

## Hohuqeri 6x6ft

# Hohuqeri 6x6ft Outdoor Storage Shed Instruction Manual

Model: 6x6ft

## 1. PRODUCT OVERVIEW

The Hohuqeri 6x6ft Outdoor Storage Shed is designed for versatile outdoor storage. Constructed from galvanized steel, it offers durability, waterproof properties, rust resistance, and UV protection. Its robust design ensures stability even in challenging weather conditions.

This shed provides ample space suitable for storing tools, bicycles, garden equipment, or can function as a utility room or pet house. The sloped roof design facilitates water runoff, preventing accumulation and potential rust. A lockable door enhances security for stored items.

For improved internal conditions, the shed features four louvered vents at the top to promote air circulation and reduce dampness. A clear window on the sidewall allows natural light inside, aiding in visibility for organizing and retrieving items.

## 2. SAFETY INFORMATION

- Always ensure proper handling of all components, especially heavy parts, during assembly to prevent injury.
- Do not overload the shed beyond its intended capacity. Refer to the full manufacturer's manual for specific weight limits.
- The shed must be placed on a flat, stable, and level surface to ensure structural integrity and prevent tipping.
- Keep children and pets away from the assembly area.
- Wear appropriate personal protective equipment, such as gloves, during assembly.

## 3. PACKAGE CONTENTS

Before beginning assembly, verify that all parts and accessories are present and undamaged. The package should include:

- Shed panels (galvanized steel)
- Roof panels

- Door components (hinges, lock mechanism)
- Window panel
- Frame components (aluminum)
- Fasteners (screws, washers, nuts)
- Plastic corner caps

Additionally, the following complimentary accessories are included:

- 4 Ground Nails
- 1 Lock with keys
- 4 Expansion Screws
- 2 Pairs of Gloves

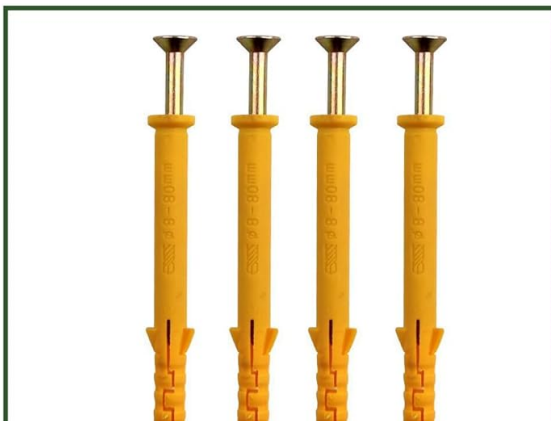

## Complimentary Accessories

4 Ground Nails

1 Lock

4 Expansion Screws

2 Pairs of Gloves

### 4. SETUP AND ASSEMBLY

Assembly of the Hokuqeri 6x6ft Outdoor Storage Shed requires careful attention to detail. It is recommended to have at least two people for assembly. Please refer to the detailed step-by-step instructions provided in the manufacturer's manual included with your product for precise guidance.

## General Assembly Steps:

1. **Site Preparation:** Choose a flat, level, and stable surface for the shed. Ensure adequate clearance around the shed for assembly and future access.
2. **Unpack and Identify Parts:** Carefully unpack all components and identify them using the parts list in your manual. Remove any protective films from the panels.
3. **Base Frame Assembly:** Assemble the base frame according to the instructions, ensuring it is square and level.
4. **Wall Panel Installation:** Attach the wall panels to the base frame, securing them with the provided fasteners. Pay attention to the orientation of panels, including those with vents and the window.
5. **Door Frame and Door Installation:** Assemble the door frame and attach the hinged doors. Ensure smooth operation and proper alignment. Install the lock mechanism.
6. **Roof Assembly:** Install the roof support beams and then attach the roof panels. Ensure all roof panels overlap correctly to prevent water ingress.
7. **Finishing Touches:** Install plastic corner caps and any other decorative or protective elements. Secure the shed to the ground using the ground nails or expansion screws as appropriate for your foundation.

## 5. OPERATING INSTRUCTIONS

- **Door Operation:** Open and close the hinged doors carefully. Ensure the doors latch securely when closed. Use the provided lock for added security.
- **Ventilation:** The shed's louvered vents are designed for continuous air circulation. Do not block these vents to maintain proper airflow and prevent moisture buildup.
- **Storage:** Store items evenly to prevent undue stress on the shed structure. Avoid placing heavy items against the walls.
- **Window:** The clear window provides natural light. Keep it clean for optimal illumination.

## Clear Window

Provides natural light inside for easy picking and storage.

## 6. MAINTENANCE

- **Cleaning:** Clean the shed exterior periodically with mild soap and water. Avoid abrasive cleaners or harsh chemicals that could damage the galvanized steel finish. Rinse thoroughly.
- **Inspection:** Regularly inspect the shed for any signs of damage, loose fasteners, or rust. Tighten any loose screws and address rust spots promptly with appropriate rust-inhibiting paint.
- **Door Hinges:** Lubricate door hinges annually to ensure smooth operation and prevent squeaking.
- **Drainage:** Ensure the area around the shed's base remains clear of debris to allow for proper water drainage from the sloped roof.

## 7. TROUBLESHOOTING

- **Water Leakage:** Check all roof and wall panel overlaps for proper sealing. Ensure all fasteners are tight. Verify the shed is on a level surface to prevent structural distortion that could create gaps.
- **Door Misalignment:** If doors do not close properly, check the base frame for levelness. Adjust hinges if necessary. Ensure no debris is obstructing the door's path.
- **Excessive Condensation:** Ensure the vents are not blocked. If the shed is placed in a very humid environment, consider adding a moisture absorber inside.

- **Loose Panels:** Periodically check and tighten all screws and fasteners to maintain structural integrity.

## 8. SPECIFICATIONS

Feature	Detail
Brand	Hohuqeri
Model	6x6ft Outdoor Storage Shed
Color	Black
Material	Alloy Steel (Galvanized Steel)
Item Weight	100 Pounds
Style	Modern
Base Material	Alloy Steel
Top Material Type	Alloy Steel
Water Resistance Level	Waterproof
Frame Material	Alloy Steel
Door Style	Single Hinged, Lockable Door
Assembly Required	Yes

## 9. WARRANTY AND SUPPORT

For specific warranty information, please refer to the documentation included with your purchase or contact Hohuqeri customer support directly. Keep your proof of purchase for any warranty claims.

If you encounter any issues or have questions not covered in this manual, please reach out to the manufacturer's customer service for assistance. Contact details can typically be found on the product packaging or the brand's official website.
