LQPFBSM Dragon Building Blocks Set Instruction Manual

Model: 5011

Introduction

This manual provides detailed instructions for assembling and maintaining your LQPFBSM Dragon Building Blocks Set. Please read all instructions carefully before beginning assembly to ensure a correct and enjoyable building experience. This set contains 1840 pieces designed to replicate a powerful dragon figure.

Safety Information

WARNING: CHOKING HAZARD - This product contains small parts and is not suitable for children under 3 years of age. Keep all small components away from young children to prevent accidental ingestion.
Recommended age for assembly: 8 years and up.

Assembly Instructions

1. **Unpack Components:** Carefully remove all building blocks from their packaging. It is recommended to sort pieces by color or type to facilitate assembly.
2. **Follow Included Instructions:** Refer to the separate, detailed instruction booklet provided with your set. This booklet contains step-by-step diagrams for assembling the dragon figure. Ensure each part is correctly placed according to the diagrams.
3. **Assemble the Base:** Begin by constructing the solid base. The base is designed to ensure the stability of the completed model and includes cloud elements for decorative effect.
4. **Construct the Dragon Body:** Proceed with assembling the dragon's body, paying close attention to the joints and connections to ensure flexibility and structural integrity.
5. **Attach Details:** Add the intricate details such as the dragon's head, horns, dorsal fins, and belly armor.
6. **Final Placement:** Once assembled, the dragon building block set is ready for display.

Maintenance

- **Cleaning:** To clean the model, gently wipe with a dry, soft cloth. Avoid using harsh chemicals or abrasive materials, as these may damage the plastic.
- **Storage:** Store the assembled model or unbuilt pieces in a cool, dry place away from direct sunlight to prevent discoloration or degradation of the plastic.
- **Handling:** Handle the model with care, especially when adjusting articulated parts, to avoid accidental detachment or breakage of components.

Troubleshooting

- **Missing Pieces:** All pieces in LQPFBSM products are sorted and packaged by machine. If you discover any missing pieces in your set, please contact customer support. Provide details on which specific pieces are missing, and replacements will be shipped to you.
- **Assembly Difficulties:** If you encounter difficulties during assembly, double-check the instruction booklet for the correct placement and orientation of parts. Ensure all connections are firm.
