## Misolant B0DY7DMYXG

# Misolant Drafting Chair Without Arms Instruction Manual

Model: B0DY7DMYXG

## IMPORTANT SAFETY INFORMATION

---

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- Ensure all parts are present and undamaged before assembly. Do not use the chair if any parts are missing or damaged.
- Do not use power tools for assembly as this may overtighten screws and damage the chair components.
- Do not stand on the chair. Use it only for seating purposes.
- Do not exceed the maximum weight capacity of 300 pounds (136 kg).
- Regularly check all bolts and screws to ensure they are tight. Retighten as necessary to maintain stability.

## PACKAGE CONTENTS

---

Verify that all components are included in your package before beginning assembly.

# PRODUCT SIZE

Image: All chair components are laid out on the floor, including the seat, backrest, gas lift, footrest ring, base, and wheels, ready for assembly.

- Seat Cushion (1)
- Backrest (1)
- Gas Lift Cylinder (1) - SGS Certified Class-4
- Chair Base (1) - Steel
- Caster Wheels (5)
- Footrest Ring (1)
- Assembly Hardware (screws, washers, Allen wrench)

## SETUP AND ASSEMBLY

Assembly typically takes approximately 25 minutes. Follow these steps carefully.

1. **Attach Caster Wheels:** Push the five caster wheels firmly into the holes at the end of each leg on the chair base until they click into place.
2. **Insert Gas Lift:** Insert the gas lift cylinder into the center hole of the assembled chair base.
3. **Install Footrest Ring:** Slide the footrest ring onto the gas lift cylinder. Adjust its height to your preference and secure it by tightening the knob on the side of the ring.

4. **Attach Seat Plate:** Secure the seat plate to the underside of the seat cushion using the provided screws. Ensure the front of the seat plate aligns with the front of the cushion.
5. **Mount Seat:** Carefully place the assembled seat onto the top of the gas lift cylinder.
6. **Attach Backrest Support:** Connect the backrest support frame to the back of the seat cushion using the designated screws.
7. **Secure Backrest Cushion:** Attach the backrest cushion to the backrest support frame.

# OPERATING INSTRUCTIONS

---

## Height Adjustment

To adjust the chair's height, use the lever located under the seat:

- **To Raise the Seat:** While standing, lift the lever. The seat will rise automatically.
- **To Lower the Seat:** While seated, lift the lever. Apply slight pressure to the seat, and it will lower to your desired height.

## Footrest Ring Adjustment

The footrest ring can be adjusted to provide optimal leg support and comfort.

- Loosen the knob on the side of the footrest ring.
- Slide the footrest ring up or down to your desired height.
- Tighten the knob securely to lock the footrest in place.

Image: A visual guide demonstrating how to use the lever for seat height adjustment (up/down) and the knob for footrest ring height adjustment.

## Mobility

The chair features 360-degree swivel and wear-resistant caster wheels, allowing for easy movement across various floor types without causing damage.

## MAINTENANCE

---

### Cleaning

- For daily cleaning, wipe the faux leather surfaces with a soft, damp cloth.
- For stubborn stains, use a mild soap solution and a soft cloth. Wipe dry immediately to prevent water damage.
- Avoid using harsh chemicals, abrasive cleaners, or solvents, as these can damage the faux leather and other materials.

### General Care

- Periodically check and tighten all screws and bolts to ensure the chair remains stable and safe.
- Avoid prolonged exposure to direct sunlight to prevent fading and material degradation of the faux leather.
- Keep sharp objects away from the chair's upholstery to prevent punctures or tears.

## TROUBLESHOOTING

---

### Chair does not adjust height

- Ensure the gas lift lever is fully engaged.
- If lowering, ensure you are seated on the chair to activate the gas lift mechanism.
- If raising, ensure you are standing off the chair.

### Chair is unstable or wobbly

- Check that all assembly screws are securely tightened, especially those connecting the seat plate and backrest.
- Ensure the chair base is properly seated on the gas lift cylinder.
- Verify that the caster wheels are fully inserted into the base.

### Wheels do not roll smoothly

- Check for any debris (such as hair, dust, or small objects) caught in the caster wheels and remove them.
- Ensure the wheels are properly installed and fully seated in the chair base.

## SPECIFICATIONS

---

Feature	Detail
Brand	Misolant

Model	B0DY7DMYXG
Color	Khaki
Material	Faux Leather (Upholstery), Sponge (Fill), Metal (Frame)
Product Dimensions (D x W x H)	19.68"D x 17.32"W x 40"H
Chair Height Range	35 to 43.4 inches
