# Yaheetech 2-Seater Rattan Garden Bench with Integrated Side Table - Instruction Manual

## INTRODUCTION

Thank you for choosing the Yaheetech 2-Seater Rattan Garden Bench with Integrated Side Table. This manual provides essential information for the safe assembly, operation, and maintenance of your new outdoor furniture. Please read these instructions carefully before use and retain them for future reference.

## SAFETY INFORMATION

- **Weight Restriction:** Do not exceed a maximum load of 175 kg (385 lbs) per seat. Overloading can cause damage or injury.
- **Material Properties:** The rattan material is not heat resistant. Avoid placing hot items directly on the surface without protection.
- Ensure all screws and bolts are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not stand on the bench or use it as a step stool.
- Keep children and pets away from the assembly area. Small parts can be a choking hazard.

## SETUP AND ASSEMBLY

Assembly is required for this product. Please follow the steps below carefully. It is recommended to assemble the bench on a soft, clean surface to prevent scratches.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out and compare them with the parts list to ensure everything is present and undamaged.
2. **Assemble Frame:** Begin by assembling the main metal frame structure. Attach the legs and support bars using the provided screws and Allen key. Do not fully tighten screws until all parts are loosely connected.
3. **Attach Rattan Sections:** Secure the rattan seat and backrest sections to the assembled frame. Ensure proper alignment before tightening screws.
4. **Install Side Table:** Attach the integrated side table, including the tempered glass top, to the designated area between the two seats.
5. **Final Tightening:** Once all components are in place and aligned, gradually tighten all screws and bolts securely. Do not overtighten.
6. **Place Cushions:** Position the removable cushions on the seats.

**Important Note:** During assembly, ensure that the correct screw lengths are used for each connection point to avoid damaging the product. If you encounter any difficulties, refer to the assembly diagram (if provided in your package) or contact customer support.

This garden bench is designed for comfortable outdoor seating for two individuals. The integrated side table provides a convenient surface for drinks, snacks, or small personal items.

- **Seating:** Sit gently on the bench. Ensure the weight per seat does not exceed 175 kg (385 lbs).
- **Side Table Use:** Place items on the tempered glass side table. Do not exceed the table's weight capacity of 15 kg (33 lbs). Avoid placing extremely hot objects directly on the glass without a coaster or protective mat.
- **Cushions:** The cushions provide enhanced comfort. They are removable for cleaning and storage.

## MAINTENANCE

Proper care and maintenance will extend the life of your garden bench.

- **Frame and Rattan Cleaning:** For general cleaning, simply rinse the rattan frame with water. For more stubborn dirt, use a mild soap solution and a soft brush or cloth. Rinse thoroughly and allow to air dry.
- **Cushion Care:** The cushions feature water-repellent covers. While they resist light moisture, it is **not recommended** to leave them exposed to heavy rain. The covers are removable via a zipper for easy washing. Hand wash or machine wash on a gentle cycle with cold water and mild detergent. Air dry

only; do not tumble dry.

- **Glass Table Top:** Clean the tempered glass table top with a standard glass cleaner and a soft cloth.
- **Seasonal Storage:** During off-seasons or periods of prolonged non-use, it is recommended to store the bench in a dry, sheltered area to protect it from extreme weather conditions. Remove and store cushions indoors.
- **Hardware Check:** Periodically inspect all screws and connections to ensure they remain tight. Retighten as needed to maintain stability.

### TROUBLESHOOTING

- **Bench feels unstable:** Check all assembly screws and bolts. Ensure they are fully tightened. If the issue persists, disassemble and reassemble, paying close attention to alignment.
- **Missing or damaged parts:** If you find any parts missing or damaged upon opening the package, please do not proceed with assembly. Contact Yaheetech customer support immediately for assistance.
- **Difficulty with assembly:** Ensure you are following the assembly steps in the correct order. Sometimes, screws may appear too long or too short if parts are not correctly aligned or if the wrong screw is used for a specific hole. Double-check the screw lengths against the instructions.
