## SETUP AND INSTALLATION

---

The BLANCO Inteos sink is designed for undermount installation and requires a minimum cabinet size of 33 inches. Its reversible design allows for flexible placement of the drain and workstation features. Professional installation is recommended to ensure proper sealing and support.

### Key Installation Considerations:

- **Cabinet Compatibility:** Ensure your base cabinet has a minimum width of 33 inches to accommodate the sink.
- **Undermount Installation:** The sink is installed beneath the countertop. Consult a professional for precise cutting of the countertop opening and secure mounting.
- **Reversible Design:** The sink can be oriented to position the drain and workstation ledge on either the left or right side, depending on your kitchen layout and preference.
- **Drain Assembly:** Install the included Lift and Turn drain assembly according to standard plumbing practices.

For detailed installation diagrams and instructions, please refer to the separate installation guide provided with your sink or consult the BLANCO website.

## OPERATING INSTRUCTIONS AND WORKSTATION FEATURES

---

The Inteos workstation sink is designed to streamline kitchen tasks with its integrated accessories and thoughtful design.

### Included Accessories:

- **Wood Cutting Board:** Use for food preparation directly over the sink. It slides along the angled edge for convenient

positioning.

- **Large Colander:** Ideal for rinsing fruits, vegetables, or draining pasta. It fits securely within the sink's workstation ledge.
- **Accessory Holder:** Provides a dedicated space for other workstation tools or sponges.

Image: The Inteos sink integrated into a kitchen, highlighting the cutting board's utility.

### Optional Accessories and "Stack & Store" System:

The Inteos system supports additional optional accessories (sold separately) such as small colanders, large trays, and small trays, further enhancing its versatility. The "Stack & Store" system allows you to neatly stack these accessories for compact storage, either within the sink or in the dedicated INTEOS Storage Organizer Bag XL (Model 527670) below the sink.

- **Optional Accessories:** INTEOS 30 Grid (443344), Dish Rack (443342), Small Colander (443340), Large Tray (443339), Small Tray (443338).
- **Storage:** Utilize the INTEOS Storage Organizer Bag XL (527670) for convenient under-sink storage of accessories.

## CARE AND MAINTENANCE

---

The BLANCO SILGRANIT material is engineered for durability and ease of maintenance. Its non-porous, smooth stone surface resists scratches, stains, and heat, making it simple to clean.

### General Cleaning:

- For daily cleaning, use a mild dish soap and a soft cloth or sponge. Rinse thoroughly with water.
- To remove scuff marks or stubborn stains, BLANCOCLEAN SILGRANIT Sink Cleaner is recommended. Follow the product instructions for best results.
- Avoid abrasive cleaners, steel wool, or harsh chemicals (e.g., drain cleaners containing sulfuric acid) as these can damage the surface.
- Rinse the sink after using any cleaning agents to prevent residue buildup.

### Preventative Measures:

- While SILGRANIT is highly resistant to heat, avoid placing extremely hot pots or pans directly on the surface for extended periods. Use a trivet or the included accessories.
- Prevent prolonged contact with highly acidic or alkaline substances, as these can potentially affect the finish over time. Rinse immediately if contact occurs.

## TROUBLESHOOTING

---

This section addresses common inquiries and minor issues you might encounter with your BLANCO Inteos sink. For complex problems, please contact customer support.

Problem	Possible Cause	Solution
---------	----------------	----------

Water spots or mineral buildup	Hard water residue	Wipe the sink dry after each use. For existing buildup, use a diluted vinegar solution or a specialized descaler, then rinse thoroughly.
Faint scratches or scuff marks	Normal wear or contact with abrasive items	SILGRANIT is highly scratch-resistant. For minor marks, use BLANCOCLEAN SILGRANIT Sink Cleaner and a non-abrasive sponge.
Drainage issues	Clogged drain or improper installation	Check the drain for obstructions. Ensure the drain assembly is correctly installed and sealed. If issues persist, consult a plumber.

## WARRANTY INFORMATION

BLANCO products are manufactured to high-quality standards. For specific warranty details regarding your Inteos SILGRANIT sink, please refer to the warranty card included with your product or visit the official BLANCO website. Keep your proof of purchase for warranty claims.

## CUSTOMER SUPPORT

If you require further assistance, have questions not covered in this manual, or need to report a product issue, please contact BLANCO customer support:

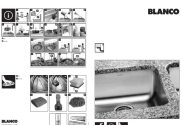

- **Website:** Visit the official BLANCO website for FAQs, product registration, and contact information.
- **Phone:** Refer to your product packaging or the BLANCO website for customer service phone numbers.

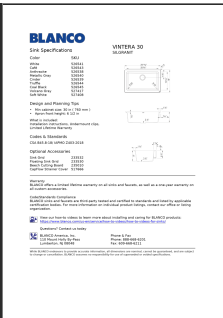

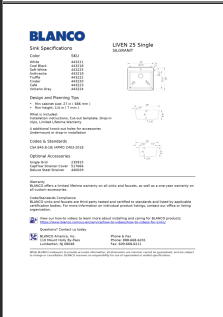

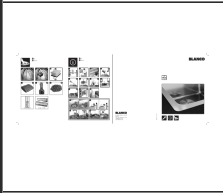

When contacting support, please have your model number (443307) and purchase date available.
