DORTALA Kitchen Island with Drop Leaf & Tilt Out Trash Can Cabinet (Model DO-57447WH-CK-CA) - Instruction Manual

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your DORTALA Kitchen Island with Drop Leaf and Tilt Out Trash Can Cabinet. Please read all instructions carefully before assembly and use to ensure safe and efficient operation. Keep this manual for future reference.

PRODUCT FEATURES

- **Drop Leaf Design:** The kitchen island cart features a wood drop leaf countertop that expands your countertop space while maintaining a compact footprint. Its smooth surface is designed for easy maintenance.
- **Waste Management Made Easy:** Includes a tilt-out trash can cabinet, perfectly sized to accommodate a 7-gallon trash bin (12"L x 8"W x 18"H, not included). It can also be used for pet food or dirty laundry.
- **Smart Storage Solution:** Offers dual drawers, a cabinet with door racks, a handy towel rack, and spice racks to keep essentials organized and within easy reach.
- **Effortless Mobility:** Equipped with 4 rubber universal wheels, allowing for easy movement. Two of the wheels are lockable for stable positioning.
- **Sturdy Construction & Premium Details:** Features a robust wooden structure (MDF, Engineered Wood, Rubber) for stability and longevity. Zinc alloy handles provide smooth access, and a built-in wheel prevents doors from sticking.

OPERATING INSTRUCTIONS

Using the Drop Leaf Countertop

1. To extend the countertop, gently lift the drop leaf section.
2. Pull out the support brackets located underneath the drop leaf until they lock into place.
3. Ensure the drop leaf is stable before placing items on it.

- To retract, push the release mechanism on the support brackets and carefully lower the drop leaf.

Accessing Storage Drawers and Cabinets

- The two top drawers can be pulled open using the zinc alloy handles for storing utensils or smaller items.
- The main cabinet doors open to reveal adjustable shelves for pots, pans, or dry goods.
- The door racks and spice racks provide additional storage for condiments and smaller bottles.

Using the Tilt-Out Trash Can Cabinet

- Pull the handle on the tilt-out door to open the cabinet.
- Place a 7-gallon trash bin (not included) inside the designated compartment.
- Push the door back until the magnetic catches secure it closed.

Moving the Kitchen Island

- To move the island, ensure the two lockable wheels are disengaged.
- Gently push the island to its desired location.
- To secure the island, engage the locking mechanism on the two wheels.

CARE AND MAINTENANCE

- Cleaning:** Wipe the surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- Spills:** Clean up spills immediately to prevent staining, especially on the wooden countertop.
- Hardware:** Periodically check and tighten all screws and fasteners to ensure stability.
- Countertop Care:** For the wooden countertop, consider applying a food-safe mineral oil regularly to maintain its appearance and protect it from moisture.

TROUBLESHOOTING

- Wobbly Island:** Ensure all screws are tightened. Check that the wheels are properly installed and locked when stationary.
- Drawers Sticking:** Check the drawer slides for any obstructions. Ensure the drawer is properly aligned on its tracks.
- Doors Not Closing Properly:** Verify that the magnetic catches are aligned and functioning. Check for any items obstructing the door's path. The built-in wheel should prevent sticking.
- Drop Leaf Instability:** Ensure the support brackets are fully extended and locked into place.
