Mycket Portable DAB/DAB+ Radio User Manual

Model: 6dd4bdb8-92a9-450e-bc79-df90b5ab3ff1

INTRODUCTION

This manual provides detailed instructions for the operation and maintenance of your Mycket Portable DAB/DAB+ Radio. This device offers high-quality digital radio reception (DAB/DAB+), traditional FM radio, and Bluetooth 5.0 connectivity for audio streaming. Its portable design and rechargeable battery make it suitable for various environments.

PRODUCT OVERVIEW

The Mycket Portable DAB/DAB+ Radio is a compact and versatile audio device. It features a clear color display, intuitive controls, an extendable antenna for optimal reception, and various connectivity options.

DAB/DAB+/FM & Bluetooth Radio

Upgraded 4-in-1 radio with the advanced technology, you will have a premier digital radio experience

Image: Front view of the Mycket Portable DAB/DAB+ Radio, highlighting its compact dimensions (5.5 inches wide, 3.1 inches high, 1.6 inches deep). The radio features a speaker grille on the left, a color display on the right, and control buttons below the display. An extendable antenna is visible on top.

Image: A white digital radio device with a display screen and control buttons. The image shows multiple connectivity icons including Bluetooth, headphone, and speaker options, indicating the radio's versatile audio output capabilities.

Components:

- **Color LCD Display:** Shows station information, time, and menu options.
- **Control Buttons:** MODE, OK, M (Menu), FAV (Favorites), and navigation buttons.
- **Volume/Selection Knob:** Located on top for adjusting volume and navigating menus.
- **Extendable Antenna:** For optimal DAB/DAB+ and FM reception.
- **USB-C Charging Port:** For recharging the internal battery.
- **3.5mm Headphone Jack:** For private listening.

SETUP

1. Initial Charging

- Before first use, fully charge the radio using the provided USB-C cable. Connect the cable to the radio's USB-C port and a compatible USB power adapter (not included).
- A full charge takes approximately 2.5 hours and provides up to 10-12 hours of playback.

PLAY MORE THAN 12 HOURS

Built-in 2200mAh rechargeable battery,
enjoy your favorite radio anywhere

Image: The Mycket Portable DAB/DAB+ Radio displaying a DAB station, with an icon indicating over 12 hours of battery life. This highlights the radio's long-lasting rechargeable battery, ideal for extended use.

2. Powering On/Off

- Press and hold the **MODE** button to power the radio on or off.

3. Initial Scan (DAB/DAB+)

- Upon first power-on, the radio will automatically perform a full scan for available DAB/DAB+ stations. Ensure the antenna is fully extended for best reception.
- The display will show the scanning progress and the number of stations found.

Image: The Mycket Portable DAB/DAB+ Radio displaying a DAB station, with text indicating 'AUTO SCAN & 40 PRESET'. This illustrates the radio's ability to automatically scan for stations and save up to 40 presets (20 DAB and 20 FM).

4. Language Settings

- If prompted, use the navigation buttons and **OK** button to select your preferred language.

OPERATING INSTRUCTIONS

1. Selecting Modes (DAB/FM/Bluetooth)

- Press the **MODE** button repeatedly to cycle through DAB, FM, and Bluetooth modes.

Image: A digital radio with an LCD screen displaying three distinct connectivity modes: DAB radio, local FM, and Bluetooth 5.0. The image highlights the integrated speaker and antenna, showcasing the radio's multi-functional capabilities.

2. DAB/DAB+ Radio Operation

- In DAB mode, use the navigation buttons to browse available stations. Press **OK** to select a station.
- To perform a full scan, press the **M (Menu)** button, navigate to 'Full Scan', and press **OK**.
- To save a station as a preset, tune to the desired station, then press and hold one of the **FAV** buttons (1-4) until the display confirms it's saved. You can save up to 20 DAB presets.
- To recall a preset, short press the corresponding **FAV** button.

