4. ASSEMBLY INSTRUCTIONS

Follow these steps for quick and easy assembly. No drilling is required.

1. Step 1: Install the Base

Attach the main support pole to the weighted base using the provided screws and tools. Ensure the base is stable.

2. **Step 2: Attach the Hooks**

Secure the accessory hooks to the main support pole at desired heights. The stand includes 6 hooks for various attachments.

3. **Step 3: Install the Top Panel**

Connect the top bracket to the upper section of the main support pole.

4. **Step 4: Mount the Charger**

If desired, mount your vacuum's charger dock onto the top panel using the appropriate screws.

Installation in 4 Easy Steps

5. OPERATING AND USAGE

The VEVOR Vacuum Stand provides convenient storage and easy access to your vacuum cleaner and its accessories.

- **Vacuum Placement:** Place your cordless upright vacuum cleaner onto the designated holder at the top of the stand.
- **Accessory Storage:** Utilize the 6 hooks to store various vacuum attachments such as flexible crevice tools, soft dusting brushes, stubborn dirt tools, and soft roller cleaner heads. Each hook supports up to 11.02 lbs (5 kg).
- **Stability:** The stand features a 3.96 lbs (1.8 kg) weighted base and anti-slip pads to ensure stability and prevent tipping or sliding.
- **Space-Saving Design:** The compact base (11.41 x 11 inches) allows the stand to fit into corners or narrow areas, optimizing vertical space.

Say Goodbye to Clutter! Keep Accessories Within Reach

Transform Gaps into Efficient Storage Space

Compact design fits even narrow spaces

Image 5.2: The stand positioned in a room corner, highlighting its compact footprint and efficient layered storage for accessories.

6. MAINTENANCE

To ensure the longevity and appearance of your VEVOR Vacuum Stand, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the stand regularly with a soft, damp cloth to remove dust and dirt. Avoid abrasive cleaners or solvents that could damage the finish.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary to maintain stability.
- **Placement:** Place the stand on a flat, level surface to prevent instability.

7. TROUBLESHOOTING

If you encounter any issues with your vacuum stand, refer to the following common solutions:

Problem	Possible Cause	Solution
Stand is wobbly or unstable.	Screws are loose; uneven surface.	Ensure all screws are tightened securely. Move the stand to a flat, level surface.
Accessories do not fit on hooks.	Incorrect accessory type; hooks not positioned correctly.	Verify that your accessories are compatible. Adjust hook positions if necessary.
Missing parts during assembly.	Packaging error.	Refer to the "Package Contents" section and contact VEVOR customer support if parts are missing.

8. SPECIFICATIONS

Detailed specifications for the VEVOR Vacuum Stand HLFGSJLG-01:

Model Name: Vacuum Stand

Item Model Number: HLFGSJLG-01

Brand: VEVOR

Color: Black
