## 2. SAFETY INFORMATION

- This kit contains small parts. Keep out of reach of small children to prevent choking hazards.
- Adult supervision is recommended, especially for users under 14 years of age.
- Exercise caution when using sharp tools such as scissors, cutters, and tweezers.
- Ensure proper ventilation when using adhesives.
- Batteries and glue are not included in the kit due to shipping regulations. Please prepare these separately.

## 3. PACKAGE CONTENTS

Your CUTEROOM Leisurely Bakery kit includes various components necessary for assembly. Please verify all parts are present before starting.

- Pre-cut wooden pieces for structure and furniture.
- Paper and fabric materials for decorations and details.
- Plastic components for miniature items.

- LED light components and wiring.
- Detailed English instruction manual with colored pictures.
- Basic assembly tools (e.g., tweezers, small screwdriver).

## 4. SETUP AND ASSEMBLY

Assembly requires patience and attention to detail. Follow the numbered steps in the included English manual for best results. The estimated assembly time is 3-5 days, depending on individual pace.

### 4.1 Preparation

- Clear a well-lit, spacious workspace.
- Organize all parts according to the manual's numbering system.
- Gather necessary external tools: quick-drying glue (e.g., craft glue, wood glue), scissors, ruler, pencil, and batteries for LED lights.

### 4.2 General Assembly Tips

- Refer to the colored pictures in the manual for visual guidance on each step.

- Test-fit pieces before applying glue to ensure correct alignment.
- Allow glue to dry completely before moving to the next step to ensure structural integrity.
- For small or delicate parts, use the provided tweezers for precise placement.

### 4.3 Step-by-Step Assembly Overview

1. **Base Construction:** Assemble the main base and walls of the bakery structure.
2. **Furniture Assembly:** Construct individual furniture pieces such as display cases, tables, and shelves.
3. **Decorative Elements:** Cut and adhere paper and fabric elements, including wallpaper, signs, and miniature food items.
4. **Electrical Wiring:** Install the LED lights according to the wiring diagram in the manual. Ensure all connections are secure.
5. **Final Placement:** Arrange all assembled furniture and decorative items within the bakery structure.

### 5. OPERATING INSTRUCTIONS

#### 5.1 LED Lighting

- Once the wiring is complete and batteries are inserted into the battery box (not included), locate the switch for the LED lights.
- Flip the switch to the 'ON' position to illuminate the bakery interior.
- To turn off the lights, flip the switch to the 'OFF' position.

#### 5.2 Music Box (If Included)

Some kits may include a music box. If your kit includes one, follow these steps:

- Locate the winding key on the music box mechanism.
- Gently turn the key clockwise until you feel slight resistance. Do not over-wind.
- Release the key to play the melody.

## 6. MAINTENANCE

---

- **Cleaning:** Use a soft, dry cloth or a small brush to gently remove dust from the miniature house. Avoid using water or cleaning solutions, as they may damage the materials.
- **Storage:** Store the assembled dollhouse in a dry place away from direct sunlight and extreme temperatures to prevent fading or warping of materials.
- **Battery Replacement:** If the LED lights dim or stop working, replace the batteries in the battery box with new ones of the correct type and voltage.

## 7. TROUBLESHOOTING

---

- **Missing Parts:** If you find any parts missing upon opening the kit, please contact CUTEROOM customer support with your purchase details and a description of the missing components.
- **LED Lights Not Working:**
  - Check if batteries are inserted correctly and are not depleted.
  - Ensure all wire connections are secure and properly insulated.
  - Verify the switch is in the 'ON' position.
- **Parts Not Fitting:** Double-check the part numbers against the manual. Ensure you are not forcing pieces, which could cause damage. Sometimes a slight sanding or trimming may be required for a perfect fit.
