## 1. INTRODUCTION

---

Thank you for choosing the HAPPYGRILL Wooden Potting Bench Table. This manual provides essential information for the safe assembly, operation, and maintenance of your new potting bench. Designed for gardening enthusiasts, this versatile bench offers ample storage and a convenient workspace for all your planting and potting needs. Please read this manual thoroughly before assembly and retain it for future reference.

## 2. IMPORTANT SAFETY INFORMATION

---

Please observe the following safety precautions to prevent injury and damage to the product:

- Always assemble the product on a flat, stable surface.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as needed.

- Do not exceed the maximum weight capacities for each shelf and countertop as listed in the specifications.
- Keep small parts away from children during assembly to prevent choking hazards.
- Use appropriate tools for assembly. Do not overtighten screws to avoid stripping or damaging the wood.
- This product is designed for gardening and light outdoor work. Do not use it for purposes other than its intended use.
- Avoid prolonged exposure to extreme weather conditions to prolong the product's lifespan.

### 3. PACKAGE CONTENTS

---

Before beginning assembly, verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

| Part | Description                           | Quantity |
|------|---------------------------------------|----------|
| A    | Main Frame Components                 | Various  |
| B    | Countertop with Sink Opening          | 1        |
| C    | Removable Sink                        | 1        |
| D    | Drawer Assembly                       | 1        |
| E    | Top Shelf                             | 1        |
| F    | Bottom Slatted Shelf                  | 1        |
| G    | Hardware Pack (Screws, Bolts, Wrench) | 1 Set    |
| H    | User Manual                           | 1        |

### 4. SETUP & ASSEMBLY

---

Assembly typically requires two adults and takes approximately 30-60 minutes. Ensure you have a Phillips head screwdriver and the included wrench ready.

#### 4.1 Assembly Steps

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a clean, soft surface to prevent scratches. Refer to the "Package Contents" section to identify each part.
2. **Assemble the Main Frame:** Connect the side panels and back supports using the provided screws. Ensure the pre-drilled holes align correctly. Do not fully tighten screws until all frame components are loosely assembled.
3. **Attach the Bottom Shelf:** Slide the bottom slatted shelf (F) into the designated grooves or attach it to the lower frame supports. Secure with screws.
4. **Install the Countertop:** Place the countertop (B) onto the assembled frame. Align the holes and secure it firmly with screws.
5. **Insert the Drawer:** Assemble the drawer (D) if it's not pre-assembled, then slide it into its designated slot beneath the countertop. Ensure the drawer stopper is correctly installed.

Sturdy Connection

Figure 2: Details of the drawer, slatted shelf, and sturdy connections.

6. **Attach the Top Shelf:** Secure the top shelf (E) to the upper supports of the main frame.
7. **Place the Removable Sink:** Insert the removable sink (C) into the opening on the countertop. It should fit snugly.

## Removable Sink

 Serve your watering, washing, and transplanting needs

 Easy to clean after potting

8. **Final Tightening:** Once all components are in place, go back and fully tighten all screws and fasteners. Do not overtighten.
9. **Stability Check:** Gently rock the assembled bench to ensure it is stable and level. Adjust if necessary.

## 5. OPERATING INSTRUCTIONS

The HAPPYGRILL Potting Bench is designed for various gardening tasks. Here's how to make the most of its features:

- **Work Surface:** Use the spacious countertop for mixing soil, transplanting plants, or arranging pots.
- **Removable Sink:** The integrated sink is ideal for watering small plants, washing gardening tools, or containing soil spills during potting. It can be easily removed for cleaning.
- **Storage Shelves:**
  - The **top open shelf** is perfect for displaying small potted plants, succulents, or frequently used hand tools.
  - The **built-in drawer** provides enclosed storage for smaller items like seed packets, labels, or gloves, keeping them protected and organized.

- The **large bottom slatted shelf** is suitable for heavier items such as bags of soil, larger pots, watering cans, or gardening boots. The slatted design prevents water accumulation.

Figure 4: Illustration of the various storage areas and their typical uses.

- **Placement:** While designed for outdoor use, consider placing the bench in a sheltered area to maximize its lifespan, especially in harsh weather conditions.

## 6. MAINTENANCE

Regular maintenance will help preserve the appearance and functionality of your potting bench.

- **Cleaning:** Wipe down wooden surfaces with a damp cloth. For stubborn dirt, use a mild soap solution and rinse thoroughly. Avoid abrasive cleaners.
- **Sink Cleaning:** Remove the sink and wash it with water and mild detergent after each use, especially after handling soil or chemicals.
- **Wood Protection:** The fir wood is coated with a waterproof finish. To maintain its integrity and appearance, consider reapplying a wood sealant or outdoor-grade varnish annually, especially if the bench is exposed to direct sunlight and rain.

# Sturdy and Reliable Construction

Warp-resistant

Built to last

Smooth and splinter-free

Natural Fir Wood

Exquisite Craftsmanship

Waterproof Painting

Figure 5: The potting bench is constructed from natural fir wood with waterproof painting for durability.

- **Fastener Check:** Periodically check all screws and bolts to ensure they are tight. Re-tighten as necessary to maintain structural stability.
- **Winter Storage:** In areas with harsh winters, it is recommended to store the potting bench indoors or cover it with a waterproof cover to protect it from snow and ice.

## 7. TROUBLESHOOTING

| Problem                                   | Possible Cause   | Solution  |
|---|--|---|
| Bench is wobbly after assembly.           | Screws are not fully tightened; uneven assembly surface. | Ensure all fasteners are securely tightened. Move the bench to a flat, level surface. |
| Drawer sticks or does not slide smoothly. | Misalignment during assembly; debris in tracks.          | Check drawer assembly and alignment. Clear any debris from the drawer slides.         |

| Problem                     | Possible Cause   | Solution   |
|-----------------------------|--|--|
| Wood appears faded or dry.  | Prolonged exposure to sun/weather; waterproof coating wearing off. | Apply a new coat of outdoor-grade wood sealant or varnish. Consider placing the bench in a more shaded area. |
| Sink does not fit properly. | Incorrect orientation or debris in the opening.                    | Ensure the sink is oriented correctly. Clear any obstructions from the countertop opening.                   |

## 8. SPECIFICATIONS

---

| Feature                        | Detail                              |
|--------------------------------|-------------------------------------|
| Product Dimensions (L x W x H) | 45" x 18" x 50" (114 x 45 x 126 cm) |
| Countertop Height              | 34" (86 cm)                         |
| Material                       | Fir Wood                            |
| Color                          | Coffee                              |
| Net Weight                     | 24.5 lbs (11 kg)                    |
| Weight Capacity (Top Shelf)    | 44 lbs (20 kg)                      |
| Weight Capacity (Countertop)   | 110 lbs (50 kg)                     |
| Weight Capacity (Bottom Shelf) | 88 lbs (40 kg)                      |
| Model Number                   | CA-HG3254                           |
