

SUNVIE FCL03W02

SUNVIE Indoor Floor Uplight

Model: FCL03W02

Instruction Manual

1. INTRODUCTION

Thank you for choosing the SUNVIE Indoor Floor Uplight. This manual provides essential information for the safe and efficient use of your new lighting product. Please read these instructions thoroughly before installation and operation, and retain them for future reference.

2. SAFETY INFORMATION

- **Indoor Use Only:** This product is designed exclusively for indoor environments. Do not use it outdoors or in wet locations.
- **Electrical Safety:** Ensure the power outlet matches the voltage requirements (120 Volts AC). Do not overload electrical circuits.
- **Bulb Handling:** Always disconnect power before installing or replacing bulbs. Allow bulbs to cool completely before touching.
- **Placement:** Place the uplight on a stable, flat surface to prevent tipping. Keep away from flammable materials.
- **Cord Management:** Route the power cord safely to avoid tripping hazards or damage. Do not place heavy objects on the cord.
- **UL Listed Components:** This product features UL Listed components (GU10 bulb, lampholder, 2-prong plug) for enhanced safety.

3. PACKAGE CONTENTS

Each SUNVIE Indoor Floor Uplight package includes:

- 2 x Floor Can Light Fixtures (White, Aluminum Housing)
- 2 x 5W GU10 LED Bulbs (2700K Warm White)
- 2 x 5.9 ft UL Listed Power Cords with Foot Switch

Color	White
Material	Aluminum, Iron
Product Dimensions	4.3"L x 4.3"W x 8"H
Power Source	AC (Corded)
Voltage	120 Volts
Light Source Type	LED
Wattage	5 Watts per bulb
Bulb Base	GU10
Light Color	Warm White
Color Temperature	2700 Kelvin
Brightness	500 Lumens
Switch Type	Foot Switch
Cord Length	5.9 ft
Installation Type	Freestanding, No installation required
Water Resistance Level	Not Water Resistant

5. SETUP AND INSTALLATION

The SUNVIE Indoor Floor Uplight is designed for easy setup. No complex installation is required.

1. **Unpack Components:** Carefully remove all items from the packaging.
2. **Install the GU10 Bulb:**
 - Align the two pins of the GU10 bulb with the slots in the lampholder.
 - Gently push the bulb into the lampholder.
 - Twist the bulb clockwise approximately 15 degrees until it locks securely into place.

