5. MAINTENANCE

Proper maintenance will ensure the longevity and appearance of your gaming desk.

- **Cleaning:** Wipe the desk surface with a soft, damp cloth. For stubborn stains, use a mild, non-abrasive cleaner. Avoid harsh chemicals that may damage the carbon-look finish.
- **Frame Care:** The metal frame can be cleaned with a damp cloth. Dry immediately to prevent rust.
- **LED Lights:** Keep the LED strips free from dust. Do not attempt to disassemble the LED components.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

6. TROUBLESHOOTING

6.1 LED Lights Not Working

- Check if the LED power cable is securely plugged into a working power outlet.

- Ensure the switch for the LED lights is in the 'on' position.
- Verify that there are no visible damages to the LED strip or wiring.

6.2 Desk Wobbles

- Ensure all assembly screws are tightened securely.
- Check if the desk is placed on an even surface.
- Adjust the anti-wobble feet at the bottom of the desk legs to level the desk and eliminate any instability.
