3. Setup

3.1 Initial Cleaning

Before first use, and after every subsequent use, clean the device thoroughly with warm water and a mild, body-safe toy cleaner. Rinse well and pat dry with a lint-free cloth.

3.2 Charging the Device

The Mtsige Anal Plug is rechargeable via the included USB cable. Locate the charging port on the device (typically a small, discreet pinhole). Insert the charging cable. A full charge takes approximately 85 minutes and provides up to 45 minutes of continuous use.

4. Operating Instructions

4.1 Power On/Off

Press and hold the power button on the base of the device for a few seconds to turn it on or off. The device will indicate power status, often with a light.

4.2 Modes and Patterns

The Mtsige Anal Plug features 10 different frequencies for both rotation and vibration. The entire insertable shaft rotates 360 degrees, providing comprehensive stimulation. You can cycle through these modes using the button on the device or through the app.

5.2 Storage

Store the device in a clean, dry, and cool place, away from direct sunlight and extreme temperatures. Keep it separate from other toys made of different materials to prevent material degradation.

6. Troubleshooting

- **Device not turning on:** Ensure the device is fully charged. Connect it to the USB charger and wait for the charging indicator (if any) to confirm it's receiving power.
- **Vibrations/Rotations are weak or inconsistent:** The battery might be low. Recharge the device.
- **App connection issues:** Ensure Bluetooth is enabled on your smartphone and the device is within range. Restart both the app and the device. Refer to the app's help section for specific troubleshooting steps.
- **Charging not working:** Check if the USB cable is properly connected to both the device and the power source. Ensure the charging port is clean and free of debris.
