SoarFlash Modern Velvet Recliner Sofa - Single Seat User Manual

Brand: SoarFlash | Model: 1 Seat White | UPC: 766700837932 | ASIN: B0DXKH7G1S

1. PRODUCT OVERVIEW

The SoarFlash Modern Velvet Recliner Sofa is designed to offer exceptional comfort and versatility for modern living spaces. This single-seat unit features a cloud-like comfort with dual-layer high-resilience foam and an ergonomic lumbar design. Its modular nature allows for flexible configurations, and it includes a hidden storage compartment for convenience. The sofa is upholstered in durable, breathable velvet and supported by a sturdy solid wood frame.

2. SAFETY INFORMATION

- Ensure the sofa is placed on a level, stable surface to prevent tipping.
- Do not exceed the maximum weight capacity of 350 pounds per seat.
- Keep the sofa away from direct heat sources, open flames, and excessive moisture.
- Avoid standing or jumping on the sofa.
- The sofa features child-safe rounded edges; however, always supervise children around furniture.
- When moving the sofa, lift it rather than dragging to prevent damage to the legs and frame.

3. PACKAGE CONTENTS

Due to the product's size, your SoarFlash sofa will be shipped in two separate packages. Please ensure you receive both packages before beginning setup. Components are typically packed within the sofa modules themselves.

WILL RECEIVE **2** PACKAGES

Due to the large size of the product, we will send it in **2 packages**

PLEASE NOTE:

We send multiple packages at the same time. However, FedEx may deliver them to their destinations at **different times**. If the set you received is not complete, please be patient and wait for the other package.

Image 3.1: Illustration showing the two packages you will receive for your sofa.

Expected Components:

- 1 x Sofa Module (1 Seat)
- 1 x Back Cushion
- 1 x Lumbar Pillow
- 2 x Armrest Covers (pre-installed or separate)
- 4 x Sturdy Plastic Legs (pre-installed or separate)

4. SETUP AND ASSEMBLY INSTRUCTIONS

The SoarFlash Modern Velvet Recliner Sofa is designed for zero assembly. Simply unbox the modules and arrange them in your desired configuration. The high-density foam cushions will fully expand within 72 hours of unboxing. A non-slip base ensures stability on hard floors.

Steps for Initial Setup:

1. Carefully remove all packaging materials from the sofa module.
2. Place the sofa module in its intended location.
3. Allow up to 72 hours for the cushions to fully expand and regain their shape. Gently fluffing the cushions can aid in this process.
4. Ensure the sofa is stable and level.

5. OPERATING INSTRUCTIONS (USAGE)

Your SoarFlash sofa is designed for versatile use, adapting to your needs with ease.

Modular Flexibility:

While this manual focuses on the single-seat unit, the SoarFlash sofa system is modular. If you acquire additional modules (e.g., ottomans, other seat sections), you can effortlessly convert your setup into a loveseat, U-shape sofa, L-shape sofa, or even a guest bed. The non-slip base ensures modules stay securely connected.

Image 5.1: Visual representation of how the modular sofa can be combined with ottomans and other sections to create various configurations.

Hidden Storage Compartment:

Each seat module features a hidden storage compartment, perfect for stowing away blankets, pillows, books, or other items to keep your living space tidy.

1. To access the storage, gently lift the seat cushion from the front edge.
2. The cushion will pivot upwards, revealing the spacious compartment underneath.
3. Place or retrieve items as needed.
4. Lower the seat cushion back into place, ensuring it is securely seated.

LARGE STORAGE SPACE

Comfort Features:

- **Deep Seat Design:** The 22.4-inch deep seat provides ample space for relaxation, whether reading or lounging.
- **Ergonomic Support:** The ergonomic lumbar design and high-resilience foam offer body-contouring support.
- **Removable Lumbar Pillow:** The included lumbar pillow can be adjusted or removed for personalized comfort.

6. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your SoarFlash sofa.

Velvet Upholstery Care:

- The velvet fabric is spill-resistant and easy to clean. For most spills, gently blot with a clean, damp cloth. Avoid rubbing vigorously.
- For tougher stains, use a mild soap solution and a soft cloth, then blot dry. Test on an inconspicuous area first.
- Regularly vacuum the sofa using a soft brush attachment to remove dust and debris.
- The fabric is designed to be non-pilling, maintaining its smooth appearance over time.

Cushion Care:

- The covers of the pillows and armrests are removable and washable. Follow care instructions on the label.
- The covers of the seat cushions are also removable, but washing is generally not recommended as they may shrink easily. Spot cleaning is preferred.
- To maintain the shape and resilience of the high-density foam cushions, periodically fluff and rotate them.

7. TROUBLESHOOTING

This section addresses common concerns you might encounter with your SoarFlash sofa.

Cushions Not Fully Expanded:

The high-density foam cushions require up to 72 hours to fully expand after unboxing. If after this period they still appear compressed, gently fluff and knead them to help distribute the foam evenly. Ensure they are not constrained by tight packaging or placement.

Shipping Damage:

The product is shipped in reinforced boxes with protected corners. In the rare event that any damage occurs during shipping, please contact customer support immediately. A replacement will be dispatched within 48 hours.

Sofa Modules Shifting:

The sofa modules are equipped with a non-slip base. Ensure the modules are properly aligned and placed on a clean, dry floor. If shifting persists, verify that the non-slip pads are intact and free of debris.

8. SPECIFICATIONS

Feature	Detail
Brand	SoarFlash
