Cleaning

Regular cleaning helps maintain sound quality and earbud longevity:

- Use a soft, dry, lint-free cloth to wipe the earbuds and charging case.
- For earwax or debris in the earbud mesh, use a small, soft brush or cotton swab. Do not use sharp objects.
- Remove eartips and clean them with mild soap and water, then dry thoroughly before reattaching.

When not in use, store the earbuds in their charging case to protect them and keep them charged. Store the case in a cool, dry place, away from extreme temperatures and direct sunlight.
