Kikka Boo ALLY XL

Kikka Boo ALLY XL Stroller Board Instruction Manual

Model: ALLY XL

1. PRODUCT OVERVIEW

The Kikka Boo ALLY XL Stroller Board is designed to enhance your strolling experience by providing a comfortable and secure ride for your second child. This universal board is suitable for children from 15 months up to 20 kg.

Key features include:

- **Universal Adjustment:** Attaches quickly and easily to various stroller types with adjustable adapters.
- **Customizable Fit:** Offers 3 length positions and 8 height positions for optimal adjustment.
- **Smooth and Safe Ride:** Equipped with 360-degree swivel wheels and shock absorbers for comfort, along with a non-slip base for stability.
- **Practical Design:** Features an additional belt for secure attachment to the stroller handle and an easy-release function for quick detachment.

2. SETUP AND INSTALLATION

Follow these steps to properly attach the Kikka Boo ALLY XL Stroller Board to your stroller.

1. **Prepare the Stroller:** Ensure your stroller is in a stable, upright position with brakes engaged.
2. **Attach Adapters:** Securely fasten the universal adapters to the rear frame of your stroller. The adapters are designed for quick and easy attachment without extra tools.
3. **Adjust Length and Height:** Utilize the 3 length positions and 8 height positions on the stroller board to achieve a perfect fit with your specific stroller model. This ensures adequate clearance and comfort.
4. **Secure with Additional Belt:** Use the provided additional belt to securely attach the stroller board to the stroller's handle. This prevents accidental detachment and adds stability.
5. **Verify Stability:** Before use, gently push and pull on the attached board to ensure all connections are secure and stable.

3. OPERATING THE STROLLER BOARD

The Kikka Boo ALLY XL Stroller Board is designed for ease of use and child comfort.

- **Child Placement:** Position your child on the non-slip base of the board. Ensure they are standing or sitting comfortably and securely.
- **Safety and Stability:** The board features 360-degree swivel wheels with shock absorbers, providing a smooth ride over various terrains. The non-slip base enhances safety and stability for your child.
- **Detachment:** When not in use, the easy-release function allows for quick detachment of the board from the stroller.

4. MAINTENANCE

To ensure the longevity and safe operation of your Kikka Boo ALLY XL Stroller Board, regular maintenance is recommended.

- **Cleaning:** Wipe down the board and wheels with a damp cloth and mild soap as needed. Avoid harsh chemicals.
- **Wheel Inspection:** Periodically check the wheels for any debris, wear, or damage. Ensure they spin freely.
- **Connection Points:** Regularly inspect all attachment points, adapters, and belts for secure fastening and signs of wear.
- **Storage:** Store the stroller board in a clean, dry place when not in use.

5. TROUBLESHOOTING

If you encounter any issues with your Kikka Boo ALLY XL Stroller Board, please refer to the following common solutions:

- **Board feels unstable:** Ensure all adapters are correctly installed and tightened. Check that the additional belt is securely fastened to the stroller handle. Verify the length and height adjustments are appropriate for your stroller.
- **Wheels are not rolling smoothly:** Inspect wheels for trapped debris (e.g., hair, lint) and clean them. Check for any damage to the wheel bearings.
- **Difficulty attaching/detaching:** Ensure the release mechanisms are fully engaged or disengaged. Refer to the installation steps to confirm correct procedure.

If problems persist, please contact Kikka Boo customer support for further assistance.

6. SPECIFICATIONS

Feature	Detail
Brand	Kikka Boo
Model	ALLY XL
Recommended Age	12 months - 3 years
Maximum Weight Capacity	20 kg
