smaate Watch Case for Motast Jugeman P99 1.96" Smart Watch Instruction Manual

1. INTRODUCTION

This instruction manual provides detailed guidance for the proper installation, use, and maintenance of your smaate Watch Case with Screen Protector. This product is designed to offer comprehensive protection for your compatible smartwatch, safeguarding its body and screen from scratches, impacts, and daily wear.

Please read this manual thoroughly before installation to ensure optimal performance and longevity of your watch case.

2. COMPATIBILITY

This smaate Watch Case is **exclusively designed for the Motast Jugeman P99 1.96" Smart Watch** It will not fit any other smartwatch models. Please verify your watch model number (P99 1.96") before attempting installation.

3. KEY FEATURES

- **All-in-one Protection:** Integrated bumper case and built-in screen protector safeguard both the watch body and screen simultaneously.
- **Durable Material:** Constructed from high-quality TPU plastic, offering robust protection against daily impacts.
- **Scratch-Resistant:** Designed to resist scratches from keys, coins, and other abrasive objects.
- **Anti-Shatter:** Provides an additional layer of defense against screen shattering from accidental drops.
- **High Transparency:** The TPU film screen protector maintains 99% clarity, ensuring an unobstructed view of your watch display.
- **High Sensitivity:** The screen protector allows for quick and responsive touch screen interaction without hindrance.

4. INSTALLATION GUIDE

Follow these steps to correctly install the smaate Watch Case onto your Motast Jugeman P99 1.96" Smart Watch:

1. **Prepare Your Watch:** Ensure your smartwatch is clean and free of dust, fingerprints, or smudges. Use a soft, lint-free cloth if necessary.
2. **Align the Case:** Hold the watch case and align it with your smartwatch. Ensure the cutouts for buttons and sensors on the case match those on your watch.
3. **Insert the Watch:** Gently push your smartwatch into the case. Start by inserting one side, then carefully work your way around until the watch is fully seated within the case. The flexible TPU material allows for easy insertion.
4. **Check Fit:** Once installed, ensure the case fits snugly around your watch and the screen protector lies flat against the watch screen without any bubbles or gaps. Verify that all buttons are accessible and functional.

Compatibility

Compatible with P99 1.96" Smart Watch

Only for P99 1.96". The smartwatch is not included.

5. OPERATION

After installation, your smartwatch will operate as usual. The integrated screen protector is designed to maintain the original touch sensitivity of your Motast Jugeman P99 1.96" Smart Watch. You can interact with the screen, access apps, and use all watch functions without any noticeable delay or reduction in responsiveness.

- **Touch Screen:** Use your finger to tap, swipe, and navigate the watch interface as you normally would.
- **Button Access:** The case features precise cutouts, ensuring full access to all physical buttons on your smartwatch.

Protect Watch's Body & Screen in sports

6. CARE AND MAINTENANCE

To ensure your smaate Watch Case remains in optimal condition and continues to protect your smartwatch effectively, follow these maintenance guidelines:

- **Cleaning:** Use a soft, damp cloth to wipe down the case and screen protector. For stubborn smudges, a small amount of mild soap can be used, followed by a rinse with clean water and thorough drying. Avoid harsh chemicals or abrasive materials.
- **Dust Removal:** If dust accumulates between the screen protector and the watch screen, carefully remove the case, clean both surfaces, and then re-install.
- **Avoid Extreme Conditions:** While durable, prolonged exposure to extreme temperatures or direct sunlight may affect the material's integrity over time.

7. TROUBLESHOOTING

Issue	Possible Cause	Solution
Case does not fit	Incorrect watch model.	Verify your smartwatch is the Motast Jugeman P99 1.96". This case is not compatible with other models.
Reduced touch sensitivity	Dust or moisture between screen and protector; improper installation.	Remove the case, clean both the watch screen and the inside of the protector thoroughly, then re-install ensuring a snug fit.
Case pops off easily	Improper installation; extreme impact.	Ensure the case is fully and correctly seated around the watch. While designed for protection, severe impacts can dislodge any case.
Bubbles under screen protector	Dust particles; improper installation.	Remove the case, clean the watch screen and the protector carefully to remove any dust, then re-install.
