

Keyluv KLVB-BH-68

Keyluv 75-inch Kitchen Pantry Storage Cabinet (Model KLVB-BH-68) Instruction Manual

1. INTRODUCTION

Thank you for choosing the Keyluv 75-inch Kitchen Pantry Storage Cabinet, Model KLVB-BH-68. This versatile and functional hutch cabinet is designed to enhance your kitchen, dining room, or living space with ample storage and a modern aesthetic. This manual provides essential information for safe assembly, proper usage, and maintenance to ensure the longevity of your product.

2. IMPORTANT SAFETY INFORMATION

- Always assemble the cabinet according to the provided instructions.
- Do not overload the shelves or doors. Distribute weight evenly.
- Keep the cabinet away from direct heat sources and excessive moisture.
- Ensure the cabinet is securely mounted to the wall using the included anti-tipping device to prevent accidental tipping, especially in households with children or pets.
- Always use appropriate safety gear, such as gloves, when assembling the cabinet to prevent injury.
- Assembly is recommended for two people due to the size and weight of the components.

3. PACKAGE CONTENTS

Your Keyluv Kitchen Pantry Storage Cabinet is shipped in two clearly labeled boxes. Please ensure all parts are present and undamaged before beginning assembly. Refer to the detailed parts list included in your separate assembly guide for specific component identification.

Typical contents include:

- Cabinet panels (top, bottom, sides, back)
- Shelves (fixed and adjustable)
- Glass doors and solid doors
- Drawer components

- Hardware pack (screws, dowels, hinges, drawer slides, anti-tipping kit)
- Assembly instructions manual

4. ASSEMBLY INSTRUCTIONS

The assembly process for your Keyluv Kitchen Pantry Storage Cabinet is designed to be straightforward. All parts are organized and clearly labeled. For detailed, step-by-step instructions, please refer to the dedicated assembly manual included in your package.

General Assembly Tips:

- **Read First:** Before starting, carefully read through the entire assembly manual to familiarize yourself with the steps and components.
- **Clear Workspace:** Ensure you have a spacious, clean, and well-lit area for assembly.
- **Tools:** Gather all necessary tools as specified in the assembly manual (e.g., screwdriver, hammer).
- **Two-Person Assembly:** Due to the size and weight of the cabinet, it is highly recommended to assemble with two people to prevent damage and ensure safety.
- **Anti-Tipping Device:** Always install the anti-tipping device as instructed to secure the cabinet to the wall. This is a critical safety measure.

5. FEATURES AND DESIGN

The Keyluv Kitchen Pantry Storage Cabinet is designed with both functionality and aesthetics in mind, offering a comprehensive storage solution for various home environments.

5.1 Functional & Versatile Design

This cabinet features a smart three-section layout: an upper cabinet with glass doors for display, a middle countertop ideal for meal prep or appliances, and lower cabinets with drawers for essential storage. Its adaptable design allows it to function as a kitchen pantry, a living room display unit, or a dining room sideboard.

5.2 Spacious & Organized Storage

With generous dimensions of 75 inches (H) x 55 inches (W) x 16 inches (D), this hutch cabinet provides extensive room for organization. The upper section is suitable for mugs and glassware, the middle countertop accommodates appliances like microwaves or coffee makers, and the lower cabinets and drawers are perfect for larger items, silverware, or K-Cups.

5.3 Modern & Stylish Look

The cabinet features clean lines and a neutral white color, designed to fit flush against a wall for a seamless, built-in appearance. The glass doors add an elegant touch, enhancing various home decor styles from classic to contemporary.

5.4 Durable & Sturdy Construction

Constructed from high-quality engineered wood, tempered glass, and metal hardware, this hutch is built for durability. Its robust structure supports heavy dishes and daily use. Features include thick doors, tempered glass, and an anti-tipping device for enhanced stability.

The large hutch is heavy and substantial.

6. USAGE AND OPERATION

6.1 Utilizing Storage Sections

- **Upper Cabinets:** Use the glass-fronted upper cabinets to display decorative items, fine china, or frequently accessed glassware.
- **Middle Countertop:** This open space is ideal for small kitchen appliances like a microwave, coffee maker, toaster, or for preparing food and serving.
- **Drawers:** The two large, solid drawers provide quiet and smooth operation. They are perfect for organizing silverware, utensils, K-Cups, or other small kitchen essentials. A cable hole is integrated for appliance cords.
- **Lower Cabinets:** The lower cabinets offer concealed storage for larger items, pots, pans, or bulkier pantry supplies.

Two Big Drawers & Spacious Countertop

The drawers are solid and quiet and roll in tight.

6.2 Adjustable Shelves

The cabinet features adjustable shelves within the lower sections, allowing you to customize the storage space to fit items of various heights. To adjust a shelf, carefully remove it from its current position and reinsert it into the desired shelf pin holes.

7. MAINTENANCE

Proper care will help maintain the appearance and functionality of your Keyluv cabinet for years to come.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish. For glass doors, use a standard glass cleaner.
- **Spills:** Clean up spills immediately to prevent staining or damage to the wood.
- **Hardware:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary.

- **Avoid Overloading:** Do not place excessively heavy items on shelves or doors, as this can cause structural damage or warping.

8. TROUBLESHOOTING

8.1 Doors Not Aligning or Overlapping

If the cabinet doors do not align properly or overlap after assembly, check the following:

- **Hinge Adjustment:** Most cabinet hinges have adjustment screws that allow for minor alignment corrections. Refer to your assembly manual for specific hinge adjustment instructions.
- **Level Surface:** Ensure the cabinet is placed on a completely level surface. Uneven flooring can cause the cabinet frame to twist slightly, affecting door alignment. Use shims if necessary.
- **Square Assembly:** Verify that the cabinet frame was assembled squarely. Disassemble and reassemble any sections that appear misaligned.

8.2 Drawers Not Sliding Smoothly

If drawers are stiff or do not slide smoothly:

- **Check Rails:** Ensure the drawer slides are correctly installed and free from obstructions.
- **Lubrication:** Apply a small amount of silicone-based lubricant to the drawer slides if they are still stiff.
- **Overload:** Ensure the drawer is not overloaded, which can hinder smooth operation.

9. SPECIFICATIONS

Brand	Keyluv
Model Number	KLVB-BH-68
Color	White
Product Dimensions	16"D x 55"W x 75"H (40cm D x 140cm W x 190cm H)
Item Weight	176 Pounds (79.8 kg)
