5. SETUP

1. Place the Snailax Foot Massager on a flat, stable surface.
2. Ensure the power adapter is securely connected to the massager's power port.
3. Plug the power adapter into a suitable electrical outlet.
4. Sit comfortably and insert your feet into the foot chambers.

6. OPERATING INSTRUCTIONS

The Snailax Foot Massager can be operated using either the integrated control panel or the included remote control.

Using the Control Panel:

1. **Power On/Off:** Press the **Power Button** (red circle with line) to turn the unit on or off.
2. **Kneading:** Press the **Knead Button** to cycle through Low (L), Medium (M), High (H) intensity, or turn off.
3. **Compression (Air):** Press the **Air Button** to cycle through Low (L), Medium (M), High (H) intensity, or

turn off.

4. **Vibration:** Press the **Vibration Button** to cycle through Low (L), Medium (M), High (H) intensity, or turn off.
5. **Heat:** Press the **Heat Button** to cycle through Low (L), High (H) temperature, or turn off.

Using the Remote Control:

The remote control allows for convenient adjustment of all functions from a distance.

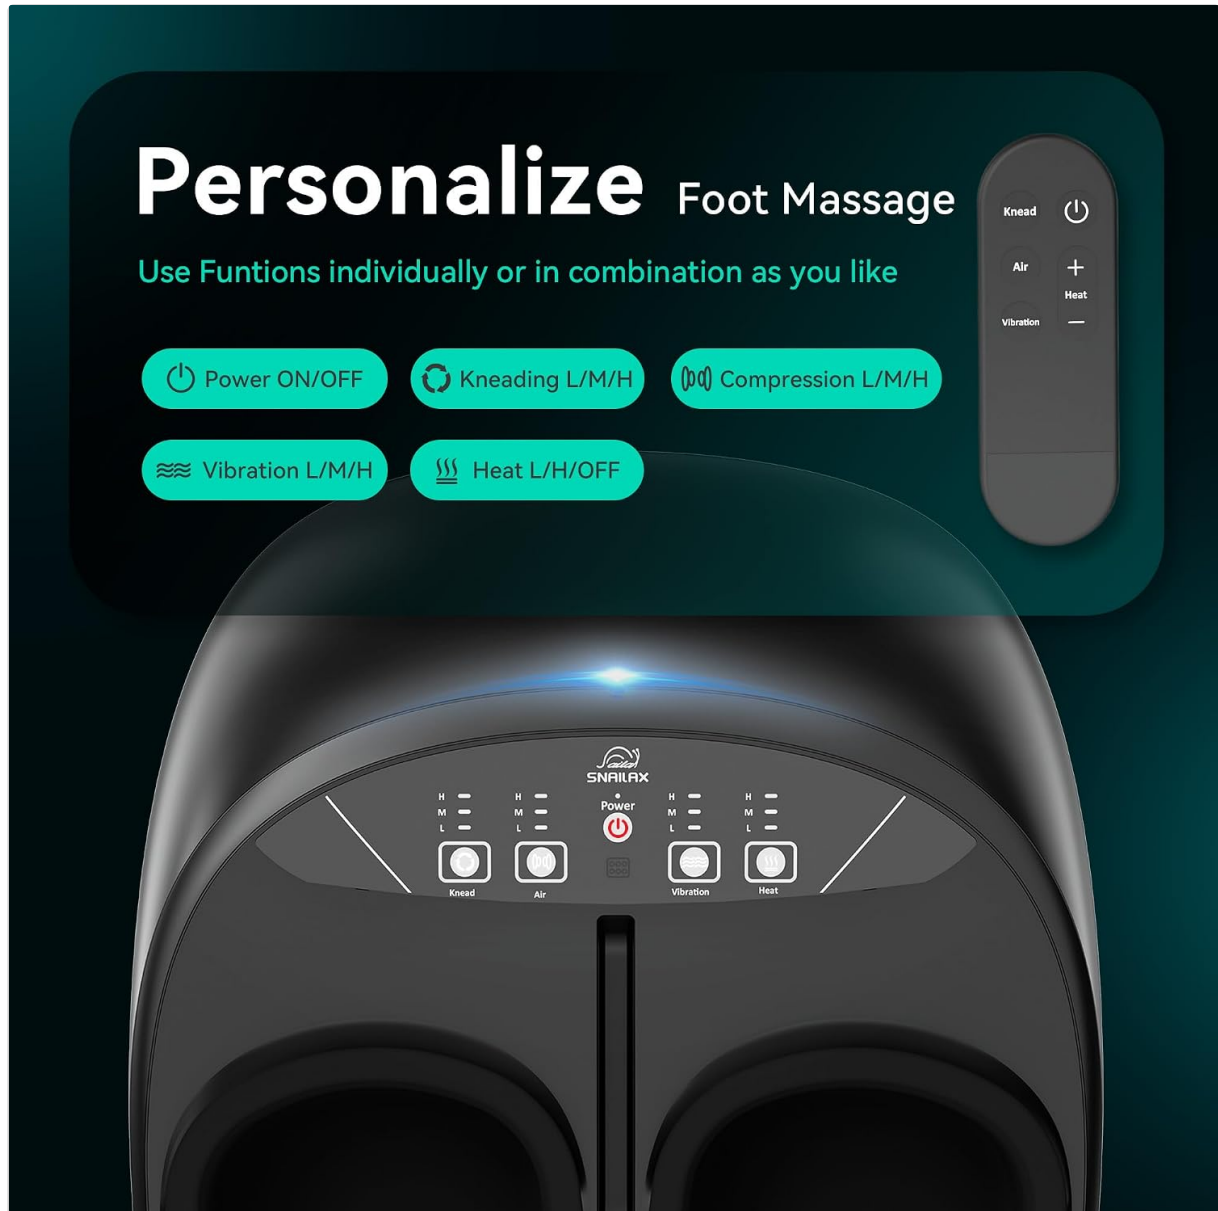

Image: Remote control for adjusting massage settings.

- **Power Button:** Turns the massager on or off.
- **Knead Button (L/M/H):** Adjusts kneading intensity.
- **Air Button (L/M/H):** Adjusts compression intensity.
- **Vibration Button (L/M/H):** Adjusts vibration intensity.
- **Heat Button (+/-):** Adjusts heat level.

Recommended Usage:

- Start with the lowest intensity settings and gradually increase as desired.
- A typical massage session lasts 15-20 minutes. The unit may have an automatic shut-off feature for

