Misolant Vanity Chair with Back Instruction Manual

Model: 75331fcf-c1ce-4648-b320-595c1d5480a8

INTRODUCTION

Thank you for choosing the Misolant Vanity Chair with Back. This manual provides essential information for the safe assembly, operation, and maintenance of your new chair. Please read these instructions carefully before use and retain them for future reference.

The Misolant Vanity Chair is designed for comfort and functionality in home office, vanity, or bedroom settings. It features an ergonomic wrap-around backrest, a spacious square cushion, and adjustable height, all upholstered in skin-friendly PU leather.

SAFETY INFORMATION

- Ensure all parts are present and undamaged before assembly. Do not use if any parts are missing or broken.
- Assemble the chair on a soft, clean surface to prevent scratches.
- Tighten all screws firmly, but do not overtighten. Periodically check and retighten all fasteners to ensure stability.
- Do not stand on the chair or use it as a step stool.
- Do not exceed the maximum weight capacity of 300 lbs.
- Keep children away from moving parts during assembly and adjustment.
- Use the chair on a level surface to prevent tipping.

PACKAGE CONTENTS

Please verify that all the following components are included in your package:

- Seat Cushion
- Backrest
- Chair Base (5-star base with wheels)

- Gas Lift Cylinder
- Mechanism Plate (connects seat to gas lift)
- Assembly Hardware (screws, washers, Allen wrench)
- Instruction Manual

ASSEMBLY INSTRUCTIONS

Assembly typically takes about 10 minutes. Follow these steps:

1. **Attach Wheels to Base:** Insert the five caster wheels into the holes at the end of each leg of the chair base. Push firmly until they click into place. No tools are required for this step.
2. **Insert Gas Lift:** Place the gas lift cylinder into the center hole of the chair base.
3. **Attach Mechanism Plate to Seat:** Align the mechanism plate with the pre-drilled holes on the underside of the seat cushion. Secure it using the provided screws and the Allen wrench. Ensure the lever is facing the front of the seat.
4. **Attach Backrest to Seat:** Align the backrest support with the corresponding holes on the mechanism plate. Secure it with the remaining screws.
5. **Connect Seat Assembly to Gas Lift:** Carefully place the assembled seat (with mechanism plate and backrest) onto the top of the gas lift cylinder. Press down firmly to secure the connection.

Your Misolant Vanity Chair is now assembled and ready for use.

OPERATING INSTRUCTIONS

Adjusting Chair Height

To adjust the chair's height, locate the lever on the right side beneath the seat. While seated, pull the lever up to lower the chair. To raise the chair, stand up and pull the lever up. Release the lever at your desired height.

Swivel Function

The chair features a 360-degree swivel function, allowing for easy rotation and movement without repositioning the entire chair.

Movement

The nylon silent wheels allow for smooth and quiet movement across various floor types without causing damage.

Ergonomics & Simplified Design

Wrap-around Curved Backrest
Human-Centric C-Curve for All-Day Comfort

Just the right height
Comfortable lumbar support

Simple frame, Rounded Smooth Lines
Lightweight design with a substantial feel

MAINTENANCE AND CARE

Cleaning

The chair is upholstered in premium PU leather, which is skin-friendly and easy to clean. For general cleaning, wipe the surface with a soft, damp cloth. For tougher stains, use a mild soap solution and wipe dry immediately. Avoid harsh chemicals or abrasive cleaners.

Regular Checks

Periodically inspect all screws and connections to ensure they remain tight. Retighten as necessary to maintain the chair's stability and safety.

TROUBLESHOOTING

Chair is Wobbly

- Check all assembly screws and ensure they are fully tightened.
- Ensure the chair is on a flat, even surface.

Height Adjustment Not Working

- Verify that the gas lift lever is correctly engaged.
- Ensure the gas lift cylinder is properly seated in both the base and the mechanism plate.

Wheels Not Rolling Smoothly

- Check for any debris (hair, lint, etc.) caught in the wheels and remove it.
- Ensure the wheels are fully inserted into the chair base.

SPECIFICATIONS

Feature	Detail
Brand	Misolant
Model Number	75331fcf-c1ce-4648-b320-595c1d5480a8
Color	Pink
Product Dimensions	19.68"D x 17.32"W x 31.5"H
