GTRACING GTP200-140

GTRACING GTP200-140 55-Inch Gaming Desk User Manual

Model: GTP200-140 | Brand: GTRACING

INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, maintenance, and troubleshooting of your GTRACING GTP200-140 55-Inch Gaming Desk. Please read this manual thoroughly before assembly and use to ensure proper function and longevity of your product.
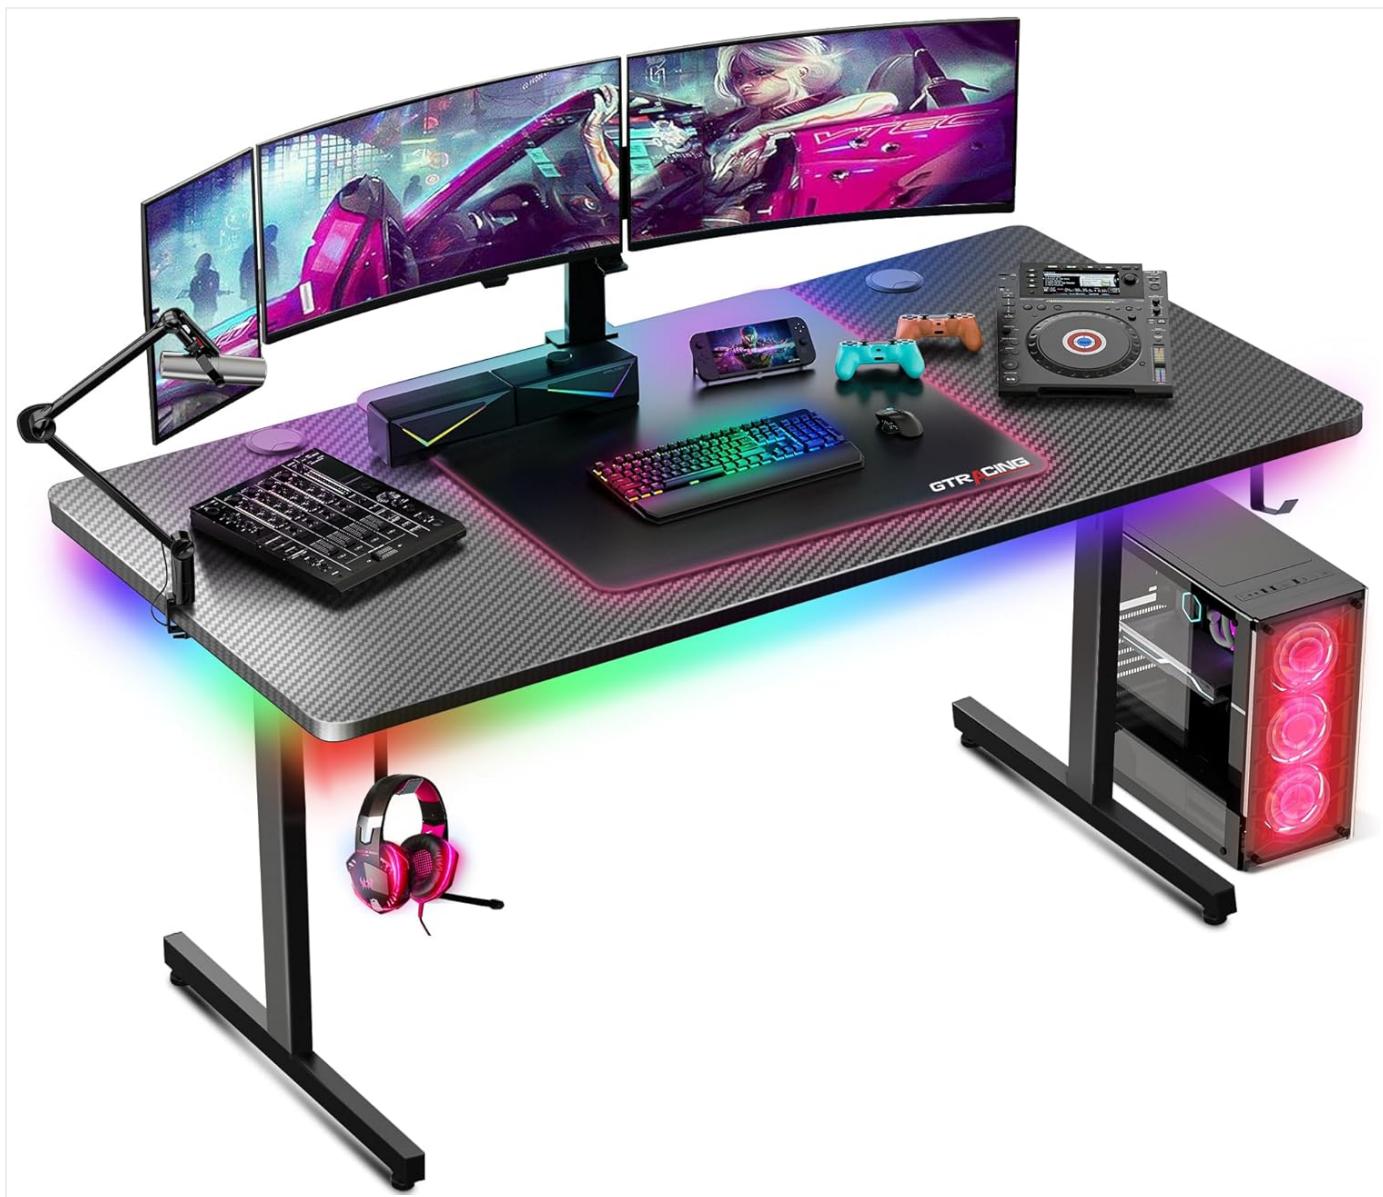

