Best Choice Products Rolling Bar Cart

Model: SKY8845

INTRODUCTION

Thank you for choosing the Best Choice Products Rolling Bar Cart. This manual provides essential information for the safe assembly, operation, and maintenance of your new bar cart. Please read all instructions carefully before use and retain this manual for future reference.

Safety Warnings

- Use caution when moving the cart on uneven surfaces to prevent tipping.
- Do not exceed the maximum weight capacity of 110 lbs.
- Ensure all screws and connections are tightened securely before use.
- Keep small parts away from children during assembly.

PACKAGE CONTENTS

Please verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

1. Main Frame Components (Handles, Vertical Supports)
2. 2 x Shelf Panels (Upper and Lower)
3. Wine Glass Racks (Integrated into upper shelf)
4. 1 x Removable Bottle Holder
5. 4 x Lockable Wheels
6. Hardware Pack (Screws, Allen Wrench)

ASSEMBLY INSTRUCTIONS

Follow these steps to assemble your Best Choice Products Rolling Bar Cart. An Allen wrench is included for your convenience.

1. **Step 1: Attach Handles to Frame.** Secure the curved handle components to the main vertical frame pieces using the provided screws and Allen wrench. Ensure they are tightened for stability.
2. **Step 2: Install Shelf Panels.** Attach the upper and lower shelf panels to the main frame. The upper shelf includes integrated wine glass racks. Use the appropriate screws to firmly secure each shelf to the frame.
3. **Step 3: Attach Lockable Wheels.** Insert the four lockable wheels into the designated openings at the bottom of the cart's frame. Tighten them securely. Ensure the locking mechanism is functional by testing each wheel.
4. **Step 4: Insert Removable Bottle Holder.** Place the removable bottle holder onto either the upper or lower shelf, positioning it as desired to secure bottles.

OPERATING INSTRUCTIONS

Moving the Cart

The bar cart is equipped with 360-degree rotating wheels for easy mobility. Use the integrated handles to push or pull the cart to your desired location. For optimal movement, ensure the wheel locks are disengaged.

Mobile Bar Cart

360° rotating wheels equipped with two locks allow for easy and secure placement

Locking the Wheels

To secure the cart in place and prevent unintended movement, engage the locks on two of the four wheels. This provides maximum stability, especially when the cart is loaded or used on uneven surfaces.

Utilizing Storage Features

- **Wine Glass Racks:** Hang wine glasses or other stemware upside down in the built-in racks located under the upper shelf.
- **Removable Bottle Holder:** Use the detachable bottle holder to keep up to 3 wine or spirit bottles upright and secure on either shelf. This can be repositioned as needed.
- **Spacious Shelves:** The two 18" x 30" shelves offer ample space for various items, including beverages, snacks, bar tools, or decorative pieces.

MAINTENANCE

Cleaning

The bar cart features a weather-resistant powder coat finish. For cleaning, simply wipe down the surfaces with a damp cloth. Avoid using harsh abrasive cleaners that may damage the finish. Hand wash only for general care.

Weather-Resistant Materials

Image: A close-up view of the bar cart's weather-resistant surface, showing its durability against moisture.

Storage

When not in use, store the bar cart in a dry, protected area to prolong its lifespan, especially if used outdoors frequently.

TROUBLESHOOTING

- **Cart is wobbly:** Ensure all screws are tightened securely. Check that the wheels are fully inserted and locked if stationary.
- **Wheels not rolling smoothly:** Check for any debris caught in the wheels. Ensure wheel locks are disengaged.
- **Difficulty with assembly:** Refer to the assembly instructions and ensure all parts are correctly oriented. Do not force components together.

SPECIFICATIONS
