SOUNDOFF V3

SOUNDOFF Noise Masking Earbuds User Manual

Model: V3 | Brand: SOUNDOFF

Introduction

About Your SOUNDOFF Earbuds

Experience deep, uninterrupted sleep with SOUNDOFF Noise Masking Earbuds. Engineered with advanced noise-masking technology and proprietary Pink Noise, these earbuds are designed to effectively block disruptive sounds like snoring, ensuring a peaceful sleep environment. Their comfortable, EMF-free design makes them ideal for all-night wear.

Key Features

- **Advanced Noise-Masking Technology:** Combines passive and active noise masking with proprietary Pink Noise to block snoring and other disruptive sounds.
- **Unmatched Comfort:** Soft foam ear tips and flexible ear hoops ensure a secure and comfortable fit for all-night wear, even for side sleepers.
- **Extended Battery Life:** Up to 16 hours on a single charge, with a travel/charging case providing an additional 168 hours of backup battery.
- **EMF-Free Design:** Prioritizes your health with no harmful EMF radiation, Bluetooth, or wireless connectivity.
- **Scientifically Optimized Pink Noise:** Developed by a PhD in Psychoacoustics, the Pink Noise replaces unwanted sounds with soothing, natural sounds for better sleep.

Product Components

What's Included

Your SOUNDOFF Noise Masking Earbuds package includes the following items:

- SOUNDOFF Noise Masking Earbuds (Left and Right)
- Portable Charging Case
- Assorted Sizes of Soft Foam Ear Tips
- USB Charging Cable
- User Manual (this document)

Setup Guide

1. Initial Charging

Before first use, fully charge your SOUNDOFF Earbuds and their charging case.

1. Place both earbuds into the charging case, ensuring they are properly seated.
2. Connect the charging case to a USB power source using the provided USB cable.
3. The indicator lights on the charging case will show charging status. A full charge typically takes approximately 2 hours.

Image: A man sleeping comfortably with SOUNDOFF Earbuds, illustrating the long battery life of 16 hours on a single charge and 168 hours with the charging case.

2. Selecting Ear Tips

Choose the ear tip size that provides the most comfortable and secure fit. A proper seal is crucial for effective noise masking.

1. Gently remove the pre-installed ear tips from the earbuds.
2. Select a different size from the provided assortment.
3. Carefully press the new ear tip onto the earbud nozzle until it is securely attached.

3. Wearing the Earbuds

The flexible ear hoops are designed to keep the earbuds securely in place throughout the night.

1. Identify the Left (L) and Right (R) earbuds.
2. Insert the foam ear tip into your ear canal.

3. Gently adjust the flexible ear hoop over the top of your ear until it rests comfortably and securely.
4. Ensure the earbud is snug but not causing discomfort.

Operating Instructions

Powering On/Off

SOUNDOFF Earbuds are designed for simplicity. They typically power on automatically when removed from the charging case and power off when returned.

- **To Power On:** Remove the earbuds from the charging case. They will automatically activate and begin playing Pink Noise.
- **To Power Off:** Place the earbuds back into the charging case. They will automatically power down and begin charging.

Volume Control

The earbuds feature convenient volume controls to adjust the intensity of the Pink Noise.

- Locate the volume control buttons on each earbud.
- Press the '+' button to increase the volume.
- Press the '-' button to decrease the volume.
- There are 8 adjustable volume levels to suit your preference and the ambient noise level.

Understanding Pink Noise

SOUNDOFF Earbuds utilize proprietary Pink Noise, a scientifically optimized sound frequency that helps mask disruptive noises and promote relaxation. Unlike white noise, Pink Noise has a deeper, more natural sound profile, often compared

to ocean waves or a soft breeze.

Image: SOUNDOFF Earbuds in their charging case, with text emphasizing that the product replaces unwanted sounds with proprietary Pink Noise, clinically proven for better sleep.

Maintenance and Care

Cleaning Your Earbuds

Regular cleaning ensures hygiene and extends the lifespan of your earbuds.

- Gently wipe the earbuds and charging case with a soft, dry, lint-free cloth.
- For ear tips, remove them from the earbuds and clean with a mild soap solution if necessary, then rinse thoroughly and allow to air dry completely before reattaching.
- Do not use harsh chemicals, abrasive materials, or immerse the earbuds or case in water.

Storage

When not in use, store your SOUNDOFF Earbuds in their charging case to protect them and keep them charged.

- Store in a cool, dry place, away from direct sunlight and extreme temperatures.

Troubleshooting

If you encounter any issues with your SOUNDOFF Earbuds, please refer to the following common solutions:

Problem	Possible Cause	Solution
Earbuds not powering on.	Low battery or not properly seated in case.	Ensure earbuds are fully charged. Place them firmly in the charging case and check charging indicator lights.
No sound or low sound.	Volume too low, ear tips not sealed, or earbud obstruction.	Increase volume using the '+' button. Adjust earbud position for a better seal. Check ear tips for debris and clean if necessary.
Earbuds feel uncomfortable or fall out.	Incorrect ear tip size or improper fit.	Try different sizes of foam ear tips to find the best fit. Adjust the flexible ear hoop for a more secure placement.
Charging case not charging.	Faulty cable or power source.	Try a different USB cable and power adapter. Ensure the cable is securely connected to both the case and the power source.
