

SISESOL SISESOL

SISESOL Metal Storage Cabinet (47.3" H) User Manual

Model: SISESOL | Brand: SISESOL

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your SISESOL Metal Storage Cabinet (47.3" H). Please read this manual thoroughly before assembly and use to ensure proper function and safety. The SISESOL Metal Storage Cabinet is designed to provide versatile storage solutions for various items, including sundries, toys, tools, food, kitchen appliances, and supplies. It features a durable metal construction with adjustable shelves and magnetic doors.

2. SAFETY INFORMATION

- Always follow assembly instructions carefully.
- Ensure all parts are securely fastened before use.
- Do not exceed the maximum weight capacity of 120 lbs per shelf.
- Utilize the included anti-tip kit to secure the cabinet to a wall. This prevents accidental tipping, especially in households with children or pets.
- Place the cabinet on a level surface to maintain stability. Adjustable feet are provided for minor leveling adjustments.
- Keep hands clear of moving parts during assembly and when opening/closing doors.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer service.

- Cabinet Panels (sides, back, top, bottom, doors)
- 3 Adjustable Shelves
- Handles
- Legs with 4 Adjustable Levelers

- Assembly Hardware (screws, bolts, etc.)
- Anti-Tip Kit
- Instruction Manual

4. SETUP AND ASSEMBLY

Assembly typically takes approximately 30 minutes. It is recommended to have a second person assist with certain steps.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches. Verify all parts against the package contents list.
2. **Assemble Frame:** Follow the numbered instructions to connect the side, back, top, and bottom panels using the provided hardware. Ensure all connections are secure.
3. **Attach Legs:** Securely attach the legs to the bottom panel of the cabinet. Adjust the 4 levelers on the bottom of the legs to ensure the cabinet is stable and level on your floor.
4. **Install Shelves:** Insert the shelf support pins into the desired height slots on the cabinet sides. Place the adjustable shelves onto the support pins. The shelves can be repositioned later as needed.
5. **Attach Doors:** Mount the two doors to the cabinet frame. Ensure the magnetic closures align properly to keep the doors securely shut. Attach the handles to the doors.
6. **Install Anti-Tip Kit:** For safety, attach the anti-tip kit to the top rear of the cabinet and secure it to a wall stud according to the instructions provided with the kit. This step is crucial for stability.

Your Cabinet ,You Define It!

5. OPERATING INSTRUCTIONS

Your SISESOL Metal Storage Cabinet is designed for straightforward use.

- **Opening/Closing Doors:** Use the handles to open and close the two cabinet doors. The integrated magnets will keep the doors securely closed when not in use.
- **Adjusting Shelves:** To adjust the height of the shelves, remove all items from the shelf. Lift the shelf, remove the support pins, reposition the pins into the desired slots, and then place the shelf back onto the pins. Ensure all four pins are securely seated before placing items back on the shelf.
- **Loading Items:** Distribute weight evenly across the shelves. Each shelf can support up to 120 lbs. Avoid placing excessively heavy items on upper shelves to maintain stability.

6. MAINTENANCE

To ensure the longevity and appearance of your SISESOL Metal Storage Cabinet, follow these simple maintenance guidelines:

- **Cleaning:** The powder-coated steel surface is easy to clean. Wipe down the cabinet with a soft, damp cloth. For stubborn marks, a mild soap solution can be used, followed by drying with a clean cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Inspection:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary.
- **Leveling:** Re-check the cabinet's levelness periodically, especially if it has been moved. Adjust the leg levelers as needed.

7. TROUBLESHOOTING

- **Cabinet is wobbly:** Ensure the cabinet is on a level surface. Adjust the individual leg levelers until the cabinet is stable. Verify all assembly screws are tightened.
- **Doors do not close properly:** Check for any obstructions. Ensure the cabinet is level. Verify that the door hinges and magnetic closures are correctly installed and aligned.
- **Missing parts:** If any parts are missing upon arrival, please contact SISESOL customer service immediately for assistance.
