Moimhear WX001036

Moimhear Loft Bed with Desk, Storage Stairs, and Ambient Lighting

Model: WX001036 | **Brand:** Moimhear

1. PRODUCT OVERVIEW

The Moimhear Loft Bed is designed to maximize space efficiency and functionality in your room. It features a robust metal and MDF construction, integrating a comfortable sleeping area with a dedicated workspace, ample storage, and ambient lighting.

- **Durable Construction:** Combines sturdy metal and high-quality MDF for stability and longevity.
- **Integrated Workspace:** Includes a desk with ambient lighting, featuring a light bar next to the desk and a pink light bar underneath, creating an illuminated area for study or work.
- **Innovative Storage Stairs:** Designed to maximize space utilization, providing practical storage compartments within the staircase.
- **High-Capacity Wardrobe:** Offers significant space for organizing clothing across all seasons.
- **Multifunctional Shelves:** Open shelves allow for personalized storage and display of items.

2. SAFETY INFORMATION

- **Maximum Weight Capacity:** The bed is designed to support a maximum weight of **113 kg (250 lbs)**. Do not exceed this limit.
- **Assembly Caution:** Exercise extreme caution during assembly to prevent injuries. It is recommended that two adults assemble this product.
- **Mattress Thickness:** A mattress with a thickness between **10-15 cm (4-6 inches)** is recommended for optimal safety and comfort. (Mattress not included).
- **Regular Inspection:** Periodically check all bolts, screws, and connections to ensure they are tight and secure.
- **No Jumping:** Do not jump on the bed.
- **Room Measurement:** Before purchase and assembly, measure your room dimensions to ensure adequate space.

3. PACKAGE CONTENTS

The Moimhear Loft Bed is shipped in **4 separate packages**. Due to logistics, these packages may not arrive simultaneously. Please wait patiently for all packages to be delivered before beginning assembly.

Upon receipt, carefully unpack all components and verify against the parts list provided in the separate assembly manual (not included in this document). Typical components include:

- Metal bed frame components
- MDF panels for desk, wardrobe, and shelves
- Storage stair components
- Ambient lighting system (LED strips)
- Remote control for ambient lighting
- Hardware pack (screws, bolts, connectors, tools)

4. SETUP AND ASSEMBLY

Assembly of the Moimhear Loft Bed is required. Please follow the detailed instructions provided in the separate assembly manual included with your product. The following general guidelines apply:

1. **Preparation:** Clear a spacious area for assembly. Ensure all packages have arrived and all parts are present and undamaged.
2. **Tools:** Use the provided tools or your own appropriate tools as specified in the assembly manual.
3. **Teamwork:** Assembly is significantly easier and safer with two adults.
4. **Step-by-Step:** Follow the assembly manual's steps precisely. Do not skip steps or overtighten screws until instructed.
5. **Safety First:** Always prioritize safety. Keep small parts away from children.

5. OPERATING INSTRUCTIONS (AMBIENT LIGHTING)

The Moimhear Loft Bed includes an ambient lighting system with a remote control for easy operation.

1. **Power Connection:** Ensure the LED light strips are correctly connected to the power adapter and plugged into a functional power outlet.
2. **Remote Control:** The ambient lighting is controlled via the provided remote.
3. **Power On/Off:** Press the **ON/OFF** button to turn the lights on or off.
4. **Color Selection:** Use the color buttons on the remote to select your desired light color.
5. **Brightness Adjustment:** Adjust the brightness using the **Brightness Up/Down** buttons.
6. **Mode Selection:** Some remotes may offer various lighting modes (e.g., flash, fade, strobe). Refer to the remote's specific instructions for these functions.

Image 5.1: Desk area with ambient lighting.

6. MAINTENANCE

- **Cleaning:** Wipe metal and MDF surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Hardware Check:** Periodically (e.g., every 3-6 months) inspect all bolts, screws, and connections. Tighten any that have become loose to maintain structural integrity.
- **Light System:** Keep the LED strips and remote control dry. If the remote stops working, check and replace its battery.
- **Avoid Overloading:** Do not overload shelves, wardrobe, or the bed itself beyond the specified weight capacity.

7. TROUBLESHOOTING

- **LED Lights Not Working:**

- Check if the power adapter is securely plugged into both the light strip and the wall outlet.
- Ensure the remote control has a working battery and is pointed directly at the receiver.
- Inspect the LED strip for any visible damage or loose connections.

• **Missing Parts:**

- Verify all 4 packages have been received.
- Carefully check all packaging materials for small parts that might be overlooked.
- If parts are still missing, contact Moimhear customer support with your model number and a list of required parts.

• **Bed Feels Unstable:**

- Re-check all assembly steps in the manual to ensure correct installation.
- Tighten all bolts and screws.
- Ensure the bed is placed on a flat, level surface.

• **Color Differences:**

- Product images are taken under specific lighting conditions. Minor color variations between the product and images may occur due to lighting, screen settings, or other environmental factors.
