LUDOS ZENITH

LUDOS ZENITH Wired Earbuds Instruction Manual

Model: ZENITH | Brand: LUDOS

1. INTRODUCTION

The LUDOS ZENITH wired in-ear headphones are designed to provide a clear audio experience with a focus on durability and comfort. These earbuds feature a 3.5mm jack for broad compatibility and an integrated microphone for communication. This manual provides essential information for setting up, operating, maintaining, and troubleshooting your LUDOS ZENITH earbuds.

PREMIUM SOUND

Image 2.2: LUDOS ZENITH Earbuds highlighting premium sound and bass capabilities.

3. SETUP

The LUDOS ZENITH earbuds are designed for simple plug-and-play operation. No complex setup or software installation is required.

1. **Identify the Audio Port:** Locate the 3.5mm audio jack on your device (smartphone, tablet, laptop, computer, gaming console controller, etc.).
2. **Connect the Earbuds:** Insert the 3.5mm jack of the LUDOS ZENITH earbuds firmly into your device's audio port.
3. **Adjust Volume:** Control the audio volume directly from your connected device.

Note: Some newer devices, particularly certain iPhone models, may require a separate Lightning to 3.5mm adapter (not included) to connect these earbuds. Always check your device's specifications for adapter requirements.

PROVEN COMPATIBILITY

Android, PC, Laptop, MacBook, Chromebook, iPhone, iPad, iPod

4. OPERATING INSTRUCTIONS

The LUDOS ZENITH earbuds feature a single inline button for convenient control of audio and calls.

4.1. Call Control

- **Answer Call:** Press the button once.
- **End Call:** Press the button once during an active call.
- **Reject Call:** Press and hold the button for approximately 2 seconds.

4.2. Music Playback Control

- **Play/Pause:** Press the button once.

- **Next Track:** Press the button twice quickly.
- **Previous Track:** Press the button three times quickly.

Single Button Control:

Answer - Hang up

Play - Pause

5. COMPATIBILITY

The LUDOS ZENITH earbuds are compatible with a wide range of devices featuring a standard 3.5mm audio jack. This includes:

- **Smartphones:** iPhone (5, 6, and newer generations via adapter), Samsung, Huawei, One Plus, other Android smartphones.
- **Tablets:** iPad Mini/Air, Android tablets.
- **Computers:** PC, Laptops, MacBooks, Chromebooks.
- **Gaming Consoles:** PS4, Xbox One, Nintendo Switch (via controller or console audio jack).
- **Other Devices:** iPod touch.

Important: For devices without a 3.5mm jack (e.g., newer iPhones, some USB-C Android phones), a compatible adapter (Lightning to 3.5mm or USB-C to 3.5mm) is required and sold separately.

6. MAINTENANCE

To ensure the longevity and optimal performance of your LUDOS ZENITH earbuds, follow these maintenance guidelines:

- **Cleaning:** Gently wipe the earbuds and cable with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials. Do not immerse the earbuds in water.
- **Storage:** Store the earbuds in a clean, dry place when not in use. Avoid tangling the cable by coiling it loosely.
- **Handling:** Avoid pulling the cable forcefully when disconnecting from a device. Always grasp the 3.5mm jack directly.
- **Environmental Factors:** Protect the earbuds from extreme temperatures, direct sunlight, and excessive moisture.

7. TROUBLESHOOTING

If you encounter issues with your LUDOS ZENITH earbuds, refer to the following common solutions:

- **No Sound or Intermittent Audio:**
 - Ensure the 3.5mm jack is fully inserted into the device's audio port.
 - Check the volume level on your device.
 - Test the earbuds with another device to determine if the issue is with the earbuds or the original device.
 - If using an Apple device and no sound, try restarting the device.
 - Inspect the cable and jack for any visible damage.
- **Microphone Not Working:**
 - Ensure the 3.5mm jack is fully inserted. A partial connection can sometimes result in audio but no microphone function.
 - Check your device's audio settings to ensure the external microphone is selected.
 - Test the microphone with another application or device.
- **Button Controls Not Responding:**
 - Ensure the earbuds are properly connected.
 - Some older devices or specific applications may not fully support all inline control functions.

If the issue persists after trying these steps, please contact LUDOS customer support.
