and instability.

PACKAGE CONTENTS

Before assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Top Panel
- Side Panels (2)
- Bottom Panel
- Back Panel
- Drawer Fronts (6)
- Drawer Sides & Backs (for 6 drawers)
- Drawer Bottoms (6)

- Drawer Slides (12 pairs - 6 for cabinet, 6 for drawers)
- Handles (6)
- Legs/Base Frame
- Hardware Pack (screws, dowels, cam locks, anti-tip kit)

SETUP AND ASSEMBLY

Assembly requires at least two people. Please follow these steps carefully.

Step 1: Assemble the Base Frame

Attach the metal base frame components together using the provided screws. Ensure all connections are tight and stable.

Image: Angled view of the chest of drawers, highlighting the sturdy metal base frame.

Step 2: Construct the Main Cabinet Frame

Attach the side panels to the bottom panel, then secure the top panel. Use dowels and cam locks/screws as indicated in the hardware instructions. Ensure the frame is square and stable.

Step 3: Install Drawer Slides

Attach the cabinet-side drawer slides to the interior of the main cabinet frame. Ensure they are level and correctly aligned for smooth drawer operation. Refer to the image showing the internal structure with drawers open.

Step 4: Assemble Drawers

For each of the six drawers, assemble the drawer sides, back, and bottom to the drawer front. Then, attach the drawer-side slides to the assembled drawer boxes. Finally, attach the handles to the drawer fronts.

Step 5: Insert Drawers and Attach Back Panel

Carefully insert each assembled drawer into its corresponding slot in the cabinet frame, aligning the drawer slides. Once all drawers are in place, attach the back panel to the cabinet using the small nails or screws provided.

Step 6: Secure to Wall (Anti-Tip Kit)

For safety, it is crucial to secure the chest of drawers to a wall. Locate a suitable wall stud and use the anti-tip kit (straps, brackets, screws) to firmly anchor the unit. Follow the specific instructions provided with the anti-tip kit.

OPERATING AND USAGE

To ensure the longevity and proper function of your chest of drawers:

- **Drawer Operation:** Open and close drawers gently. Avoid forcing them.
- **Weight Distribution:** Distribute items evenly within drawers and on the top surface. Avoid placing heavy items on the edges of drawers or the top panel.
- **Maximum Loads:** Do not exceed the maximum weight capacities: 5 kg per drawer, 30 kg for the top panel, and 60 kg total for the unit.
- **Stability:** Ensure the chest remains on a level surface. If moved, re-check for stability and re-secure to the wall if necessary.

MAINTENANCE

Regular care will help maintain the appearance and function of your chest of drawers:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. For stubborn marks, use a mild, non-abrasive cleaner specifically designed for wood or furniture. Dry immediately with a clean cloth.
- **Avoid Chemicals:** Do not use harsh chemicals, abrasive cleaners, or polishes containing silicone, as these can damage the finish.
- **Fasteners:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary, but do not overtighten.
- **Environment:** Avoid placing the furniture in direct sunlight or near heat sources, as this can cause fading, warping, or cracking. Maintain a stable room temperature and humidity.

TROUBLESHOOTING

| Problem | Possible Cause | Solution |
|-------------------------------------|---|--|
| Chest of drawers wobbles | Uneven floor; loose fasteners | Move to a level surface or use shims. Check and tighten all assembly fasteners. |
| Drawers are difficult to open/close | Drawer slides misaligned; overloaded drawer; debris in slides | Ensure drawer slides are correctly installed and aligned. Reduce drawer load. Clean drawer slides. |
| Missing parts or damaged components | Packaging error; shipping damage | Do not proceed with assembly. Contact customer support with your purchase details. |

SPECIFICATIONS

Model: jiangboyue-3295302

Color: Black

Material: Wood

Overall Dimensions (W x D x H): 91 x 35.5 x 74.5 cm

Drawer Exterior Size (L x W): 41 x 19 cm

Number of Drawers: 6

Maximum Load Capacity (Total): 60 kg
