YANMONGI Headwolf FPad7/FPad6/Alphawolf APad2 8.4-inch

YANMONGI Tablet Case User Manual

For Headwolf FPad7, FPad6, and Alphawolf APad2 8.4-inch Tablets

1. INTRODUCTION

This manual provides comprehensive instructions for the YANMONGI protective case, designed specifically for Headwolf FPad7, FPad6, and Alphawolf APad2 8.4-inch tablets. This case offers robust protection, a convenient stand function, and maintains a slim, lightweight profile for enhanced portability.
Key features include:

- Ultra-lightweight and slim design
- Integrated stand for hands-free viewing
- Comprehensive protection against drops, scratches, and dust with shock-absorbing corners
- Precise cutouts for ports, speakers, and camera
- Dust-resistant button covers
- Durable PU leather and TPU construction

2. SETUP: INSTALLING YOUR TABLET

Follow these steps to correctly install your Headwolf FPad7/FPad6/Alphawolf APad2 8.4-inch tablet into the YANMONGI case:

1. **Prepare the Case:** Ensure the case is clean and free of debris.
2. **Align the Tablet:** Gently align your tablet with the case, ensuring the camera, ports, and buttons match the case's cutouts.
3. **Insert the Tablet:** Start by inserting one side of the tablet into the flexible TPU frame of the case.
4. **Secure the Tablet:** Carefully press the remaining edges of the tablet into the case until it is fully seated and secure. The flexible material allows for easy installation without damaging your device.
5. **Verify Fit:** Check that all ports, buttons, and the camera are accessible and properly aligned with the case's openings.

Perfect Design

Easy access to all buttons and functions，the speaker, camera, and other ports are perfectly cut

Image 2: A detailed view of the case's precise cutouts, ensuring full access to the tablet's camera, speakers, and charging port without obstruction.

Image 3: The case's shock-absorbing air-guard corners, designed to protect the tablet from impacts during accidental drops.

3. OPERATING INSTRUCTIONS

3.1. Using the Integrated Stand Function

The YANMONGI tablet case features a built-in stand for hands-free viewing and typing. To activate the stand:

1. **Open the Cover:** Fold back the front cover of the case.
2. **Position the Tablet:** Place the tablet in an upright position, using the grooves on the inside of the cover to secure it at your desired viewing angle. The non-slip design ensures stability.
3. **Adjust Angle:** The stand supports multiple angles for comfortable viewing of videos, reading, or typing.

3.2. Smart Sleep Mode

This case supports the tablet's smart sleep/wake function. Closing the cover will automatically put your tablet to sleep, and opening it will wake it up, conserving battery life.

4. MAINTENANCE AND CARE

To ensure the longevity and appearance of your YANMONGI tablet case, follow these maintenance guidelines:

- **Cleaning:** Wipe the case with a soft, damp cloth. For stubborn stains, a mild soap solution can be used. Avoid harsh chemicals or abrasive cleaners.
- **Drying:** Allow the case to air dry completely before re-installing your tablet.
- **Storage:** Store the case in a cool, dry place away from direct sunlight and extreme temperatures when not in use.
- **Avoid Sharp Objects:** Prevent contact with sharp objects to avoid scratches or damage to the case material.

Image 5: Visual representation of the case's protective qualities, including shock absorption, water resistance (splash-proof), anti-fingerprint surface, and smart sleep mode compatibility.

5. TROUBLESHOOTING

If you encounter any issues with your YANMONGI tablet case, consider the following:

- **Case Does Not Fit:** Ensure your tablet model is one of the compatible devices: Headwolf FPad7, FPad6, or Alphawolf APad2 (8.4-inch). This case is specifically designed for these models.
- **Buttons Not Responsive:** Verify that the tablet is correctly seated within the case and that the case's button covers are aligned with the tablet's buttons.
- **Stand Instability:** Ensure the tablet is placed firmly into the non-slip grooves of the stand. Adjust the angle if necessary.
