BYSAUD Castle Vanity Desk

BYSAUD Castle Vanity Desk with Mirror and Lights

Model: Castle Vanity Desk

1. IMPORTANT SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Retain this manual for future reference.

- Always follow the assembly instructions provided with the product.
- Keep electrical components, such as the charging station and LED lights, away from water and moisture.
- Exercise caution during assembly and use to avoid sharp edges and pinch points.
- Do not exceed the weight limit of the vanity desk or its shelves.
- Unplug the vanity from the power source when not in use or during cleaning.
- Ensure the anti-tipping device is properly installed and secured to prevent accidental tipping.

2. PRODUCT OVERVIEW

The BYSAUD Castle Vanity Desk is designed for makeup application and storage, featuring an integrated mirror with LED lighting, multiple storage compartments, and a built-in charging station. Its unique design includes retractable side cabinets for flexible placement.

Figure 2.1: Overview of the BYSAUD Castle Vanity Desk.

This vanity desk offers a spacious tabletop, four large-capacity drawers, fourteen open shelves, and four practical cabinets, including two with glass doors. The design prioritizes both aesthetics and functionality.

Figure 2.2: Detailed view of the vanity desk's storage features, including drawers, open shelves, and cabinets.

3. SETUP AND ASSEMBLY

The BYSAUD Castle Vanity Desk requires assembly. All necessary hardware and instructions are included. It is recommended to assemble the unit in the room where it will be used.

3.1 Unpacking and Component Identification

- Carefully unpack all components and hardware from the packaging.
- Verify that all parts are present by comparing them against the included parts list in the assembly manual. Each part and accessory is labeled.

- Place components on a soft, clean surface to prevent scratches during assembly.

