3. OPERATING INSTRUCTIONS

3.1 Wireless CarPlay & Android Auto

Connect your iPhone or Android phone to the car radio via Bluetooth to access Wireless CarPlay or Android Auto. This allows you to use smart voice assistants, get directions, make calls, send/receive messages, and enjoy music directly from your phone on the stereo's display.

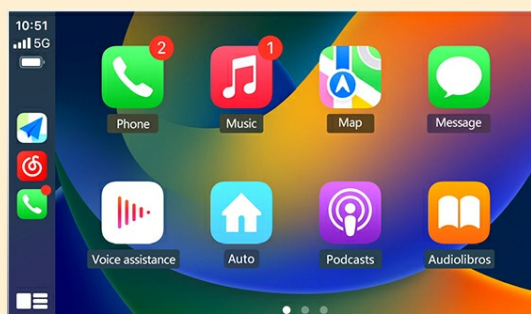

Wireless Carplay, Wired Andriod Auto

3.4 EQ & FM/AM Radio

The built-in equalizer (EQ) allows you to fine-tune audio settings for an immersive listening experience. Access FM/AM radio for real-time traffic, news, and weather updates.

Figure 12: FM Radio Interface

3.5 Split Screen Functionality

The split-screen feature allows you to run and display two applications simultaneously, such as navigation and music playback, without interrupting either function.

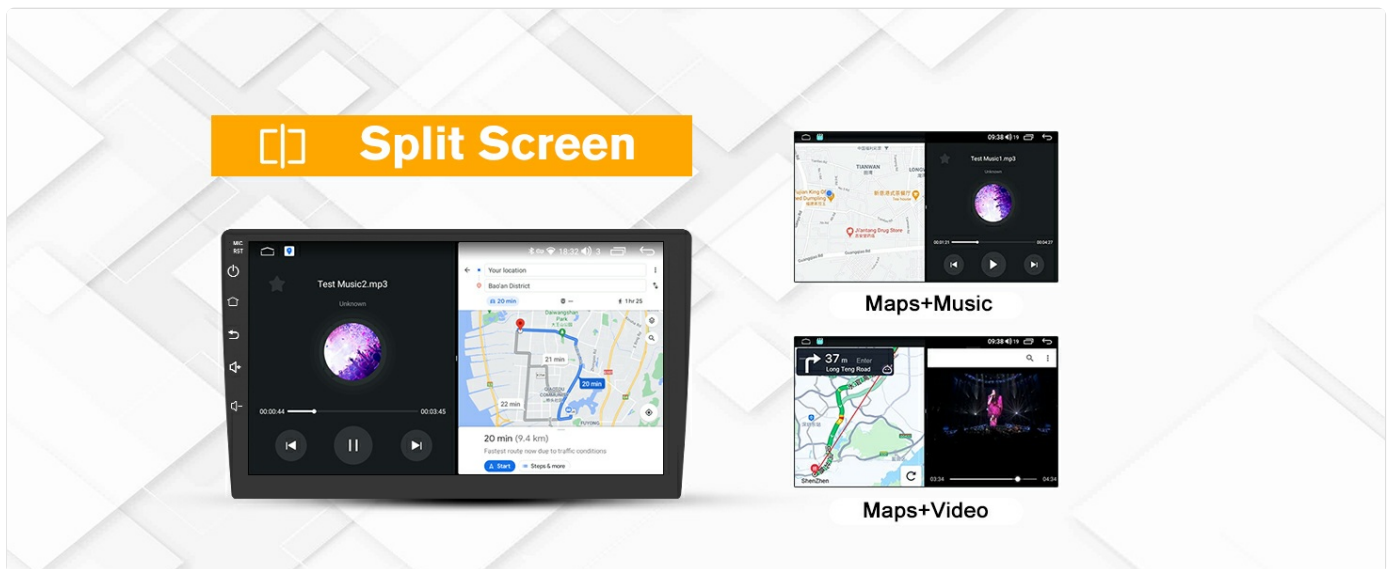

Figure 13: Split Screen Display

3.6 Steering Wheel Control (SWC)

The unit supports your original steering wheel controls, allowing for convenient and safe operation of the car radio without taking your hands off the wheel.

3.7 Built-in Digital Sound Processor (DSP)

The integrated DSP allows for advanced audio customization, providing enhanced sound quality and control over various audio parameters.

Figure 15: Built-in DSP Interface

3.8 Backup Camera (Optional)

If a backup camera is connected (sold separately), the stereo will automatically display the rear view when the vehicle is in reverse gear. The system supports dynamic trajectory, waterproof cameras, and a 140-degree viewing angle.

Screen Size	10 Inches
Display Resolution	1280*720 Ultra HD
Operating System	Android
Connectivity Technology	Bluetooth, 5G WiFi
Human-Interface Input	Touchscreen
Supported Navigation System	GPS (North America maps)
Item Weight	2.12 Kilograms
Warranty	1 year

5. MAINTENANCE

To ensure the longevity and optimal performance of your car radio stereo, follow these maintenance guidelines:

- **Cleaning the Screen:** Use a soft, lint-free cloth to gently wipe the touch screen. For stubborn smudges, slightly dampen the cloth with water or a screen-safe cleaner. Avoid harsh chemicals or abrasive materials.
- **Software Updates:** Periodically check for available software updates to ensure you have the latest features and performance enhancements. Refer to the device settings for update options.
- **Environmental Conditions:** Avoid exposing the unit to extreme temperatures, direct sunlight for prolonged periods, or excessive moisture.
- **Wiring Inspection:** Occasionally inspect visible wiring connections for any signs of wear or damage. If any issues are found, consult a professional for repair.

6. TROUBLESHOOTING

This section addresses common issues you might encounter. If you experience problems not covered here, please contact customer support.

Problem	Possible Cause	Solution
Unit does not power on	Loose power connection, blown fuse, vehicle battery issue	Check power cables and connections. Inspect vehicle fuses. Ensure car battery is charged.
No sound	Volume too low, mute activated, speaker wiring issue, incorrect audio source	Increase volume. Check if mute is active. Verify speaker connections. Select correct audio source.
Bluetooth not connecting	Bluetooth off on phone/stereo, device not in pairing mode, interference	Ensure Bluetooth is enabled on both devices. Put stereo in pairing mode. Move closer to the unit.
GPS signal lost or inaccurate	GPS antenna obstructed or disconnected, poor satellite reception	Ensure GPS antenna is properly installed and has a clear view of the sky. Check antenna connection.
Touch screen unresponsive	Software glitch, screen calibration issue, physical damage	Restart the unit. If issue persists, perform a factory reset (refer to settings). If still unresponsive, contact support.

7. WARRANTY AND SUPPORT

7.1 Product Warranty

This AWESAFE car radio stereo comes with a **1-year warranty** from the date of purchase, covering manufacturing defects. Please retain your proof of purchase for warranty claims. The warranty does not cover damage caused by improper installation, misuse, accidents, or unauthorized modifications.

7.2 Customer Support

For technical assistance, troubleshooting, or warranty inquiries, please contact AWESAFE customer support:
