QUIKCELL QAIRSTEMS-WHT

QAir Stems True Wireless Earbuds User Manual

Model: QAIRSTEMS-WHT | Brand: QUIKCELL

INTRODUCTION

The QAir Stems True Wireless Earbuds provide a high-quality audio experience with extended playtime and convenient features. This manual provides instructions for the proper use, maintenance, and troubleshooting of your earbuds.

WHAT'S IN THE BOX

- Wireless Earbuds (Left and Right)
- Charging Case
- User Manual (this document)
- *(Note: Charging cable may be included but not explicitly listed in provided data, assuming standard accessories)*

SETUP

1. Initial Charging

Before first use, fully charge the earbuds and the charging case. Place the earbuds into the charging case. Connect the charging case to a power source using a compatible USB cable (not included) or place it on a wireless charging pad.

Drop & charge

Wireless charging case is built for compatibility with most charging pads

Image: The QAir Stems charging case placed on a wireless charging pad, illustrating its wireless charging capability.

The charging case provides an additional 15.5 hours of playtime, extending the total listening time to over 21 hours. The case has indicator lights to show charging status and battery level.

21+ hours of playtime

Listen for 5.5 hours and an extra 15.5 hours via charging case

Image: QAir Stems earbuds inside their open charging case, highlighting the 21+ hours of total playtime.

2. Pairing with a Device

1. Ensure the earbuds are charged.
2. Open the charging case. The earbuds will automatically enter pairing mode (indicated by flashing lights on the earbuds).
3. On your device (smartphone, tablet, computer), go to the Bluetooth settings.
4. Search for available devices and select "QAir Stems" from the list.
5. Once connected, the earbud indicator lights will stop flashing.

The earbuds will automatically reconnect to the last paired device when removed from the case, if Bluetooth is enabled on the device.

OPERATING INSTRUCTIONS

Convenient controls

Tap controls for volume and skipping songs

Image: A detailed diagram illustrating the touch control functions for both the left and right QAir Stems earbuds.

Earbud Touch Control Functions

Action	Left Earbud Function	Right Earbud Function
Long press	Reject call	Reject call
Short press (repeatedly)	Decrease volume	Increase volume
Long press (+3 sec.)	Turn earbuds ON	Turn earbuds ON
Long press (+10 sec.)	Turn earbuds OFF	Turn earbuds OFF
Short press	Play/pause music & answer/end calls	Play/pause music & answer/end calls

Action	Left Earbud Function	Right Earbud Function
Double press	Skip to previous song	Skip to next song
Triple press	Activate voice assistant	Activate voice assistant
Press 5x	Switch between gaming mode and music mode	Switch between gaming mode and music mode

Voice Assistant

The built-in microphone allows for seamless access to voice assistants such as Siri and Google Assistant. Triple press either earbud to activate your device's voice assistant.

Wearing the Earbuds

Insert the earbuds gently into your ears, ensuring a comfortable and secure fit. The ergonomic design is intended for extended wear during various activities.

MAINTENANCE

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use abrasive cleaners or solvents.
- **Water Resistance:** The earbuds have an IPX4 sweatproof rating, meaning they are resistant to splashing water from any direction. They are not designed for submersion in water. Avoid exposing them to excessive moisture or liquids.

- **Storage:** When not in use, store the earbuds in their charging case to protect them and keep them charged.
- **Battery Care:** To prolong battery life, avoid fully discharging the earbuds and case frequently. Charge them regularly.

TROUBLESHOOTING

Problem	Possible Solution
Earbuds not pairing	Ensure earbuds are charged. Place earbuds back in the case, close, then open again to re-enter pairing mode. Turn off and on Bluetooth on your device. Forget "QAir Stems" from your device's Bluetooth list and try pairing again.

Problem	Possible Solution
No sound or low volume	Check volume levels on both earbuds and your connected device. Ensure earbuds are properly seated in your ears. Reconnect the earbuds to your device.
Earbuds not charging	Ensure the charging cable (if used) is securely connected to both the case and power source. If using wireless charging, ensure the case is correctly positioned on the charging pad. Clean the charging contacts on both the earbuds and inside the case.
One earbud not working	Place both earbuds back in the charging case, close the lid, wait a few seconds, then open and try again. Ensure both earbuds are charged.