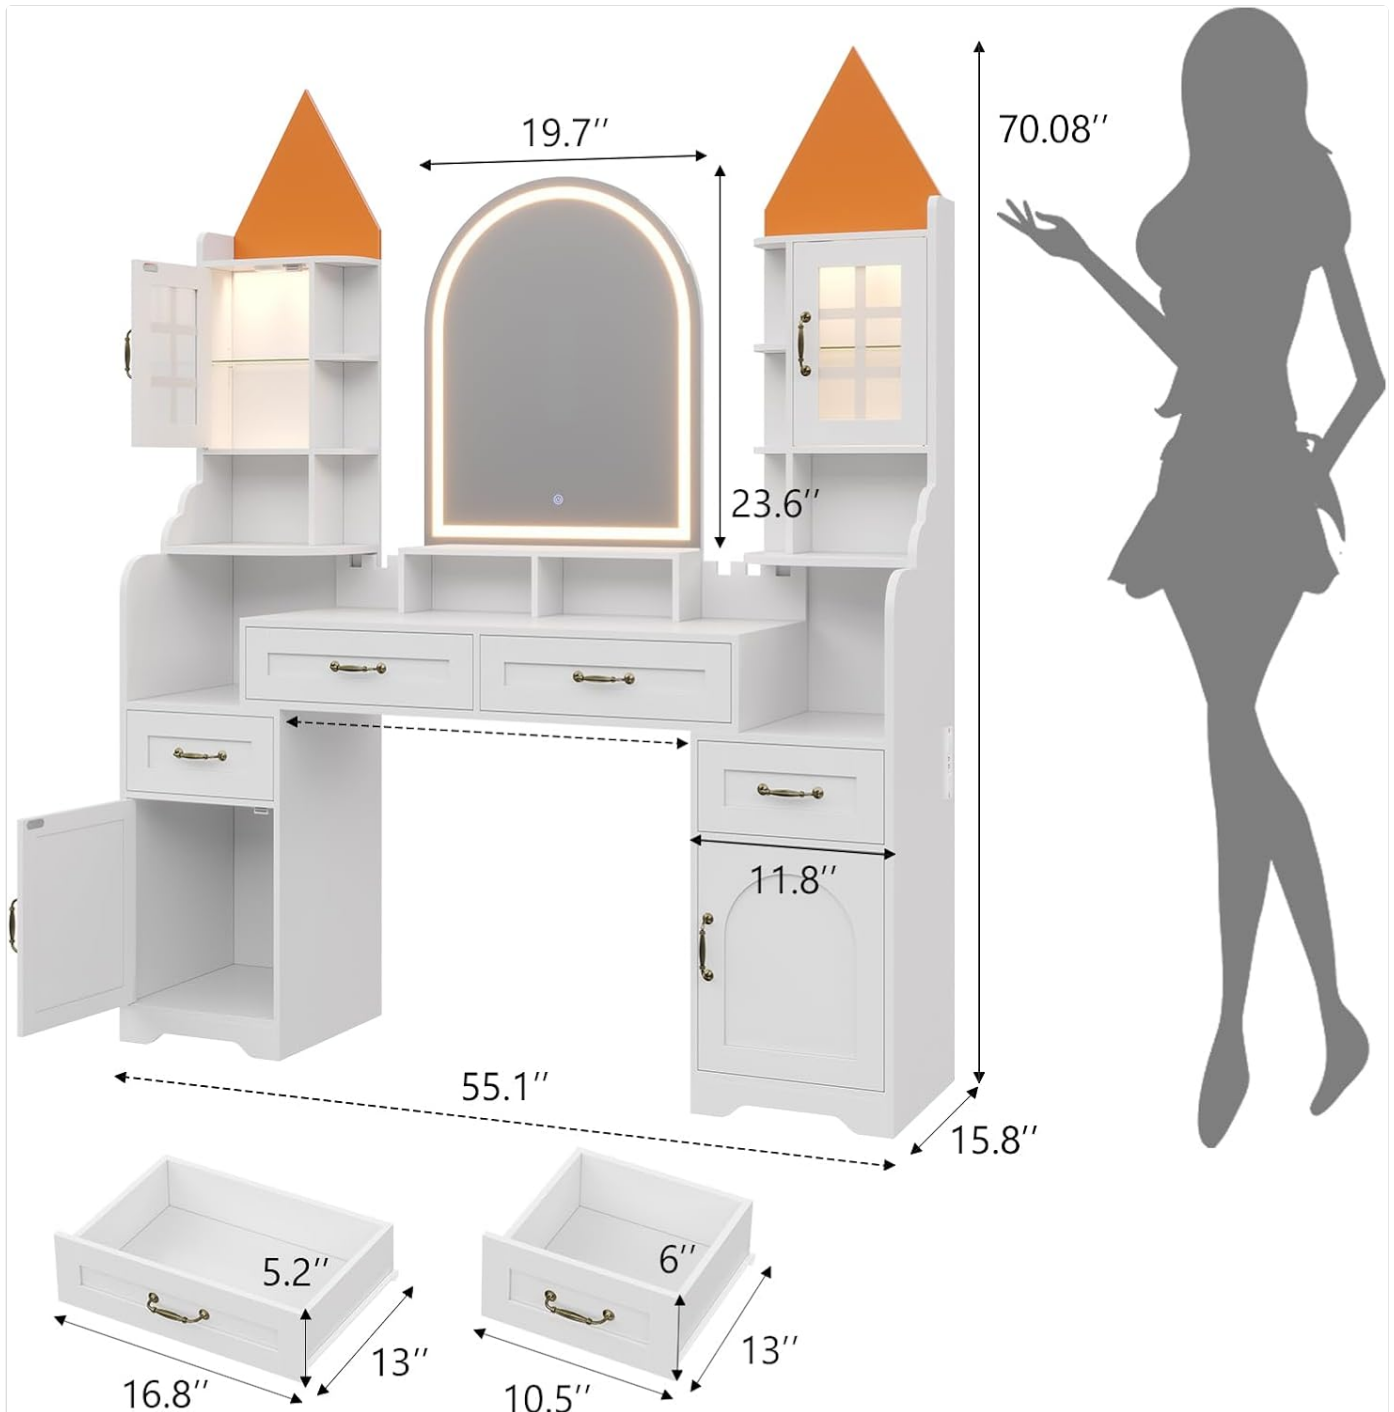

Figure 3.1: Dimensions and key components of the vanity desk.

3.2 Assembly Steps

Follow the step-by-step instructions provided in the separate assembly manual. General steps typically include:

1. Assemble the main desk frame.
2. Attach the side cabinets and drawers. Ensure drawers slide smoothly.
3. Install the mirror and its lighting components.
4. Secure the anti-tipping device to a wall stud to prevent the vanity from falling.
5. Connect the power cord for the LED lights and charging station.

3.3 Adjustable Cabinet Span

The side cabinets of the vanity desk are designed with an extendable feature, allowing the overall width to be adjusted

from approximately 3.61 feet (43.32 inches) to 4.59 feet (55.1 inches). This adjustability helps integrate the vanity with various room layouts.

4. OPERATING INSTRUCTIONS

4.1 LED Lighted Mirror

The large HD makeup mirror is equipped with LED lights offering three distinct color modes and adjustable brightness.

- **Power On/Off:** Locate the touch sensor on the mirror surface to turn the lights on or off.
- **Change Color Mode:** Tap the touch sensor to cycle through the three color modes: Cool White, Natural Light, and Warm Yellow.

