2. Important Safety Information

Please read and understand all safety instructions before assembling or using this product. Failure to follow these instructions may result in injury or damage to the product.

- **Weight Limit:** Do not exceed the maximum weight limit of 200 pounds (approximately 90 kg) on the table. Distribute weight evenly across the surfaces.
- **Anti-Tipping Device:** Anchor the table to the wall using the provided anti-tipping device to prevent accidental tipping, especially in households with children or pets.
- **Assembly:** Assemble the table on a soft, clean surface to prevent scratches. Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten fasteners as needed.
- **Small Parts:** Keep all small parts and packaging materials away from children and pets, as they may pose a choking hazard.
- **Placement:** Place the table on a level surface to ensure stability. Avoid placing hot items directly on the surface

without protective coasters.

5. Setup and Assembly

Assembly of the Tribesigns Console Table is designed to be user-friendly. Please follow these steps carefully. It is recommended to have two people for assembly.

5.1 Tools Required

- Included Installation Tool (Allen Wrench/Screwdriver)
- Hammer (optional, for dowels if applicable)
- Phillips Head Screwdriver (optional, for wall anchor)

5.2 Assembly Steps

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a soft, clean surface (e.g., a blanket or carpet) to prevent scratches. Compare each piece to the parts list in the Assembly Guide to ensure everything is present.
2. **Attach Side Supports to Top Panel:** Securely attach the two side support panels to the underside of the tabletop

panel using the designated screws and dowels. Ensure the panels are aligned correctly and tightened firmly.

3. **Install Lower Shelf:** Position the lower shelf panel between the two side support panels. Align the pre-drilled holes and attach the shelf using the appropriate hardware. Ensure it is level and securely fastened.
4. **Final Tightening:** Once all major components are assembled, gently stand the table upright. Double-check all screws and fasteners to ensure they are fully tightened. Do not overtighten.
5. **Install Anti-Tipping Device:** For safety, attach the anti-tipping device to the back of the console table and secure it to a wall stud using the provided hardware. This step is crucial to prevent accidental tipping.

7. Care and Maintenance

To ensure the longevity and appearance of your Tribesigns Console Table, follow these care instructions:

- **Cleaning:** Wipe the surface with a damp cloth for general cleaning. For tougher spots, use a mild, non-abrasive cleaner. Always follow with a dry cloth to remove excess moisture.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the wood finish.
- **Heat and Moisture:** Avoid placing hot items directly on the table surface. Use coasters under drinks to prevent water rings and heat damage.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration of the finish.
- **Relocation:** When moving the table, lift it rather than dragging it to prevent damage to the legs and frame.

8. Troubleshooting

If you encounter any issues with your console table, please refer to the following common solutions:

Table is Wobbly:

Ensure all screws and fasteners are securely tightened. Check if the table is on a level surface; use furniture pads or shims if necessary to stabilize it.

Missing Parts or Damaged Components:

Refer to the 'Package Contents' section and the Assembly Guide. If parts are missing or damaged upon arrival, contact Tribesigns customer service immediately with your purchase details.

Difficulty During Assembly:

Review the assembly steps carefully. Ensure you are using the correct hardware for each step. Sometimes, loosening screws slightly before final tightening can help with alignment. If issues persist, consider watching online assembly tutorials or contacting customer support.

9. Warranty and Customer Support

Tribesigns is committed to providing high-quality products. For information regarding product warranty, returns, or any other inquiries, please refer to your purchase documentation or visit the official Tribesigns website.

Customer Service: If you encounter any issues or have questions, our customer service team is always ready to assist. Please have your model number (HOGA-F2190-DE) and purchase details ready when contacting support.
