Aoxun SG406BR01A-LH

Aoxun 8x5FT Grill Gazebo Instruction Manual

Model: SG406BR01A-LH | Brand: Aoxun

1. Important Safety Information

Please read and understand all instructions and warnings before assembly and use of this product. Failure to follow these instructions may result in injury or property damage.

- Assembly may require two or more people.
- Always secure the gazebo to a stable foundation to prevent tipping. Ground nails and expansion screws are provided for this purpose.
- Do not use in high winds or during thunderstorms. Disassemble or secure the gazebo appropriately during severe weather conditions.
- Keep children and pets away from the gazebo when in use or during assembly/disassembly.
- Ensure all fasteners are tightened securely before use.
- Regularly inspect the gazebo for any signs of wear, damage, or loose parts. Address any issues promptly.

2. Package Contents

Verify all components are present and undamaged before beginning assembly. Refer to the parts list provided in your physical manual for specific quantities and part numbers.

Figure 2.1: Product dimensions and key features. (8FT X 5FT)

- Aluminum Frame Components (posts, beams, supports)
- Polycarbonate Roof Panels (dual-layer)
- Side Shelves with Cutlery Hooks
- Hardware Kit (screws, nuts, washers, ground nails, expansion screws, tools)
- U-shaped and ?-shaped hooks for hanging accessories

3. Assembly Instructions

Follow the step-by-step instructions provided in your physical manual. The following videos offer visual guidance for key assembly stages. Ensure you have adequate space and assistance.

3.1 Unboxing and Initial Frame Assembly

Video 3.1: This video demonstrates the unboxing process and initial assembly of the gazebo frame, including connecting the main posts and beams. It highlights the organized packaging and labeled parts for easy identification.

3.2 General Gazebo Installation Steps

Video 3.2: This video provides a general guide for hardtop gazebo installation, covering various stages of construction. While it may feature a different model, the principles of connecting frame components and securing the structure are applicable.

Video 3.3: This installation guide focuses on a double-top gazebo, offering visual steps for assembling the roof structure and panels. It can be used as a reference for similar roof assembly processes.

Video 3.4: This assembly video for a 10x12 hardtop gazebo provides detailed visual instructions for constructing the frame and roof. Although the size differs, many assembly techniques are transferable to the 8x5FT model.

3.3 Attaching Side Shelves and Accessories

The gazebo includes two side shelves for convenience. Attach these securely to the main posts using the provided hardware. Utilize the integrated cutlery hooks for barbecue tools and the U-shaped/?-shaped hooks for hanging fans or lights.

Figure 3.1: Illustration of the two side shelves, providing ample space for barbecue accessories and ingredients.

