Five Stars Five Stars L-vormig Game Bureau

Five Stars Gaming Desk with RGB LED Lighting

Model: Five Stars L-vormig Game Bureau

INTRODUCTION

The Five Stars Gaming Desk is designed to enhance your gaming or work setup with its robust construction and integrated features. This manual provides detailed instructions for assembly, operation, and maintenance to ensure optimal use and longevity of your desk. Please read this manual thoroughly before assembly and use.

SAFETY INFORMATION

WARNING: To prevent instability, especially when using multiple monitors or during intense gaming sessions, ensure the desk is securely fastened to the floor if recommended by local safety guidelines or if you experience any wobbling. Always follow the assembly instructions carefully to guarantee a safe and stable setup. Keep all small parts and packaging materials away from children.

PACKAGE CONTENTS

Before beginning assembly, please check that all parts listed below are present and undamaged. If any parts are missing or damaged, do not proceed with assembly and contact customer support.

- Desktop Surface (Carbon Look)
- Monitor Riser
- Desk Legs and Frame Components
- RGB LED Lighting Strip
- Integrated Power Strip (with 2 USB-A ports and 2 EU outlets)
- Headphone Holder
- Cup Holder
- Cable Organizer
- Assembly Hardware (screws, bolts, etc.)
- Assembly Tools (Allen key, screwdriver)
- Instruction Manual (this document)

SETUP AND ASSEMBLY INSTRUCTIONS

Follow these steps carefully to assemble your Five Stars Gaming Desk. It is recommended to have a second person assist with assembly for easier handling of larger components.

- 1. Unpack and Organize:** Carefully remove all components from the packaging. Lay them out on a clean, soft surface to prevent scratches. Identify each part using the provided parts list (if applicable, or refer to the "Package Contents" section).
- 2. Assemble the Desk Frame:** Attach the desk legs to the main frame components using the provided screws and the Allen key. Ensure all connections are secure but do not overtighten initially.
- 3. Attach the Desktop:** Carefully place the desktop surface onto the assembled frame. Align the pre-drilled holes on the desktop with the frame. Secure the desktop using the appropriate screws.
- 4. Install the Monitor Riser:** Position the monitor riser on the designated area of the desktop. Secure it using the provided fasteners.
- 5. Install RGB LED Lighting:** Locate the RGB LED lighting strip. Adhere it to the underside of the monitor riser, ensuring the cable can reach the power source.
- 6. Attach Integrated Accessories:**

- **Headphone Holder:** Mount the headphone holder to the side of the desk as desired.
- **Cup Holder:** Attach the cup holder to the opposite side of the desk.
- **Cable Organizer:** Install the cable organizer to manage cables neatly.

Figure 2: Integrated accessories: headphone holder, cup holder, cable organizer, and the power strip with USB-A ports.

7. **Install the Integrated Power Strip:** Secure the power strip into its designated slot on the desk. Ensure it is firmly in place.

Figure 3: The integrated power strip features two power outlets and two USB-A ports, with a 140cm power cord.

8. **Adjust Anti-Wobble Feet:** Once the desk is fully assembled and in its desired location, adjust the anti-wobble feet at the bottom of the legs to ensure the desk is stable and level on uneven surfaces.

Figure 4: The desk features adjustable anti-wobble feet to ensure stability on various floor types.

9. **Final Check:** Double-check all screws and connections to ensure they are tight and secure.

OPERATING INSTRUCTIONS

RGB LED Lighting

The RGB LED lighting strip, located under the monitor riser, can be controlled via the included switch. Connect the LED lighting to a USB power source (e.g., one of the desk's USB ports or a wall adapter). Use the switch to cycle through various colors and lighting effects to customize your ambiance.

Integrated Power Strip

The desk includes an integrated power strip with two EU standard power outlets and two USB-A charging ports.

- Power Outlets:** Plug in your monitors, computer, or other electronic devices directly into the desk's power outlets.
- USB-A Ports:** Use the USB-A ports to charge smartphones, tablets, or power USB-powered accessories like the RGB LED lighting.

Ensure the desk's main power cord is plugged into a wall socket before using the integrated power strip.

Using Accessories

- Headphone Holder:** Hang your gaming headset or headphones on the dedicated holder to keep them organized and easily accessible.
- Cup Holder:** Place your beverage in the cup holder to prevent spills on your desk surface.
- Cable Organizer:** Route your cables through the integrated cable organizer to maintain a tidy and clutter-free workspace.

MAINTENANCE AND CARE

To ensure the longevity and appearance of your Five Stars Gaming Desk, follow these maintenance guidelines:

- **Cleaning:** The carbon-look laminated surface is scratch-resistant and easy to clean. Use a soft, damp cloth with mild soap and water to wipe down the desk surface and frame. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Spills:** Wipe up spills immediately to prevent staining or damage to the surface.
- **Tighten Fasteners:** Periodically check all screws and bolts and tighten them if necessary to maintain desk stability.
- **Cable Management:** Regularly check and adjust cable routing to prevent strain on cables and connectors.

TROUBLESHOOTING

If you encounter any issues with your Five Stars Gaming Desk, refer to the following common problems and solutions:

- **Desk is Wobbly:**

- Ensure all assembly screws are securely tightened.
- Adjust the anti-wobble feet at the bottom of the desk legs to level the desk on uneven floors.

- **RGB LED Lights Not Working:**

- Check that the LED strip is properly connected to a USB power source.
- Ensure the power source (e.g., USB port, wall adapter) is functional.
- Verify the control switch is in the "on" position and try cycling through modes.

- **Integrated Power Strip Not Providing Power:**

- Ensure the desk's main power cord is securely plugged into a working wall outlet.
- Check if the wall outlet itself is functional by plugging in another device.
- Verify that the power strip's internal circuit breaker (if present) has not tripped.
