Key Assembly Steps:

- 1. Unpacking and Inspection:** Carefully remove all components from the packaging. Check for any damage and ensure all parts listed in the manual are present. The packaging includes ample padding and heavy metal protection for the sides.
- 2. Frame Assembly:** Begin by connecting the base and side panels using the provided hardware. Ensure all connections are secure.
- 3. Shelf and Rod Installation:** Install the adjustable shelves and hanging rod according to your desired configuration. The shelves can be moved up or down to create custom storage space.
- 4. Door Attachment:** Attach the wardrobe doors. The doors feature magnetic closures for secure closing.
- 5. Drawer Assembly:** Assemble the drawer and install the smooth-gliding drawer rails. Insert the drawer into its designated compartment.
- 6. Handle Installation:** Secure the golden handles to the doors and drawer.
- 7. Leveling and Anti-Tipping:** Install the adjustable leveling feet to ensure the wardrobe is stable on uneven surfaces. Crucially, attach the anti-tipping devices to secure the wardrobe to the wall, preventing accidental tip-overs.

6. MAINTENANCE

To ensure the longevity and appearance of your winiowa Metal Armoire Wardrobe Closet, follow these maintenance guidelines:

- **Cleaning:** The wardrobe features a durable electrostatic powder coating, making it easy to clean. Wipe surfaces with a soft, damp cloth and a mild detergent. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Dusting:** Regularly dust the surfaces to prevent buildup.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Tighten if necessary.
- **Mirror Care:** Clean the mirror with a glass cleaner and a soft, lint-free cloth.

7. TROUBLESHOOTING

If you encounter any issues with your wardrobe, refer to the following common solutions:

- **Wobbly or Unstable:** Ensure the adjustable leveling feet are properly adjusted to compensate for uneven flooring. Verify that the anti-tipping devices are securely installed and anchored to the wall.
- **Doors Not Closing Properly:** Check the door hinges for proper alignment. Adjust if needed. Ensure no items inside the wardrobe are obstructing the doors.
- **Drawer Sticking:** Inspect the drawer slides for any obstructions or misalignment. Ensure the drawer is not overloaded.
- **Missing Parts or Damaged Components:** If you find any parts missing or damaged upon arrival, please contact customer support immediately.

For issues not covered here, please refer to the detailed installation manual or contact customer support.
