2. Product Overview

Key Features:

- **Hooded Design:** Integrated hood for privacy and light blocking.
- **Cooling Ice Silk Fabric:** Breathable material designed to wick away moisture.
- **Premium Memory Foam:** Slow-rebound foam conforms to neck and shoulders for support.
- **Ergonomic Design:** Provides 360° support for chin, neck, and head.
- **Adjustable Clasp:** For a secure and customized fit.
- **Removable & Washable Cover:** Easy to clean for hygiene.
- **Lightweight & Portable:** Designed for easy transport and attachment to luggage.

3. Setup

The BLACK+DECKER Hooded Memory Foam Neck Pillow requires minimal setup. It is ready for use directly out of its packaging.

Initial Use:

1. Remove the neck pillow from its packaging.
2. Allow the memory foam to fully expand if it appears compressed from shipping. This may take a few minutes.
3. Inspect the pillow for any damage or defects before first use.

Portability:

The pillow is designed for easy transport. It can be attached to luggage or backpacks using its adjustable clasp.

Image 3.1: The neck pillow shown attached to both a backpack and a rolling suitcase, illustrating its convenient portability for travel.

4. Operating Instructions

To use your BLACK+DECKER Hooded Memory Foam Neck Pillow:

1. Position the pillow around your neck with the open end facing forward.
2. Adjust the clasp at the front to secure the pillow comfortably around your neck. Ensure it is snug but not too tight.
3. Pull the integrated hood over your head for added privacy, warmth, or to block out light, as desired.
4. Adjust your head and neck position to find the most comfortable support from the memory foam.

Ergonomic Support Areas:

- **Chin Support Area:** Prevents head from falling forward.
- **Neck Support Area:** Cradles the back and sides of the neck.
- **Head Support Area:** Provides support for the back of the head, especially when leaning back.

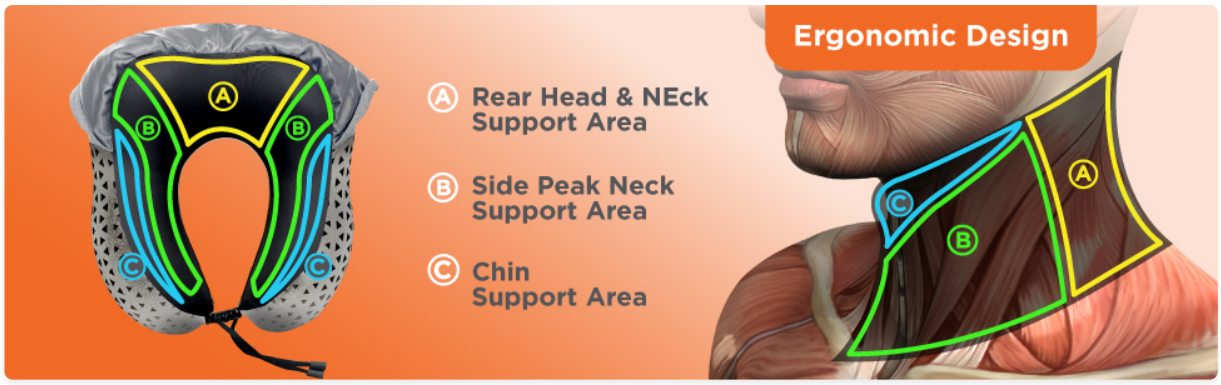

Image 4.1: A visual representation of the pillow's ergonomic design, highlighting the specific areas that provide support for the chin, neck, and head.

Image 4.2: Examples of the neck pillow being used in different environments, including an office, car, airplane, and train, demonstrating its versatility.

5. Maintenance and Care

Proper care will extend the life and maintain the hygiene of your neck pillow.

Cleaning Instructions:

- The pillow features a removable cover for easy cleaning.
- To remove the cover, locate the zipper and carefully unzip it.
- **Cover:** Hand wash the cover only. Use mild detergent and cold water. Do not bleach. Air dry flat. Do not tumble dry.
- **Memory Foam Core:** The memory foam core is not washable. If it becomes soiled, spot clean gently with a damp cloth and mild soap. Allow to air dry completely before reinserting into the cover. Do not submerge in water.

Storage:

Store the pillow in a clean, dry place away from direct sunlight and extreme temperatures when not in use.

Image 5.1: A detailed view of the neck pillow, illustrating its dimensions, the removable cover feature, the adjustable clasp, and the breathable fabric.

6. Troubleshooting

If you encounter any issues with your neck pillow, refer to the following common solutions:

- **Pillow feels too firm/soft:** Memory foam density is fixed. Allow a few uses for the foam to adapt to your body temperature and shape.
- **Pillow does not fit comfortably:** Adjust the front clasp to loosen or tighten the fit around your neck. Ensure the pillow is centered.
- **Hood feels too tight/loose:** The hood is designed for a universal fit. Adjust its position on your head

for optimal comfort.

- **Pillow has an odor:** New memory foam products may have a slight odor upon unboxing. This is normal and will dissipate within a few days of airing out in a well-ventilated area.