Image: The GTRACING 55-inch gaming desk, fully set up with gaming peripherals and illuminated LED lights.

Safety Information

- **Maximum Weight Capacity:** Do not overload the desk with more than 300 pounds (136 kg). Exceeding this limit may cause structural damage or injury.
- Ensure all screws and fasteners are securely tightened during assembly and periodically check for looseness.
- Keep small parts away from children during assembly to prevent choking hazards.
- Avoid placing hot items directly on the desk surface without protective padding.
- Do not stand or sit on the desk.

Package Contents

Before beginning assembly, verify that all components are present and undamaged. Refer to the included parts list in your packaging for a complete inventory.

- Desktop Surface (Carbon Fibre)
- Desk Legs (T-Shaped Metal Base)
- Support Beams and Brackets
- LED Light Strip

- Full-Surface Mouse Pad

- Headphone Hook

- Assembly Hardware (Screws, Allen Wrench, etc.)

- Instruction Manual

ASSEMBLY INSTRUCTIONS

Follow these steps carefully to assemble your GTRACING gaming desk. It is recommended to have two people for certain assembly steps.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.

2. **Attach Leg Frames:** Secure the T-shaped metal leg frames to the underside of the desktop using the provided screws. Ensure all connections are firm.

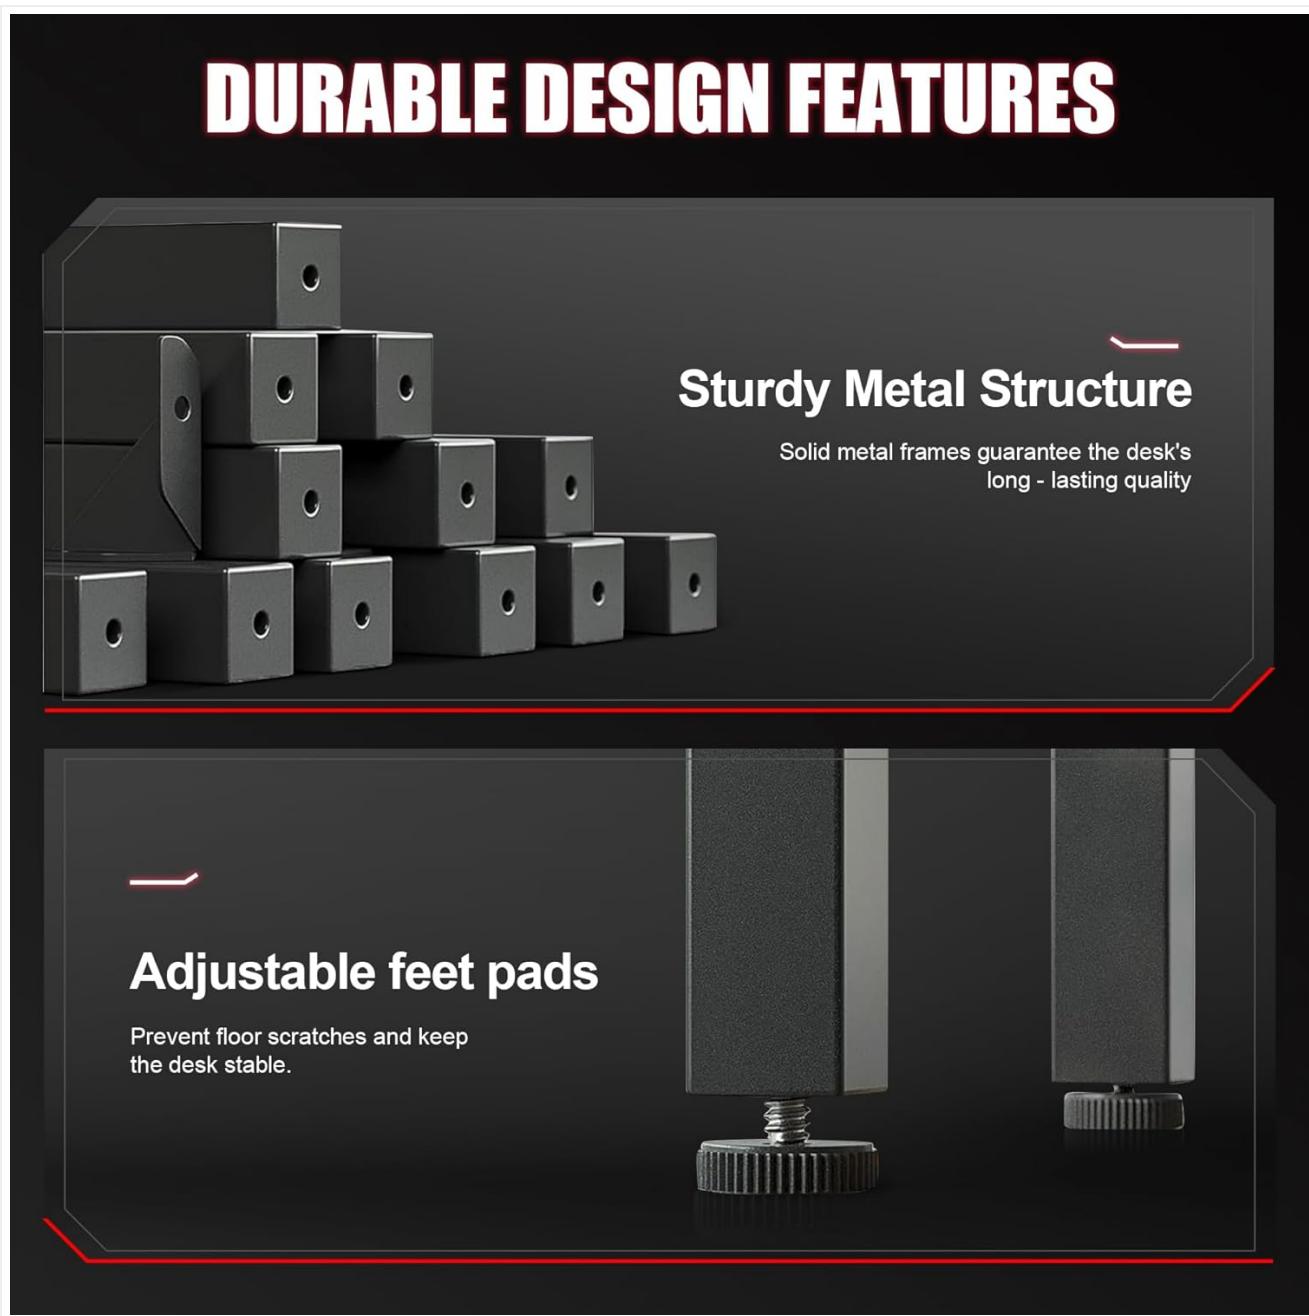

Image: Illustration of the desk's sturdy metal frame construction, highlighting its durability.

3. **Install Adjustable Feet:** Screw the adjustable feet pads into the bottom of the leg frames. These help stabilize the

