EnHomee 55SCMBFHWSWQ

EnHomee Metal Queen Bed Frame with Storage Headboard & LED

Model: 55SCMBFHWSWQ

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your EnHomee Metal Queen Bed Frame. This bed frame features a 54-inch tall storage headboard, integrated LED lighting, and a built-in charging hub. Please read these instructions carefully before assembly and use to ensure proper function and safety.

IMPORTANT SAFETY INFORMATION

WARNING: Do not load more than 882 pounds (400 kg) on this bed frame. This bed frame is designed to support up to 882 pounds (400 kg) of weight. Exceeding this limit may cause damage or instability, leading to potential injury.

- Ensure all bolts and screws are securely tightened before use.
- Keep small parts away from children during assembly.
- Do not use power tools for assembly unless specifically instructed, as this may overtighten and damage components.
- Place the bed frame on a level surface.

PACKAGE CONTENTS

Please verify that all components are present before beginning assembly. Refer to the included installation manual for a detailed parts list and hardware count.

- Headboard with integrated storage shelf
- Footboard
- Side Rails
- Metal Slats
- LED Strip Light
- Charging Station (pre-installed in headboard)
- Assembly Hardware (bolts, screws, Allen wrench)
- Installation Manual

Assembly of the EnHomee Metal Queen Bed Frame is designed to be straightforward. Clear instructions, useful tools, and numbered parts are provided to help you complete the setup. It is recommended to assemble with two people.

Assembly Steps Overview:

1. Unpack all components and verify against the parts list.
2. Attach the side rails to the headboard and footboard using the provided hardware.
3. Install the center support beams and legs.
4. Place the metal slats onto the frame and secure them. Ensure the anti-noise tape is correctly positioned on the slats to prevent squeaking.
5. Connect the LED strip light and charging station power cable to a wall outlet.

Built-in Charging Hub:

The headboard includes a convenient charging station to power your devices. It features 2 AC outlets, 1 USB-A port, and 1 USB-C port.

- Ensure the bed frame's main power cord is plugged into a wall outlet.
- Plug your devices directly into the available AC, USB-A, or USB-C ports.

Maintenance

Proper maintenance ensures the longevity and appearance of your bed frame.

- **Cleaning:** Wipe the metal frame with a damp cloth, then dry immediately with a soft, dry cloth to prevent water spots or rust.
- **Avoid Chemicals:** Do not use harsh chemical cleaners, abrasive materials, or polishes, as these can damage the finish.
- **Check Connections:** Periodically check all bolts and screws to ensure they remain tight. Retighten if necessary to maintain stability and prevent noise.
- **LED Care:** Ensure the LED strip and wiring are not pinched or damaged.

Troubleshooting

Problem	Possible Cause	Solution
Bed frame is squeaking or unstable.	Loose bolts or screws; improper slat placement; missing anti-noise tape.	Ensure all bolts and screws are tightened. Verify slats are correctly seated and anti-noise tape is applied.
LED lights are not turning on.	Power cable disconnected; remote control battery low; LED strip damage.	Check if the bed frame's power cable is securely plugged into a working outlet. Replace remote control batteries. Inspect LED strip for visible damage.
Charging ports are not working.	Bed frame's power cable disconnected; device not compatible; port damage.	Ensure the bed frame's power cable is plugged in. Test with a different device and cable.

Specifications

Feature	Detail
Model Number	55SCMBFHWSWQ
Size	Queen
Material	Metal
Product Dimensions (L x W x H)	87" x 62.5" x 54"
Maximum Weight Recommendation	882 pounds (400 kg)
Under-Bed Clearance	13 inches