- **Adjust Brightness:** Press and hold the touch sensor to adjust the brightness level within the selected color mode. Release when the desired brightness is achieved.

4.2 RGB Ambient Lighting (Glass Door Cabinets)

The two cabinets with glass doors feature RGB LED strips, offering a wide range of static light colors and dynamic modes.

- **Control:** The RGB lighting can be controlled via a dedicated key or through a smartphone application.
- **Color Selection:** Choose from over 60,000 static light colors.
- **Brightness Adjustment:** Adjust the intensity of the RGB lights.
- **Dynamic Modes:** Includes Music Mode (lights react to sound), Mic Mode (lights react to voice), and a Timing Function for scheduled operation.

4.3 Built-in Charging Station

The vanity desk includes a convenient charging station to power your electronic devices.

- **AC Outlets:** Two standard 125V/12A AC outlets are provided for appliances like hair dryers or curling irons.
- **USB Ports:** Two 5V/2.1A USB ports are available for charging mobile devices such as smartphones or tablets.
- **Power Cord:** The charging station is connected via a 5.91-foot power cord.

5. MAINTENANCE

Proper care and maintenance will ensure the longevity of your vanity desk.

- **Cleaning:** The desk is made of high-quality MDF board, which is waterproof and scratch-resistant. Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Mirror Cleaning:** Use a glass cleaner specifically designed for mirrors and a lint-free cloth to clean the mirror surface.
- **Drawer Slides:** The drawers are equipped with high-quality slides. If they become stiff, a small amount of silicone-based lubricant can be applied.

- **Electrical Components:** Ensure all electrical connections are secure. Do not attempt to repair electrical components yourself. Contact qualified personnel if issues arise.