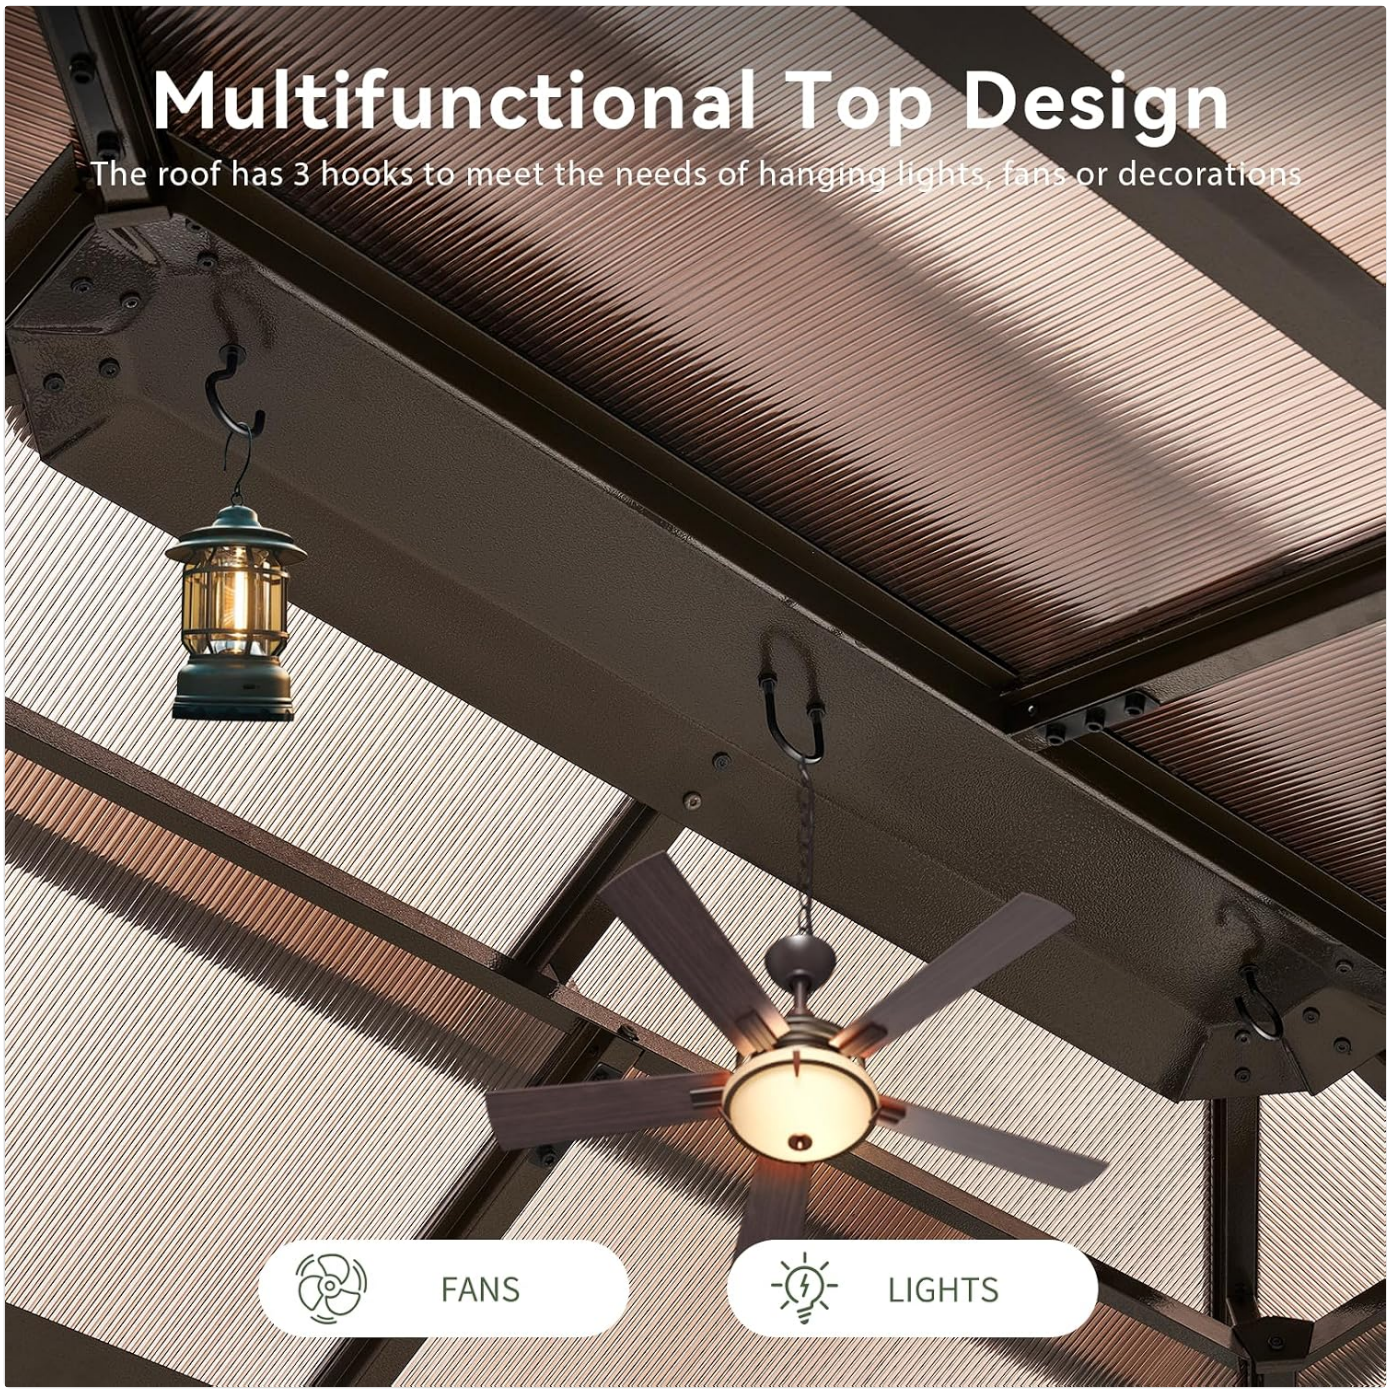

Figure 3.2: Close-up of the multifunctional top design, showing hooks for hanging lights, fans, or decorations.

4. Operating Instructions

The Aoxun Grill Gazebo is designed for outdoor use to provide shade and a dedicated space for grilling. No complex operating procedures are required.

- **Ventilation:** The dual-layer roof design ensures improved airflow and ventilation, making it comfortable for grilling.
- **Shelves:** Utilize the double-sided metal shelves for organizing barbecue accessories, plates, and ingredients.
- **Hooks:** Use the integrated hooks to hang barbecue tools, fans, or decorative lighting.

5. Maintenance

Regular maintenance will prolong the life and appearance of your Aoxun Grill Gazebo.

- **Cleaning:** Clean the frame and roof panels with mild soap and water. Avoid abrasive cleaners or harsh chemicals

that could damage the powder coating or polycarbonate.

- **Fasteners:** Periodically check all screws and bolts to ensure they are tight. Re-tighten if necessary.
- **Drainage:** The superior slope design helps rainwater drain quickly. Ensure gutters and drainage channels remain clear of debris.
- **Winterization:** While designed for all-weather use, consider removing any hanging accessories and ensuring the structure is clear of heavy snow accumulation to prevent damage.

6. Troubleshooting

If you encounter any issues with your gazebo, refer to the following common solutions:

- **Instability:** Ensure the gazebo is anchored to a stable foundation using the provided ground nails and expansion screws. Check that all frame connections are tight.
- **Water Accumulation:** Verify that the roof panels are correctly installed and that the slope drainage system is free from obstructions.
- **Missing Parts:** If you find any parts missing upon unboxing, contact Aoxun customer support immediately with your purchase details and the specific missing part numbers.
- **Damaged Parts:** Do not attempt to assemble with damaged parts. Contact customer support for replacements.

7. Specifications

Attribute	Detail
Brand	Aoxun
Model Number	SG406BR01A-LH
Product Dimensions	94.49"L x 62.99"W x 98.43"H (8 x 5 FT)
Item Weight	110.2 Pounds
Frame Material	Aluminum
Roof Material	Polypropylene (Polycarbonate)
Water Resistance Level	Waterproof
UV Protection	Yes
Assembly Required	Yes
Color	Brown

8. Warranty and Support

For warranty information, please refer to the documentation included with your product packaging. For any questions, missing parts, or technical support, please contact Aoxun customer service directly. Contact details are typically found in the product manual or on the manufacturer's official website.

Ask a question about this manual

Ask about setup, troubleshooting, compatibility, parts, safety, or missing instructions. Manuals+ will review the question and use this page's manual context to help answer it.