3. FM Radio Operation

- In FM mode, press the **OK** button to auto-scan for the next available station.
- To manually tune, use the navigation buttons.
- To save an FM station as a preset, tune to the desired station, then press and hold one of the **FAV** buttons (1-4) until the display confirms it's saved. You can save up to 20 FM presets.
- To recall a preset, short press the corresponding **FAV** button.

4. Bluetooth 5.0 Pairing

- Switch the radio to Bluetooth mode using the **MODE** button. The display will show 'Bluetooth Pairing'.
- On your mobile device, enable Bluetooth and search for 'Mycket D009'.
- Select 'Mycket D009' to pair. Once connected, the radio will confirm the connection.

BLUETOOTH 5.0

Enjoy your favorite music by connecting Bluetooth "Mycket D009"

Image: The Mycket Portable DAB/DAB+ Radio displaying a Bluetooth connection, with a smartphone screen showing 'Mycket D009' as a connected device. This illustrates the radio's Bluetooth 5.0 capability for wireless audio streaming.

5. Setting Dual Alarms

- Press the **M (Menu)** button, navigate to 'Alarm', and press **OK**.
- Select 'Alarm 1' or 'Alarm 2' and configure the time, source (DAB/FM/Buzzer), and frequency.

Dual Alarms

Wake up happy with dual alarms, allowing you to set two alarm clocks to remind and better schedule your work and leisure time

Image: The Mycket Portable DAB/DAB+ Radio displaying its dual alarm function on the LCD screen. The image shows options for setting two separate alarms, along with the speaker grille and antenna.

6. Sleep Timer Function

- Press the **M (Menu)** button, navigate to 'Sleep', and press **OK**.
- Select the desired duration (e.g., 15, 30, 45, 60 minutes, or 1 hour 15 minutes) after which the radio will automatically turn off.

Sleep Timer

Fall asleep with your favourite radio program. It will automatically turn off at the time you set

Image: A white digital radio displaying the sleep timer settings on its LCD screen, with options for various durations. The image illustrates the automatic shutdown function, allowing users to fall asleep to their favorite radio program.

7. Volume Control

- Rotate the knob on top of the radio to adjust the volume level.

8. Headphone Use

- Plug 3.5mm headphones into the headphone jack on the side of the radio for private listening. The internal speaker will automatically mute.

Image: A diagram illustrating a silent listening system, showing a person using headphones connected to a small device, which is linked to a larger audio unit. This demonstrates the option for private audio enjoyment.

MAINTENANCE

1. Cleaning

- Wipe the radio with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- Avoid exposing the radio to excessive moisture.

2. Battery Care

- To prolong battery life, avoid fully discharging the battery frequently.
- If storing the radio for an extended period, charge it to approximately 50% every few months.

TROUBLESHOOTING

Problem	Possible Cause	Solution
No power	Battery is depleted.	Charge the radio using the USB-C cable.
Poor DAB/FM reception	Antenna not extended, weak signal area.	Fully extend the antenna. Try repositioning the radio or moving to an area with better signal. Perform a full scan.
Bluetooth not connecting	Radio not in pairing mode, device too far, previously paired device connected.	Ensure the radio is in Bluetooth pairing mode. Move your device closer to the radio. Disconnect from other Bluetooth devices.
No sound	Volume too low, headphones connected.	Increase the volume. Disconnect headphones if you want sound from the speaker.

SPECIFICATIONS

- **Brand:** Mycket
- **Model Number:** 6dd4bdb8-92a9-450e-bc79-df90b5ab3ff1
- **Color:** White

- **Connectivity Technology:** Bluetooth 5.0, DAB/DAB+ (174.928-239.20 MHz with DLS display), FM (87.5-108 MHz with RDS)
- **Product Dimensions:** 13.9L x 4W x 8H centimeters
- **Power Source:** Battery/Wired (2200 mAh integrated lithium battery)
- **Special Features:** Integrated AM antenna (likely a translation error, should be DAB/FM antenna), Integrated Clock, Lightweight, Portable, Rechargeable
- **Audio Output Mode:** Stereo (via headphones)
- **Display Type:** LED (2.4" Color TFT)
