4. USAGE AND SETUP

4.1 Inserting Your Multi-Effects Unit

1. Unzip the main compartment of the CB-BM-S case.
2. Carefully place your compatible BOSS multi-effects unit (e.g., GX-10, GT-1, GT-1B) into the main compartment. Ensure it sits snugly within the soft interior padding.
3. Zip the main compartment closed securely.

4.2 Utilizing Accessory Pockets

The CB-BM-S features multiple pockets for organizing your accessories:

- **Main Accessory Compartment:** Ideal for storing your processor's AC adaptor, larger cables, or other essential items.
- **Front Sub-Compartment:** Designed for slim items such as guitar picks, a capo, or a smartphone.

4.3 Attaching the Shoulder Strap

1. Locate the D-rings on each side of the case.
2. Attach the metal clips of the detachable shoulder strap to these D-rings.
3. Adjust the strap length using the buckle for comfortable carrying.

5. CARE AND MAINTENANCE

To ensure the longevity and appearance of your BOSS CB-BM-S case, follow these care guidelines:

- **Cleaning:** Wipe the exterior with a damp cloth and mild soap if necessary. Avoid harsh chemicals or abrasive cleaners.
- **Drying:** Allow the case to air dry completely before storing or using it. Do not machine wash or tumble dry.
- **Storage:** Store the case in a cool, dry place away from direct sunlight and extreme

temperatures when not in use.

- **Avoid Overloading:** Do not attempt to force items into the case that do not fit, as this can damage the zippers or fabric.
