PRODUCT OVERVIEW

Familiarize yourself with the components and key features of your Monster Open AC601 earbuds and charging case.

Image: The Monster Open AC601 earbuds, black with gold accents, resting in their sleek black charging case. The earbuds are shown both inside and outside the case, highlighting their design.

Image: A detailed overview of Monster Open AC601 features including Hi-Fi Stereo Sound, Ear Clip Design, Upgraded Bluetooth 6.0, IPX5 Waterproof rating, 99% translation accuracy, and 0.5s response time.

Earbud Components:

- **Touch Control Area:** For managing playback, calls, and translation modes.
- **Microphone:** Captures your voice for calls and translation.
- **Speaker:** Delivers audio and translated speech.
- **Charging Contacts:** Connects with the charging case.

Charging Case Components:

- **Earbud Charging Slots:** Securely holds and charges the earbuds.
- **LED Indicators:** Shows charging status and battery level.
- **USB-C Charging Port:** For charging the case.

SETUP

1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case.

1. Place the earbuds into the charging case, ensuring they are correctly seated. The LED indicators on the case will illuminate to show charging status.
2. Connect the charging case to a USB power source using the provided USB cable.
3. The case LEDs will indicate charging progress. A full charge for the case provides up to 32 hours of total playtime, with earbuds offering 8 hours on a single charge.

2. Bluetooth Pairing

Pair your Monster Open AC601 earbuds with your smartphone or other Bluetooth-enabled device.

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device, go to Bluetooth settings and enable Bluetooth.
3. Select "Monster Open AC601" from the list of available devices.
4. Once connected, the earbuds will confirm pairing (e.g., with an audio prompt).

The earbuds feature upgraded Bluetooth 6.0 technology for a stable connection and low latency.

3. App Installation and Setup for Translation

To utilize the AI translation features, download the dedicated Monster translation app.

1. Scan the QR code in the product packaging or search for the "Monster Translation" app on your device's app store

(Google Play Store for Android, Apple App Store for iOS).

- 2. Install and open the app.
- 3. Follow the in-app instructions to connect your earbuds and set up your preferred languages. The app supports 115 languages.

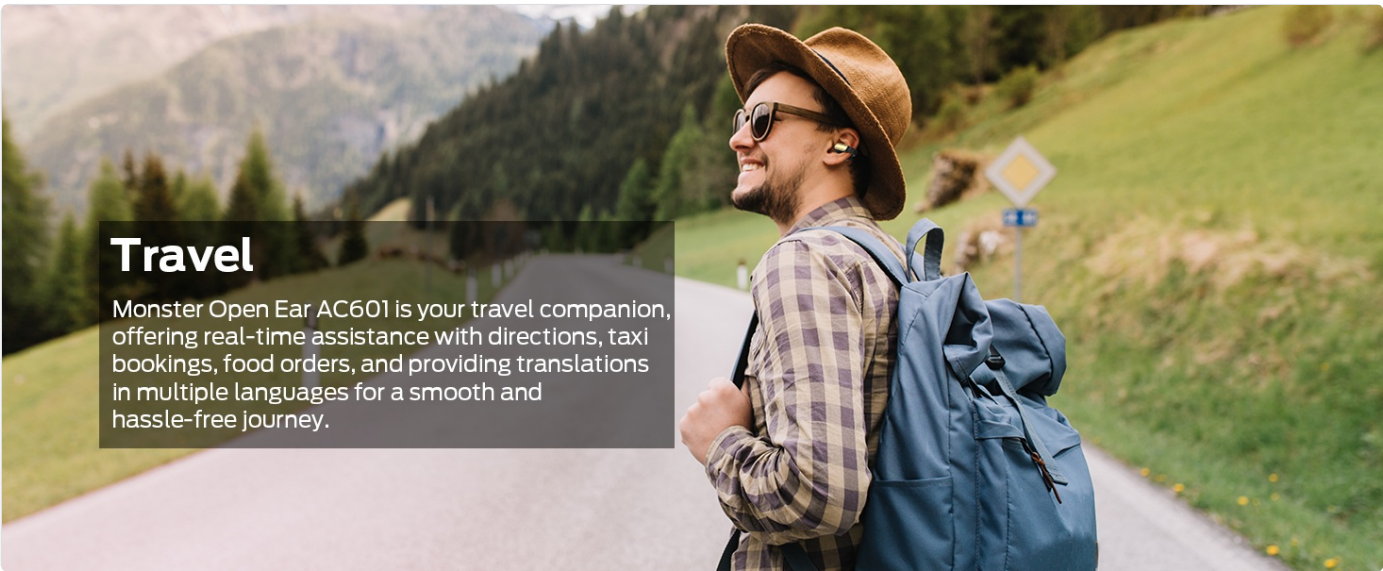

Learning & Training
Monster Open Ear AC601 can provide instant language translation during classroom learning or training sessions to help learners better understand the content.

