## BATTERY INSTALLATION

The Pup Pad requires 3 AA batteries for operation. Batteries are included for demonstration purposes only. For regular use, new batteries are recommended.

1. Locate the battery compartment on the back of the unit.
2. Using a screwdriver, loosen the screw on the battery compartment cover.
3. Remove the cover.
4. Insert 3 new AA batteries, ensuring correct polarity (+/-).

5. Replace the battery compartment cover and tighten the screw.

Always use fresh batteries of the recommended type. Do not mix old and new batteries or different types of batteries.

## GETTING STARTED

---

To power on the Pup Pad, locate the On/Off switch, typically found on the side or top of the device. Slide the switch to the 'On' position. The device will greet you and prompt you to begin an activity.

## OPERATING MODES AND ACTIVITIES

The Pup Pad offers several interactive learning activities. Use the mode selector buttons at the top of the screen to switch between activities.

### **1. Explore Letters and Words**

Press any of the 26 light-up letter buttons to hear the letter's name, its phonetic sound, and a word starting with that letter. The device will also provide a fun fact about the word.

### **2. Spelling Practice**

In this mode, the Pup Pad will prompt you to spell a word. Press the light-up letter buttons in the correct sequence to spell the word. The device provides guidance and positive reinforcement.

### **3. Counting Game**

Follow the light-up sequence of the letter buttons to practice counting. The device will guide you through the numbers.

### **4. Guessing Game**

Ryder will give clues, and you need to press the correct letter button on the Pup Pad to guess the word or object. This activity encourages problem-solving skills.

### **5. Pup Character Buttons**

Press the six character buttons featuring PAW Patrol pups (Chase, Marshall, Skye, Rubble, Rocky, Liberty) to hear their special skills and learn how to spell their names.