desk on uneven surfaces and protect your floor.

Image: Detail of the adjustable feet pads designed to prevent scratches and ensure stability.

4. **Attach Headphone Hook:** Locate the designated mounting points and attach the headphone hook to the underside of the desk.

5. **Apply Mouse Pad:** Carefully place the full-surface mouse pad onto the desktop. Ensure it is aligned properly.

6. **Install LED Light Strip:** Adhere the LED light strip to the designated area on the desk. Connect it to the power source as instructed in the LED lighting section.

7. **Cable Management:** Utilize the integrated wire holes to route and manage your cables for a tidy setup.

OPERATING INSTRUCTIONS

LED Lighting System

The GTRACING gaming desk features integrated LED lights to enhance your environment. The LED strip is typically controlled via a remote or an application, depending on the specific model variant.

- **Power On/Off:** Connect the LED light strip to a suitable power source. Use the provided remote control or app to turn the lights on or off.
- **Color Selection:** Choose from a variety of colors to customize your lighting ambiance.
- **Brightness Adjustment:** Adjust the brightness level to your preference.
- **Scene Modes:** Select from pre-programmed scene modes for dynamic lighting effects.

Using the Mouse Pad and Headphone Hook

- **Mouse Pad:** The full-surface mouse pad provides a smooth and consistent tracking surface for your mouse. Ensure it is kept clean for optimal performance.
- **Headphone Hook:** Use the integrated headphone hook to store your headphones conveniently and keep your desktop clear.