OPERATING INSTRUCTIONS

Basic Touch Controls

The earbuds feature intuitive touch controls for various functions. The specific number of taps or duration of touch may vary slightly; refer to the app for detailed customization.

Travel
Monster Open Ear AC601 is your travel companion, offering real-time assistance with directions, taxi bookings, food orders, and providing translations in multiple languages for a smooth and hassle-free journey.

Image: A visual guide to the touch controls on the Monster Open AC601 earbuds, showing icons for answering/ending calls, play/pause, declining calls, previous/next song, volume control, and voice assistant activation.

Common Touch Control Functions

Action	Function
--------	----------

Action	Function
Tap x1 (L/R)	Answer/End Call
Tap x2 (L/R)	Play/Pause Music
Tap x2 (L/R) for 2s	Decline Phone Call
Tap x3 (L)	Previous Song
Tap x3 (R)	Next Song
Tap x1 (R)	Increase Volume
Tap x1 (L)	Reduce Volume
Tap x2 (L/R) for 2s	Voice Assistant

Translation Modes

The Monster Open AC601 offers three distinct translation modes to suit various communication scenarios.

Multiple Usage Modes

Image: A diagram illustrating the multiple usage modes of the Monster Open AC601, including AI Voice Intelligent Dialogue, Dual Ear Mode, Headphone+Mobile Mode, Live Recording, and Audio and Video Calls.

1. **Dual Ear Mode:**

Both earbuds are used by two different individuals, each speaking their native language. The earbuds translate in real-time, allowing for a natural conversation flow. Ideal for one-on-one interactions.

2. **Simultaneous Interpretation Mode:**

One person wears the earbuds, while the other speaks into the connected smartphone. The earbuds provide real-time interpretation of the spoken language. Useful for presentations, lectures, or when one person needs to understand multiple speakers.

Image: A split image showing the translation app interface on a smartphone and a classroom setting, demonstrating the use of Simultaneous Interpretation Mode for real-time communication and breaking language barriers.

3. Headphones & Phone Mode:

Use the earbuds for listening to music or making phone calls, while still having the option to switch to translation features via the app when needed. This mode integrates translation, music playback, and phone communication seamlessly.

Using the Translation App

The Monster translation app is central to utilizing the earbuds' full potential.

- **Language Selection:** Easily switch between your language and your conversation partner's language using the convenient language button within the app.
- **Real-Time Display:** The app displays the translated text in real-time, providing a visual aid to the audio translation.
- **Conversation History:** Review past conversations within the app.
- **Settings:** Adjust translation speed, voice gender, and other preferences.

AI Translation Earbuds Upgraded Bluetooth 6.0

MAINTENANCE

Cleaning

- Gently wipe the earbuds and charging case with a soft, dry, lint-free cloth.
- Do not use abrasive cleaners, alcohol, or chemical solvents.
- Ensure charging contacts are clean and free of debris for optimal charging.

Storage

- Store the earbuds in their charging case when not in use to protect them and keep them charged.
- Avoid storing in extreme temperatures or high humidity.

Water Resistance (IPX5)

The Monster Open AC601 earbuds have an IPX5 water resistance rating, meaning they are protected against low-pressure water jets from any direction. This makes them suitable for protection against sweat and light rain.

- Do not submerge the earbuds in water.
- Do not expose them to pressurized water or high-velocity water, such as during showering or swimming.
- Ensure the earbuds are dry before placing them back in the charging case to prevent damage to the charging contacts.

Over All-Day Playtime

TROUBLESHOOTING

Common Issues and Solutions

Problem	Possible Cause	Solution
Earbuds not charging	Improper placement in case; dirty charging contacts; low case battery.	Ensure earbuds are seated correctly. Clean charging contacts. Charge the case.
Cannot pair with device	Earbuds not in pairing mode; Bluetooth off on device; interference.	Open case to enter pairing mode. Enable Bluetooth. Move closer to device. Forget device and re-pair.

Problem	Possible Cause	Solution
No sound from earbuds	Not connected; volume too low; media paused.	Check Bluetooth connection. Increase device/earbud volume. Play media.
Translation not working	App not open/connected; incorrect language settings; poor internet connection.	Ensure app is running and connected. Verify language settings. Check internet connectivity.
Poor translation accuracy	Background noise; unclear speech; complex sentences.	Speak clearly and at a moderate pace. Reduce background noise. Use simpler sentences if possible.
