

WLIVE ASNG122/WH

WLIVE 9-Drawer LED Dresser Instruction Manual

Model: ASNG122/WH

Brand: WLIVE

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your WLIVE 9-Drawer LED Dresser. Designed for versatility and convenience, this dresser features integrated LED lighting, power outlets, and ample storage, making it an ideal addition to bedrooms, living rooms, or entertainment areas. Please read this manual thoroughly before assembly and use to ensure safe and proper operation.

SAFETY INFORMATION

- Always follow assembly instructions carefully.
- Ensure all screws and fasteners are securely tightened before use.
- **Anti-Tip Device:** It is crucial to install the included anti-tip device to prevent the dresser from tipping over, especially in households with children or pets. Securely fasten the dresser to the wall as instructed.
- Do not overload drawers. Distribute weight evenly.
- Keep electrical components (power outlets, LED lights) away from water and excessive moisture.
- Only use the power outlets and USB ports for devices within their specified voltage and current limits (2 AC sockets + 2 USB ports, UL/ETL certified).

PARTS LIST AND ASSEMBLY

Your WLIVE dresser comes with all necessary parts and hardware for assembly. Please refer to the detailed assembly guide included in your product packaging for step-by-step instructions. It is recommended that two people assemble the dresser, with an estimated assembly time of approximately 1.5 hours.

Ensure all parts are accounted for before beginning assembly. If any parts are missing or damaged, please contact customer support.

PRODUCT SIZE

Storage and Drawer Functionality

The dresser offers extensive storage with 9 drawers and flexible open shelves.

- **Drawer Types:** Includes 3 small fabric drawers and 6 larger wooden drawers.
- **Flexible Shelves:** The upper drawers can be removed to create open shelving for media devices (e.g., TV boxes, game consoles) or decorative items.
- **Smooth Operation:** Drawers are equipped with smooth rails and sturdy metal handles for easy opening and closing.
- **Enhanced Load Capacity:** Extra support plates at the bottom of the drawers increase their load-bearing capability.

MAINTENANCE

- **Cleaning:** The dresser is made of high-quality artificial wood, which is scratch-resistant and easy to clean. Use a soft, damp cloth to wipe surfaces. Avoid harsh chemicals or abrasive cleaners.
- **Dusting:** Regularly dust the surfaces to prevent buildup.
- **Drawer Care:** Periodically check drawer rails for smooth operation. If needed, a small amount of silicone spray can be applied to the glides.
- **Fasteners:** Occasionally check all screws and fasteners to ensure they remain tight. Re-tighten if necessary.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Drawers do not slide smoothly.	Misaligned rails, debris in tracks, or loose fasteners.	Check rail alignment and clear any obstructions. Ensure all screws securing the rails are tight.
LED lights not working.	Power connection issue, remote battery dead, or app connectivity problem.	Verify the power cord is securely plugged in. Check remote control battery. Re-pair the app if necessary.
Power outlets not functioning.	Not plugged into wall outlet, or device drawing too much power.	Ensure the dresser's main power cord is plugged into a working wall outlet. Do not exceed the specified load capacity for the outlets.
Dresser feels unstable.	Anti-tip device not installed or loose, or uneven floor.	Install or re-secure the anti-tip device to the wall. Ensure the dresser is placed on a level surface.

SPECIFICATIONS
