SETUP

Package Contents

Upon opening the package, ensure all components are present:

- Monster Open AC601 AI Translation Earbuds (Left and Right)
- Charging Case
- USB Charging Cable
- User Manual (this document)

Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case.

1. Place the earbuds into the charging case, ensuring they are correctly seated in their respective L (left) and R (right) slots.
2. Connect the USB charging cable to the charging port on the case and the other end to a compatible USB power source (e.g., computer USB port, wall adapter).

3. The indicator lights on the charging case will illuminate to show charging status. A full charge typically takes approximately 1 hour for the case.
4. The earbuds provide up to 8 hours of listening time on a single charge, and the charging case extends the total playtime to 32 hours.

Translation Modes

The Monster Open AC601 supports three distinct translation modes to suit various communication scenarios. These modes are managed through the dedicated translation application on your smartphone.

- **Dual Ear Mode:** Both earbuds are used for translation, allowing two individuals to share the earbuds for a direct conversation with real-time translation.
- **Simultaneous Interpretation Mode:** Ideal for lectures, presentations, or group discussions. The earbuds provide real-time interpretation of spoken language, allowing you to understand conversations as they happen.
- **Headphones & Phone Mode:** One earbud is used by the wearer, while the other person speaks into the connected smartphone. This mode is suitable for one-on-one conversations where only one person needs the earbud for translation.

MAINTENANCE

Cleaning

To maintain optimal performance and hygiene, regularly clean your earbuds and charging case.

- Use a soft, dry, lint-free cloth to wipe the earbuds and charging case.
- For stubborn dirt, slightly dampen the cloth with water or a mild, non-abrasive cleaner. Avoid excessive moisture.
- Do not use harsh chemicals, aerosols, or abrasive cleaning agents.
- Ensure charging contacts on both earbuds and case are clean and dry.

Water Resistance (IPX5)

The Monster Open AC601 earbuds are rated IPX5 water-resistant, meaning they can withstand splashes of water from any direction. This makes them suitable for workouts and light rain.

- Do not submerge the earbuds in water.
- Do not expose them to saltwater or other liquids.
- Ensure the earbuds are dry before placing them back into the charging case to prevent damage.

Storage

When not in use, store the earbuds in their charging case to protect them from dust, dirt, and physical damage. Store in a cool, dry place away from extreme temperatures.

TROUBLESHOOTING

If you encounter issues with your Monster Open AC601 earbuds, refer to the following common problems and solutions.

Problem	Possible Cause	Solution
Earbuds not pairing	Bluetooth off, earbuds not in pairing mode, device too far.	Ensure Bluetooth is on, place earbuds in case and reopen, move device closer, try re-pairing.
No sound from earbuds	Low battery, not connected, volume too low, incorrect audio output selected.	Charge earbuds, check Bluetooth connection, increase volume on device, select earbuds as audio output.
Translation not working	App not open, internet connection issues, incorrect language settings.	Ensure translation app is open and connected, check internet connection, verify language settings in the app.
Charging case not charging	Faulty cable/adaptor, dirty charging port.	Try a different USB cable and power adapter, clean the charging port gently.
