GAOMON Folding Dining Table

GAOMON Folding Dining Table Instruction Manual

Model: Folding Dining Table

1. PRODUCT OVERVIEW

The GAOMON Folding Dining Table is a versatile and space-saving furniture solution designed for modern living. It features a drop-leaf design, allowing it to be fully folded for compact storage or fully extended to accommodate 4-6 people. Integrated storage shelves and universal wheels with brakes enhance its functionality and mobility.

Key Features:

- **Folding Design:** Maximizes space in small apartments or limited areas.
- **Durable Construction:** Thickened tabletop supports up to 150 pounds, ensuring stability.
- **2-Tier Storage Rack:** Provides convenient storage for kitchen items, office supplies, or other essentials.
- **6 Universal Wheels:** Allows for easy movement and secure locking with integrated brakes.
- **Easy Assembly:** Designed for straightforward installation.

2. PACKAGE CONTENTS

Before beginning assembly, please ensure all parts are present and undamaged. Refer to the included assembly guide for a detailed list of components.

- Tabletop sections (main and drop leaves)
- Support frames/legs
- Storage shelves
- 6 Universal wheels with brakes
- Hardware pack (screws, bolts, connectors)
- Assembly Guide

3. SETUP AND ASSEMBLY

Assembly of the GAOMON Folding Dining Table is designed to be straightforward. Please follow the step-by-step instructions provided in the dedicated Assembly Guide included in your package. Below are general guidelines and important considerations.

3.1 Pre-Assembly Checklist

- Clear a spacious area for assembly.
- Lay out all components and hardware.
- Ensure you have the necessary tools (typically a screwdriver).

3.2 Assembly Steps (General)

1. Attach the universal wheels to the base of the main table structure. Ensure brakes are disengaged during attachment.
2. Assemble the central storage unit, including the 2-tier shelves.
3. Connect the main tabletop section to the central storage unit.
4. Attach the drop leaves to the main tabletop using the provided hinge mechanisms.
5. Secure all connections firmly, but do not overtighten screws.

Space-Saving Design

4. OPERATING INSTRUCTIONS

4.1 Extending the Tabletop

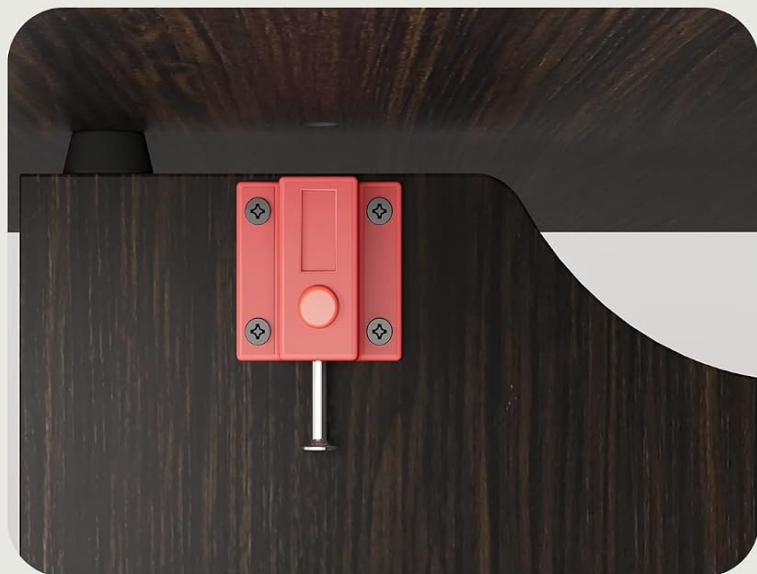

1. Ensure the table's wheels are locked if you do not intend to move it.
2. Gently lift one of the drop leaves.
3. Pull out the support mechanism located underneath the leaf until it is fully extended and locked into place.
4. Carefully lower the drop leaf onto the extended support.
5. Repeat for the other drop leaf if full extension is desired.

4.2 Folding the Tabletop

1. Lift the drop leaf slightly.
2. Push the support mechanism back underneath the main tabletop until it is fully retracted.
3. Gently lower the drop leaf to its vertical, folded position.

4. Repeat for the other drop leaf.

4.3 Using the Wheels and Brakes

- To move the table, ensure all wheel brakes are disengaged.
- To secure the table in place, press down on the brake levers on each wheel until they are locked.

5. MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your GAOMON Folding Dining Table.

- **Cleaning:** Wipe the table surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Clean spills immediately to prevent staining or damage to the engineered wood.
- **Hardware:** Periodically check all screws and connections to ensure they remain tight. Retighten as necessary to

maintain stability.

- **Weight Capacity:** Do not exceed the maximum weight capacity of 150 lbs for the tabletop and 30 lbs for each shelf.

6. TROUBLESHOOTING

If you encounter issues with your GAOMON Folding Dining Table, refer to the following common solutions:

Problem	Possible Cause	Solution
Table feels unstable or wobbly.	Loose hardware; uneven floor; wheels not locked.	Ensure all assembly screws are tightened. Verify all 6 universal wheels are locked when the table is stationary. Place the table on a flat, even surface.
Drop leaves do not extend or fold smoothly.	Obstruction in the mechanism; hinges need lubrication.	Check for any debris or objects obstructing the support mechanism. Apply a small amount of silicone-based lubricant to the hinges if they are stiff.
Wheels do not roll freely or lock properly.	Debris in wheels; brake mechanism stuck.	Clean any hair or debris from the wheel casters. Ensure the brake lever is fully engaged or disengaged.

If you continue to experience issues, please contact GAOMON customer support for assistance.

7. SPECIFICATIONS

Feature	Detail
Model Number	Folding Dining Table
Brand	GAOMON
Color	Dark Walnut
Material	Engineered Wood
Dimensions (Fully Extended)	47.2"D x 23.6"W x 29.5"H
