ZURU ZUR83183

ZURU MAX Garden Collection Building Bricks Instruction Manual

Model: ZUR83183

1. INTRODUCTION

Welcome to the ZURU MAX Garden Collection! This instruction manual provides essential information for assembling, maintaining, and troubleshooting your brick-built plant model. Each ZURU MAX Garden Collection ball contains the pieces to construct one unique plant model, designed for creative assembly and display.

2. SAFETY INFORMATION

Please read and understand all safety warnings before assembly and use.

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended for children aged 3-8.
- **Age Recommendation:** Recommended for ages 8 and up.
- Keep all packaging materials away from children and dispose of them properly.

3. WHAT'S IN THE BOX

Each ZURU MAX Garden Collection ball (Model ZUR83183) typically contains the following components:

- Assorted building brick pieces for one specific plant model.
- One small pot for the plant.
- One small stand for the pot.
- One detailed instruction sheet specific to the plant model included.

4. SETUP AND ASSEMBLY

Follow these general steps to assemble your ZURU MAX Garden Collection plant model. Refer to the specific instruction sheet included in your ball for detailed, step-by-step guidance for your unique plant.

1. **Unpack Components:** Carefully open the ZURU MAX Garden Collection ball and remove all brick pieces, the pot, the stand, and the instruction sheet.
2. **Organize Pieces:** Sort the brick pieces by color or shape as indicated in your instruction sheet to facilitate assembly.
3. **Follow Instructions:** Refer to the included instruction sheet for your specific plant model. Each step will illustrate which pieces to connect and where.
4. **Assemble the Pot and Stand:** Typically, the pot and stand are assembled first or integrated into the plant's base.
5. **Build the Plant:** Systematically connect the brick pieces according to the visual guide, building the plant structure

from the base upwards.

6. **Final Placement:** Once the plant is fully assembled, place it securely into its pot and onto the stand.

5. OPERATING (DISPLAY AND INTERACTION)

Once assembled, your ZURU MAX Garden Collection plant model is ready for display and imaginative interaction.

- **Display:** Place your finished plant model on a shelf, desk, or any flat surface as a decorative item.
- **Interaction:** The models are designed for gentle handling. You may rearrange certain elements if they are designed with movable parts.
- **Collection:** Collect all the different plant models in the ZURU MAX Garden Collection to create a diverse brick garden.

6. MAINTENANCE

To keep your ZURU MAX Garden Collection plant model in optimal condition, follow these simple maintenance guidelines:

- **Cleaning:** Dust regularly with a soft, dry cloth or a soft brush. For more thorough cleaning, gently wipe with a slightly damp cloth and then dry immediately. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** If disassembling or storing, keep all pieces in a secure container to prevent loss. Store in a cool, dry place away from direct sunlight to prevent color fading.
- **Handling:** Handle the assembled model with care to prevent pieces from detaching.

7. TROUBLESHOOTING

This section addresses common questions and issues you might encounter.

Issue: Missing pieces.

Solution: Carefully check all packaging materials. If pieces are genuinely missing, please contact ZURU customer support for assistance.

Issue: Difficulty assembling a specific section.

Solution: Double-check the included instruction sheet for your specific plant model. Ensure you are using the correct pieces and following the steps in the correct order. Sometimes, a small piece may be overlooked or incorrectly oriented.

Issue: Received only one plant model, but expected a set.

Clarification: The ZURU MAX Garden Collection (Model ZUR83183) is sold as individual, randomly selected plant models within a collection ball. Each purchase typically includes one ball containing one plant model. The packaging may illustrate the full collection, but this represents the variety available, not the quantity in a single purchase.