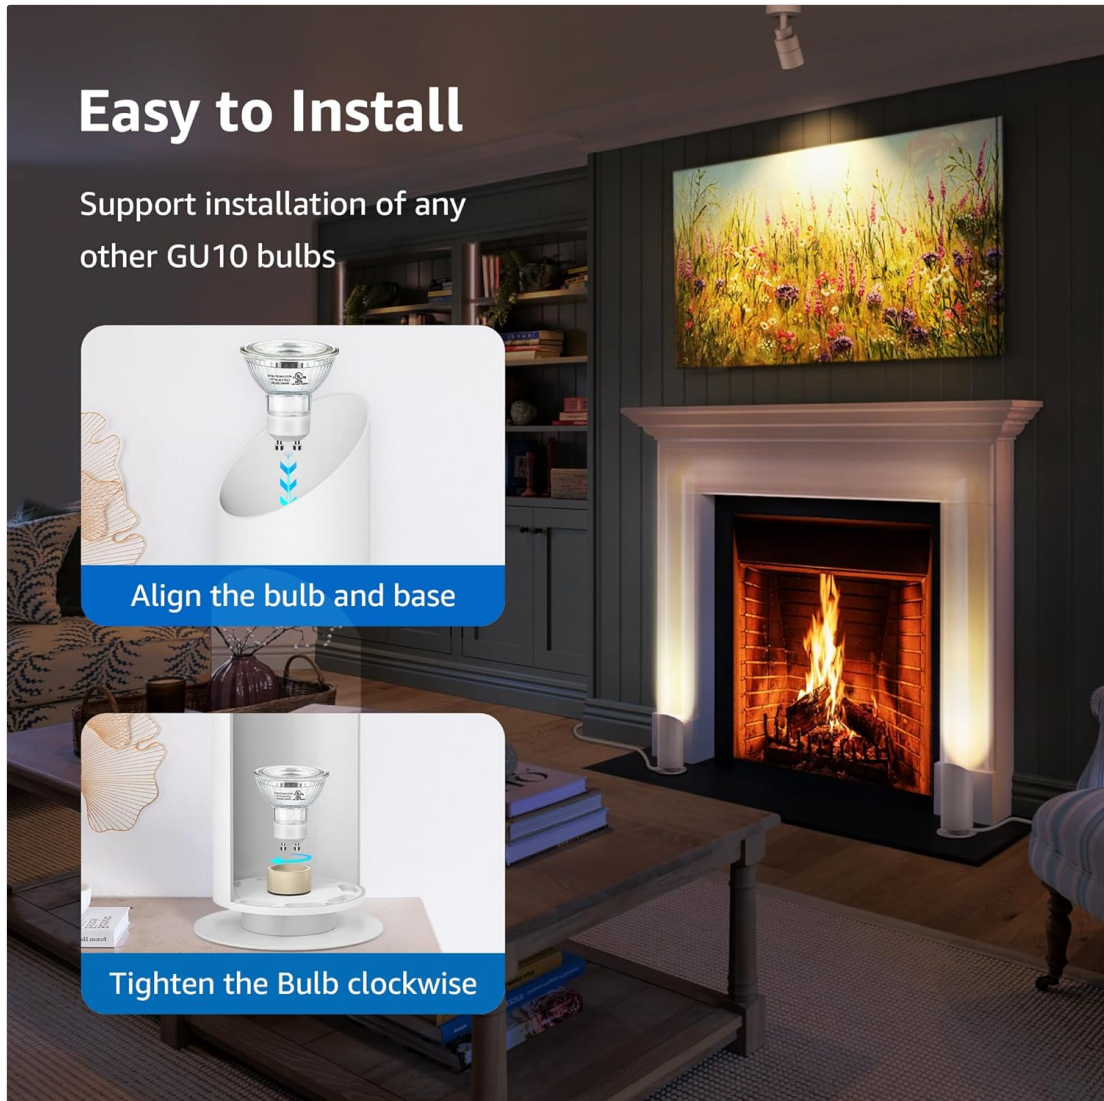

Image: Steps for installing the GU10 bulb. First, align the bulb pins with the base slots. Second, twist the bulb clockwise to secure it.

3. **Position the Uplight:** Place the uplight on a flat, stable surface in your desired indoor location. The thin, stable base is designed to prevent tipping.
4. **Connect to Power:** Plug the UL Listed 2-prong plug into a standard 120V AC wall outlet.

6. OPERATING INSTRUCTIONS

The SUNVIE Indoor Floor Uplight is operated using the integrated foot switch.

- **Turning On/Off:** Press the foot switch located on the 5.9 ft power cord to turn the light on or off.
- **Smart Control Compatibility:** The uplight is compatible with smart sockets or Wi-Fi outlets (sold separately) for intelligent control. This allows for remote operation or scheduling.

Application Examples

The versatile design allows for various accent lighting applications:

- **Fireplace Uplight:** Position next to a fireplace to create a warm glow.
- **Picture Uplight:** Illuminate artwork or wall hangings.
- **Corner Uplight:** Brighten dark corners or highlight architectural features.
- **Plant Uplight:** Accentuate indoor plants and foliage.

7. MAINTENANCE

- **Cleaning:** Disconnect the power before cleaning. Wipe the fixture with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- **Bulb Replacement:** The included GU10 LED bulbs are replaceable. To replace, ensure the light is unplugged and the bulb is cool. Twist the old bulb counter-clockwise to remove, then install a new GU10 bulb as described in the Setup section. The uplight supports any standard GU10 bulb.

8. TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Light does not turn on.	No power to the outlet.	Check if the outlet is functional by plugging in another device.
	Bulb not installed correctly or is faulty.	Ensure the GU10 bulb is securely twisted into the lampholder. Replace the bulb if necessary.
	Foot switch is faulty.	If the bulb and power source are confirmed working, contact customer support.
Light flickers.	Loose bulb connection.	Unplug the light, then re-seat the GU10 bulb firmly.
	Incompatible smart socket/Wi-Fi outlet.	Ensure any smart control devices are compatible and functioning correctly.

9. WARRANTY AND SUPPORT

SUNVIE provides a **30-day money-back guarantee** and a **24-month limited manufacturer's warranty** for this product. Lifetime after-sales support is also guaranteed.
