HOGOKIDS HG1033

HOGOKIDS Holiday Villa Building Set with LED Lights (Model HG1033) Instruction Manual

1. Introduction

This instruction manual provides detailed guidance for assembling and operating your HOGOKIDS Holiday Villa Building Set with LED Lights, Model HG1033. This set is designed for children aged 6 years and up, offering an engaging and creative building experience. Please read all instructions carefully before beginning assembly.

2. Safety Information

WARNING: CHOKING HAZARD – Small Parts. This product contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended during assembly and play for all ages.

WARNING: BUTTON BATTERY. This product includes components that use button batteries for the LED lighting feature. If swallowed, a lithium button battery can cause severe or fatal injuries within 2 hours. Keep batteries out of reach of children. If you think batteries may have been swallowed or placed inside any part of the body, seek immediate medical attention.

- Always ensure all pieces are securely connected during play to prevent detachment of small parts.
- Dispose of packaging materials responsibly and keep them away from young children.
- Do not modify the product or its components.

3. Parts List

The HOGOKIDS Holiday Villa Building Set (Model HG1033) contains **1212 pieces**, including building blocks for the main villa, various accessories, and four character figures. A detailed, step-by-step instruction manual with a complete parts list is included in your product box. Please refer to this booklet to identify all components.
Key components include:

- Main Villa Structure
- Slide and Swing Set
- Camping Tent
- Electric Car and Scooter
- Picnic Table with Food Accessories
- Four Animal Character Figures (Dog, Gorilla, Chicken, Owl)
- LED Light Bricks and Battery Box

4. Assembly Instructions

Assembly of the HOGOKIDS Holiday Villa is a step-by-step process. The included full-color instruction manual provides clear, detailed diagrams for each stage of construction. Pieces are organized into numbered bags to facilitate the building process.

1. **Unpack and Organize:** Open the product box and locate the instruction manual. Sort the numbered bags of building blocks according to the steps outlined in the manual.
2. **Follow Step-by-Step Diagrams:** Each step in the manual illustrates which pieces are needed and how they connect. Pay close attention to the orientation and placement of each block.
3. **Build Sections:** The manual guides you through building different sections of the villa and its accessories. Complete each section before moving to the next.
4. **Connect Sections:** Once individual sections are complete, follow the instructions to connect them to form the complete Holiday Villa structure.

5. **Add Details and Accessories:** Attach smaller decorative elements, furniture, and place the character figures and vehicles as desired.

Image 4.2: The interior of the Holiday Villa, revealing detailed rooms and furniture.

5. Operating LED Lights

The HOGOKIDS Holiday Villa Building Set includes three connected light-up bricks and a battery box to illuminate the interior of the house. Refer to your instruction manual for specific battery installation steps and placement of the LED components.

1. **Battery Installation:** Locate the battery box. Open the battery compartment cover (usually secured with a small screw) and insert the required button batteries, ensuring correct polarity (+/-). Close the compartment securely.
2. **Connect LED Bricks:** Follow the manual to connect the three light-up bricks to the battery box and integrate them into the villa structure.
3. **Activate Lights:** The battery box typically has a small switch or button to turn the LED lights on and off.

Image 5.2: A visual comparison of the Holiday Villa during the day and illuminated at night.

6. Maintenance

To ensure the longevity and cleanliness of your HOGOKIDS Holiday Villa Building Set, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to gently wipe dust from the blocks. For stubborn dirt, a slightly damp cloth with mild soap can be used, followed by thorough drying. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the assembled set or individual blocks in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Battery Care:** If the LED lights will not be used for an extended period, remove the button batteries from the battery box to prevent leakage and potential damage.

7. Troubleshooting

If you encounter any issues with your HOGOKIDS Holiday Villa Building Set, please refer to the following common solutions:

- **Missing Pieces:** Double-check all packaging materials and the building area. If a piece is genuinely missing, please contact customer support with details of the missing part (as identified in the parts list of your instruction manual).
- **Blocks Not Connecting Securely:** Ensure that the blocks are aligned correctly and pressed firmly together. Some connections may require more pressure. Verify that you are using the correct pieces as indicated in the instruction manual.
- **LED Lights Not Working:** Check if the batteries are installed correctly with the correct polarity. Ensure the battery compartment is securely closed. Replace old batteries with new ones if necessary. Verify that the LED bricks are properly connected to the battery box and that the power switch is in the 'On' position.
- **Difficulty with Assembly Steps:** Review the previous steps in the instruction manual. Sometimes a small error in an earlier step can affect subsequent assembly. Ensure all pieces are oriented correctly.

For further assistance, please contact HOGOKIDS customer support.