MAINTENANCE

Regular maintenance will help preserve the appearance and functionality of your GTRACING gaming desk.

- **Cleaning the Desktop:** Wipe the carbon fiber surface with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Cleaning the Mouse Pad:** The mouse pad can be gently wiped with a damp cloth. For deeper cleaning, consult the mouse pad's specific care instructions if available.

- **Frame Maintenance:** Periodically check all screws and bolts for tightness and re-tighten if necessary to maintain stability.
- **LED Lights:** Ensure the LED strip and its connections are free from dust and debris. Do not attempt to repair the LED strip yourself if it malfunctions; contact customer support.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Desk is wobbly or unstable.	Loose assembly screws; uneven floor.	Check and tighten all assembly screws. Adjust the leveling feet at the bottom of the desk legs until stable.
LED lights are not working.	Power connection issue; faulty LED strip or controller.	Ensure the LED strip is properly connected to its power source and the outlet. Check the remote control battery. If issues persist, contact customer support.
Mouse pad is not flat or has creases.	Improper placement; new product settling.	Re-position the mouse pad carefully. Over time, minor creases should flatten out. Avoid folding the mouse pad.

PRODUCT SPECIFICATIONS

Feature	Detail
Model Number	GTP200-140
Brand	GTRACING
Product Dimensions (D x W x H)	23.62"D x 55.11"W x 29.52"H (60cm x 140cm x 75cm)
Desktop Material	FSC-Certified Wood with Carbon Fibre Surface