safety.

- Ensure your feet are clean and dry before use.

7. MAINTENANCE

- **Cleaning:** The inner foot covers are removable and machine-washable. Unzip and remove them for cleaning.
- Wipe the exterior of the massager with a soft, damp cloth. Do not use abrasive cleaners or immerse the unit in water.
- Store the massager in a cool, dry place when not in use.

Ideal Gift
The best gift for family and friend

The image shows a woman wearing a white Santa hat with a red pom-pom, smiling and clapping her hands in excitement. She is holding a large, wrapped gift box with a red ribbon bow. In the background, a man is partially visible. An inset image shows the Snailax Foot Massager product, its packaging, and a person using it. The packaging features the brand name 'Snailax' and the product name 'FOOT MASSAGER'. The massager itself is black with a digital display and buttons on the side.

8. TROUBLESHOOTING

Problem	Possible Cause	Solution
Unit does not power on.	Power cord not properly connected; no power from outlet.	Check power connections. Try a different outlet.
Heat function is not working.	Heat setting is off or too low.	Ensure heat is turned on and set to a higher level. Allow a few minutes for heat to build up.
Massager stops unexpectedly.	Automatic shut-off feature activated; potential overheating.	Allow the unit to cool down for 30 minutes before restarting. If issue persists, contact support.
Remote control not responding.	Batteries are low or depleted; obstruction between remote and unit.	Replace remote batteries. Ensure clear line of sight to the massager.
