Primal Queen 60 Count (Pack of 3)

Primal Queen Female-Optimized Beef Organ Superfood Supplement User Manual

Brand: Primal Queen

Model: 60 Count (Pack of 3)

INTRODUCTION

This manual provides essential information regarding the Primal Queen Female-Optimized Beef Organ Superfood Supplement. It covers product details, usage instructions, expected benefits, and important disclaimers to ensure proper and informed use.

PRODUCT OVERVIEW

The Primal Queen Female-Optimized Beef Organ Superfood Supplement is formulated for women, containing a blend of six beef organs: Liver, Kidney, Heart, Uterus, Fallopian Tubes, and Ovaries. These ingredients are sourced from 100% grass-fed and pasture-raised Argentinian cattle, free from antibiotics and hormones. The supplement is designed to support women's nutrition, hormone balance, and energy levels.

EXPECTED BENEFITS

Consistent use of Primal Queen may contribute to various health improvements. Individual results may vary.

- **1 Week:** Potential increase in energy, improved mood, and cognitive function due to Vitamin B12, Zinc, and Copper.
- **1 Month:** Possible reduction in iron deficiency, leading to increased vitality and overall well-being.
- **2 Months:** Abundance of B vitamins from beef organs may lead to better mood, higher energy, a healthier immune system, and decreased stress.
- **3 Months:** Consistent natural Vitamin A from beef organs may contribute to better skin health, delayed signs of aging, reduced acne, and improved vision.
- **6 Months:** The blend of vitamins, minerals, and amino acids found in beef organs may optimize for enhanced mental clarity, better muscle function, and improved recovery after physical activities.

- **12 Months:** Proteins impacting women's health may reach optimized levels which can result in optimal menstruation and menstrual flow, properly balanced hormones, and reduced menstrual cramps and hot flashes.

CLINICAL CITRUSLABS TESTED STUDY

Clinically Studied For Women

In a 12 week study, women taking Primal Queen reported:

- ✓ **68%** improved energy
- ✓ **40%** reduced hormonal imbalance
- ✓ **83%** higher satisfaction with their cycle

Infographic detailing the results of a 12-week study, indicating improvements in energy, hormonal balance, and cycle satisfaction among women using Primal Queen.
