FIIL GS

FIIL GS F043 Open Ear Wireless Earbuds Instruction Manual

Model: GS (F043)

Introduction

Experience unparalleled audio quality with your FIIL GS Open Ear headphones, featuring Hi-Res Audio and LDAC technology for crystal-clear sound reproduction. Designed with an Ergonomic Systematic Design, these headphones offer both comfort and durability, ensuring a perfect fit for all-day wear. The Open Ear design allows for ambient sound while maintaining a high level of Sound Leakage Prevention, making them ideal for outdoor activities. Equipped with Bluetooth 5.3, enjoy seamless connectivity and Multi-Point Connectivity, enabling you to switch between devices effortlessly. With a remarkable 32 HOURS BATTERY LIFE, you can enjoy your music or podcasts without constant recharging. The DUAL-MIC+A.I.ENC technology ensures clear calls, even in noisy environments, while the IPX5 WATERPROOF rating protects against sweat and light rain. Whether you're at the gym, commuting, or relaxing at home, these headphones are designed to enhance your audio experience. Upgrade your listening pleasure with our Open Ear headphones, combining Hi-Res Audio, LDAC, and Ergonomic Systematic Design for a superior sound experience.

What's in the Box

- FIIL GS Open Ear Wireless Earbuds
- Charging Station
- USB Charging Cable
- User Manual

Key Features

- **Hi-Res Audio Wireless Certified + LDAC Codec:**Supports LDAC codec for exceptional sound quality with rich details and warm, balanced audio.
- **Patented Sound Leakage Prevention Technology:** Utilizes a scientific sound aperture matrix and multiple sound barrier configurations to systematically prevent sound leakage.

- **Ergonomic Systematic Design for All-Day Comfort:** Features a 6:4 weight ratio between earbuds and charging case, 6g average fitting force for a secure fit without pressure, and 0.68mm ultra-fine titanium alloy wire flexible material that adapts to your ear shape.
- **Bluetooth 5.3 Dual Device Connectivity:** Connects to two playback devices simultaneously (e.g., cell phones and computers) with automatic switching for calls.
- **Up to 32 Hours Long Battery Life:** Offers approximately 9.8 hours of listening time on a single charge, with the charging case providing 2 additional charges for a total of over 32 hours.
- **ENC Dual-Mic Call Noise Cancellation:** DUAL-MIC+A.I.ENC technology ensures clear calls even in noisy environments.
- **IPX5 Water/Sweat-Resistant:** Protects against sweat and light rain, suitable for workouts and outdoor activities.

Setup

1. **Charge the Earbuds:** Before first use, place the earbuds into the charging case and connect the case to a power source using the provided USB-C cable. Ensure the earbuds and case are fully charged.
2. **Power On:** Open the charging case. The earbuds will automatically power on and enter pairing mode.
3. **Pairing:** On your device (smartphone, tablet, computer), enable Bluetooth. Search for 'FIIL GS' in the list of available devices and select it to pair. A voice prompt will confirm successful pairing.
4. **Wearing the Earbuds:** Gently place each earbud over your ear, ensuring the speaker is positioned correctly for optimal sound. The flexible ear hook should rest comfortably and securely around your ear.

Operating Instructions

Touch Controls

The FIIL GS earbuds feature intuitive touch controls. Refer to the detailed user manual for specific tap functions (e.g., play/pause, skip track, answer/end call, activate voice assistant).

Multi-Point Connectivity

The earbuds support simultaneous connection to two Bluetooth devices. To switch between devices, simply pause playback on the active device and start playback on the other connected device. The earbuds will automatically switch audio sources.

FIIL+ App Control

Download the FIIL+ app for additional customization and features, including equalizer settings, firmware updates, and personalized sound profiles.

Charging

The earbuds provide approximately 9.8 hours of listening time on a single charge. The charging case holds enough power for 2 additional full charges, extending total battery life to over 32 hours. The charging case itself can be fully charged in 1.5 hours via USB-C.

- **Charging the Earbuds:** Place the earbuds into the charging case. They will automatically begin charging.
- **Charging the Case:** Connect the USB-C charging cable to the port on the charging case and to a power adapter (not included). The LED indicator on the case will show charging status.

Maintenance

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.
- **Water Resistance:** The earbuds are IPX5 water-resistant, meaning they can withstand sweat and light splashes. Do not submerge them in water or expose them to heavy rain. Ensure they are dry before placing them back in the charging case.
- **Storage:** Store the earbuds in their charging case when not in use to protect them and keep them charged.

Troubleshooting

- **No Sound:** Ensure earbuds are charged, properly paired, and volume is adjusted on both the earbuds and your device.
- **Pairing Issues:** Turn off Bluetooth on your device, place earbuds back in the case, close and reopen the case, then try pairing again. If issues persist, reset the earbuds (refer to the user manual for specific reset instructions).
- **Call Quality Issues:** Ensure earbuds are clean and positioned correctly. Check for strong Bluetooth signal and minimize environmental noise.
- **Battery Not Charging:** Verify the charging cable and adapter are working. Ensure the charging contacts on the earbuds and case are clean and free of debris.

Specifications

Feature	Detail
Model Name	GS
Item Model Number	F043
Connectivity Technology	Wireless (Bluetooth 5.3)
Audio Codec	LDAC (Hi-Res Audio Wireless Certified)