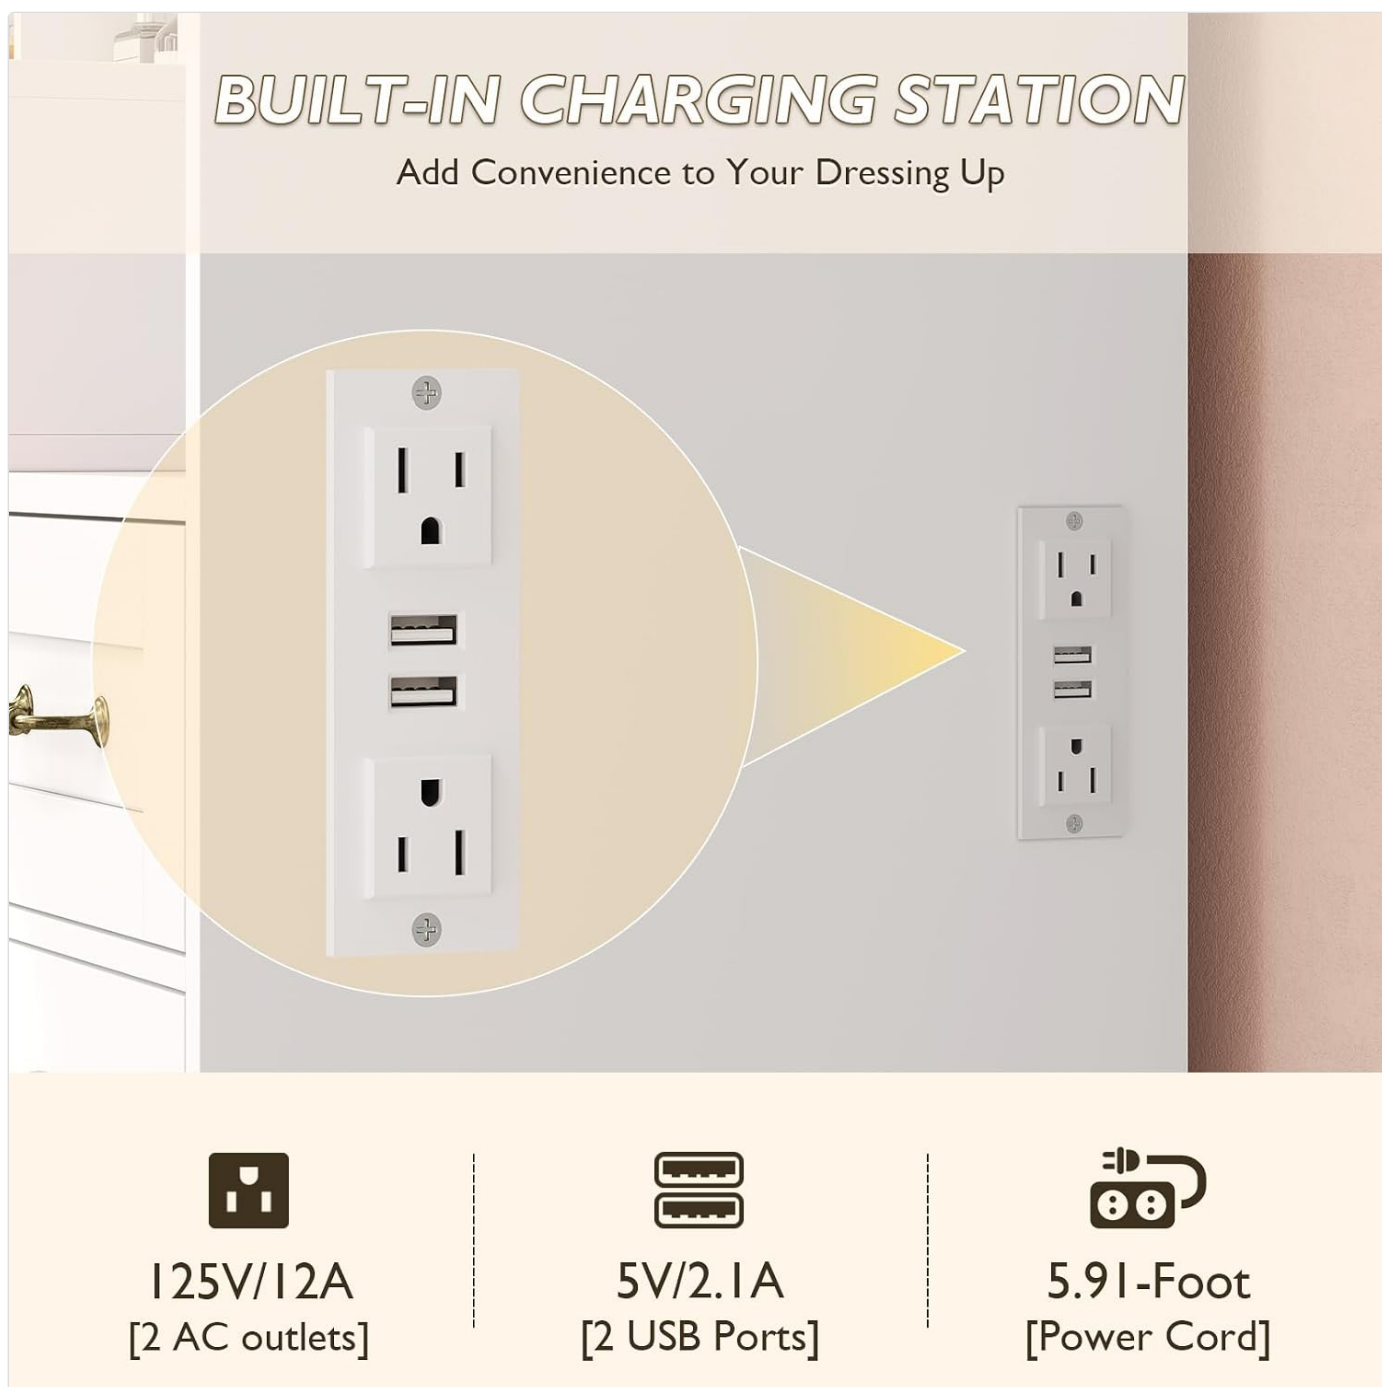

Figure 5.1: Details of construction, including drawer slides and adjustable shelves.

6. TROUBLESHOOTING

This section addresses common issues you might encounter.

- **LED Mirror Lights Not Working:**
 - Ensure the vanity is properly plugged into a working power outlet.
 - Check if the power cord is securely connected to the vanity.

- Verify that the touch sensor on the mirror is clean and unobstructed.

- **RGB Cabinet Lights Not Functioning:**

- Confirm the vanity is powered on.
- Check the connection of the RGB light strips.
- If using the app, ensure your device is properly paired and within range.

- **Charging Station Not Providing Power:**

- Ensure the vanity is plugged in and receiving power.
- Test the outlet with another device to confirm it is functional.
- Check the device you are trying to charge to ensure it is working correctly.

- **Drawers Sticking or Not Sliding Smoothly:**

- Ensure the drawers are not overloaded.
- Check for any obstructions in the drawer slides.
- Apply a small amount of silicone lubricant to the slides if necessary.

If you encounter issues not covered here, please refer to the original assembly manual or contact customer support.
